Death of Fred C. Lemmond

A telegram received here Sunday from Jacksonville, Fla., announced the death of Mr. Fred C. Lemmond, eldest son of our townsman Mr. W. D. Lemmond, which occurred in that city that morning. The unexpected sad news was a terrible shock to the family. The telegram gave no details but as his father had had no notice of his illness the supposition is that his death was quite sudden. Only a few weeks ago he was here on a visit and was apparently enjoying excellent health. Fred was about 31 years of age and is survived by his father, three brothers and five sisters. His remains were interred at Jacksonville.

A Recommendation.

We the board of County Commissioners and Grand Jurors in joint session do recommend that the County Supervisor require the several overseers of roads in the county to meet and make full report of their roads on the first Monday in April and October of each year.
