Coloring for Butter

Dairyman's Delight

cheapness. Durability, brightness of color never becomes rancid, and is per feetly harmless. By using "Dairyman's Delight," you will obtain a more natural color than by any other artificial coloring in the market. Put up in 6 oz. vials at 25 cents. Directions: Add to the Cream, C -A-S-H-, when ready to churn, one-halt teaspoonful of color for each three gallons of Cream which will produce the desired tint and can G-A-S-H-, be increased or diminished to beighten or diminish the brightness of the color. One trial will convince you of its supe-

Your Butter will bring a better price and will be more salable than others. As this coloring is perfectly harmless and prepared by a regular Druggist, it will pay you
