They will also remember that the same benevolers people have induced some of the same class to migrate to Indiana with the expectation of being permanently located on forty acres with a mule. But since the election they have been left to struggle Southward as best they can, or told to go to the devil. Thousands of dollars were made by the instigators of these diabolical schemes. But our Sambo can learn, and when he knows anything he knows it as well as anybody. So a new scheme has been devised by these self-styled philanthropists, to delude the "poor negro" and take in the cash be made this year. This 'Yankee boom" is called the "threatened Exodus." It proposes to carry 200,000 colored men and their families to some unknown region in New Mexilong-faced Quaker, Browne, and a canting General Couway, who with their company will make one million of dollars for the removal and at least a million a year by the labor of the gains. colonists for so long a time as they IMPERTINENCE PROMPTED BY can be cheated.
