Board in good families at very reasonable rates.

M. H. WITT, Chairman Board of Trustees, New Brookland, S. C. August 21-30th.

The Clemson College Bill.

Full Text of the Measure as Passed by the Legislature.

Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same:

Section 1. That one-half of the land scrip fund, heretofore vested by Section 1,045 of the General Statutes, in the Board of Trustees of the University of South Carolina, be and the same is hereby, vested in the six members of the Board of Trustees of the Clemson Agricultural College of South Carolina, elected by the General Assembly, and the State Treasurer is hereby authorized and required to take up and retire the certificate of State stock heretofore issued to the Board of Trustees of the said University in the sum of one hundred and ninety one thousand eight hundred dollars according to the provisions of Section 1,045 aforesaid, and the State Treasurer is hereby authorized and required on or as soon after the first day of July, A. D. 1890, as this Act shall take effect, to issue a certificate of State stock in the sum of ninety-five thousand and nine hundred dollars, bearing interest at the rate of 6 per centum per annum, payable semi-annually to the six members of the said Board of Trustees of the said Clemson Agricultural College, to be held as a perpetual fund, the capital of which shall forever remain undiminished, the income of said fund to be used by said Trustees for the building and maintenance of said Clemson Agricultural College, in accordance with the purpose for which said land scrip was donated by the Acts of Congress of the United States in relation to the said land scrip.

Section 2. That the annual grant of fifteen thousand dollars, commonly known as the Hatch bill fund, made to the State of South Carolina by the Congress of the United States according to the terms of an Act of Congress entitled "An Act to establish agricultural experiment stations in connection with the colleges established in several States under the provisions of an Act approved July 2, 1862, and the Act supplementary thereto," approved March 2, 1887, be, and the same shall be, on or as soon after the first day of November, A. D. 1890, as this Act shall take effect, withdrawn from the control of the Board of Trustees of the University of South Carolina, in whom it was vested by an Act entitled "An Act to amend Chapter XX, of the General Statutes, entitled 'of the University of South Carolina,' approved December 22, 1887," and the said grant of fifteen thousand dollars is hereby vested in the six members of the Board of Trustees of the Clemson Agricultural College of South Carolina, chosen by the General Assembly, and an agricultural experiment station shall be established in connection with the said Clemson Agricultural College, and under the direction of the Board of Trustees thereof, to be supported by said grant according to the provisions of the Act of Congress hereinafter mentioned.

Section 3. That the sum of fifteen thousand dollars be, and the same is hereby, appropriated to the building and maintenance of the said Clemson Agricultural College, and shall be paid by the State Treasurer to the Treasurer of the said Board of Trustees of the said Clemson Agricultural College upon the order of said Board of Trustees signed by their President and Secretary: Provided, further, that said funds and monies shall be paid by the State Treasurer to the Treasurer of the said Board of Trustees at such times and in such amounts as shall be determined upon by the said Board of Trustees, the same to be paid on application of said Board of Trustees to the Comptroller General.

Section 4. That ten thousand dollars of the money arising from the privilege tax on fertilizers sold or offered for sale in this State, collected by the Department of Agriculture during the fiscal year ending October 31, 1889, and now on hand to the credit of said Department of Agriculture, shall be paid to the State

Treasury, and are hereby appropriated to the building and maintenance of the aforesaid Clemson Agricultural College, and shall be paid by the State Treasurer to the Treasurer of the Board of Trustees of the said Clemson Agricultural College upon the order of said Board of Trustees, signed by their President and Secretary. And fifteen thousand dollars of all monies arising from the privilege tax on fertilizers sold or offered for sale in this State which shall hereafter be collected for the fiscal year ending the 31st day of October, A. D. 1890, by the Department of Agriculture, or those upon whom the duty of collecting said privilege tax may by Act of the General Assembly be devolved, shall be paid to the State Treasurer, and shall be kept on a separate account by the State Treasurer, and are hereby appropriated to the building and maintenance of the Clemson Agricultural College; and the State Treasurer is hereby authorized and required to pay the same annually to the Treasurer of the Board of Trustees of the said Clemson Agricultural College, upon the order of said Board of Trustees, signed by their President and Secretary.

Section 5. That the Board of Directors of the State Penitentiary are hereby authorized and required upon the order of the Board of Trustees of the said Clemson Agricultural College, signed by their President and Secretary, to furnish said Board of Trustees able-bodied convicts, not to exceed fifty in number at one time, said convicts to be employed by said Board of Trustees in work connected with the erection of the buildings of said Clemson Agricultural College, or in the preparation of the ground and the materials therefor: Provided, That the said Board of Trustees shall defray the expenses of the transportation of said convicts to and from the Penitentiary, the expenses of medical attention, and the expense of furnishing such convicts with proper food and clothing.

Section 6. That the Board of Trustees of the said Clemson Agricultural College are hereby authorized and empowered to procure forthwith from competent architects and contractors plans and estimates of buildings suitable for the purposes of the said Clemson Agricultural College, and to erect said College buildings upon a suitable site on Fort Hill plantation, situated in the county of Oconee, and to fray the expenses incident to the erection of college buildings, and to the proper maintenance of said Clemson Agricultural College, out of the funds and monies hereby, in the preceding sections of this Act, appropriated and made available, and out of such other funds and monies as may by the General Assembly be hereafter appropriated and made available, and to do all other things necessary to carry out the provisions of this Act and the provisions of the Act entitled "An Act to accept the devise and bequest of Thomas G. Clemson, and to establish an agricultural college in connection therewith," approved November 27, A. D. 1889. Provided, That this Act shall not take effect until the executor of the will of the aforesaid Thomas G. Clemson shall have executed a deed and conveyance of the property so devised to the State: Provided, nevertheless, that of the funds and monies by the several sections of this Act appropriated, the sum of three thousand dollars shall, upon the approval of this Act, be immediately paid by the State Treasurer to the Treasurer of the Board of Trustees of the said Clemson Agricultural College to defray the cost of plans and specifications and estimates of suitable college buildings as aforesaid; said sum to be paid upon the order of the Board of Trustees signed by their President and Secretary: Provided, further, that said funds and monies shall be paid by the State Treasurer to the Treasurer of the said Board of Trustees at such times and in such amounts as shall be determined upon by the said Board of Trustees, the same to be paid on application of said Board of Trustees to the Comptroller General.

Section 7. That the Secretary of the Board of Trustees of the said Clemson Agricultural College shall also be the Treasurer of said Board, and shall be paid by the State Treasurer of the said Board of Trustees of the said Clemson Agricultural College upon the order of said Board of Trustees signed by their President and Secretary: Provided, further, that said funds and monies shall be paid by the State Treasurer to the Treasurer of the said Board of Trustees at such times and in such amounts as shall be determined upon by the said Board of Trustees, the same to be paid on application of said Board of Trustees to the Comptroller General.

Section 8. That the sum of fifteen thousand dollars be, and the same is hereby, appropriated to the building and maintenance of the said Clemson Agricultural College, and shall be paid by the State Treasurer to the Treasurer of the said Board of Trustees of the said Clemson Agricultural College upon the order of said Board of Trustees, signed by their President and Secretary: Provided, further, that said funds and monies shall be paid by the State Treasurer to the Treasurer of the said Board of Trustees at such times and in such amounts as shall be determined upon by the said Board of Trustees, the same to be paid on application of said Board of Trustees to the Comptroller General.

Section 9. That all Acts or parts of Acts in conflict, or inconsistent with the provisions of this Act, be, and the same is hereby repealed. And whenever it shall be agreed between the buyer and seller to deduct tare on cotton bales it shall be as follows: For bales of cotton covered with seven yards of standard cotton bagging and six iron ties, the actual tare shall be, and is hereby, fixed at sixteen pounds, and for bales of cotton covered with seven yards of standard jute bagging and six iron ties, the actual tare shall be, and is hereby, fixed at twenty-four pounds.

REGULATING WEIGHTS AND MEASURES. An Act to provide a punishment for making use of false scales, weights or measures in buying and selling. Section 1. That any person or persons who shall knowingly make use of any scales, weights or measures which fail to conform to the standard thereof prescribed by law, in buying or selling any goods, wares, merchandise or other article, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in a sum of not more than one hundred dollars, or be imprisoned in the county jail for a period not exceeding thirty days.

WORKING CONVICTS ON THE STREETS. An Act to authorize and empower certain incorporated towns in the State of South Carolina to substitute hard labor on the streets for fine and imprisonment in cases of misdemeanor which come under their jurisdiction. Section 1. That all incorporated towns in the State of South Carolina of three hundred inhabitants or more are hereby authorized and empowered to substitute hard labor on the streets for fine and imprisonment in cases of misdemeanors which come under their jurisdiction: Provided, that in no case shall such sentence to hard labor exceed a term of thirty days, unless otherwise provided by law. Section 2. That this Act shall take effect from and immediately after the date of its approval. Approved December 23, 1889.

ANNUAL REPORT OF THE COUNTY TREASURER

FOR THE FISCAL YEAR ENDING OCTOBER 31st, 1889

OFFICE OF COUNTY TREASURER, LEXINGTON, C. H., S. C., January 28, 1890.

TO THE PRESIDENT JUDGE OF THE FEBRUARY TERM OF COURT OF GENERAL SESSIONS OF LEXINGTON COUNTY, S. C.

REPORT OF CLAIMS APPROVED FOR SCHOOL YEAR 1888-'89.

Table with columns: No., Names, Amount. Lists various individuals and their respective amounts.

And seller agree to sell at net weight, and when bales of cotton are covered with seven yards of standard cotton bagging and six iron ties, the actual tare shall be, and is hereby, fixed at sixteen pounds; and when bales of cotton are covered with seven yards of standard jute bagging and six iron ties, the actual tare shall be, and is hereby, fixed at twenty-four pounds.

Who can foretell a sudden bruise on the leg of a favorite? Keep Salvation Oil for the stable.

The early bird catches the worm, and sometimes a bad cold, which however, does no injustice to the old proverb, for with the aid of Dr. Bull's Cough Syrup colds are of no consequence. Price 25 cents.

Sympathy is one of the great crevices of our lives. It can overcome evil quicker than the harshest treatment. It strengthens good, bringing forth more help to bear the hardest trials that come to us all from time to time.

For the very best teas and rio coffee, go to the Bazaar.

ANSWER THIS QUESTION.

Why do so many people we see around us seem to prefer to suffer and be made miserable by Indigestion, Constipation, Dizziness, Loss of appetite, Coming Up of the Food, Yellow Skin, when for 75 cents we will sell them Shilo's System Pills, guaranteed to cure them. Sold by Dr. M. G. Hendrix.

A professional swindler who was recently sent to Blackwell's Island, New York, boasts of having been arrested fifty-five times during the last nineteen years.

A man who was told that he was about to die asked the doctor for his bill, saying that he did not wish to depart from his life long rule, "Pay as you go."

From the most vigorous and hearty people have at times a feeling of weariness and lassitude. To dispel this feeling take Dr. J. H. McLean's Sarsaparilla; it will impart vigor and vitality.

The largest lemon orchard in the world is in process of planting at San Diego, Cal. It will comprise three hundred acres.

The most delicate constitution can safely use Dr. J. H. McLean's Tar Wine Lung Balm. It is a sure remedy for coughs, loss of voice, and all throat and lung troubles.

Brazil has a law for the medical examination of persons about to marry to determine their fitness.

If health and life are worth anything, and you are feeling out of sorts and tired out, tone up your system by taking Dr. J. H. McLean's Sarsaparilla. Apr. 30.

Chips from Our Workshop.

Kerosene was first used for light purposes in 1862.

The Bible was translated into six new languages in 1880.

are sure of a better one.

Bella A. Lockwood has announced that she will again run for President in 1892.

There is a factory in England which makes 5,000,000 tin soldiers yearly out of sardine cans.

A Louisville, Ky. boy smoked fifty cigarettes a day. He is now dead.

The loss of life by the recent floods in the Chinese provinces is placed at 100,000.

The farmer who does not supply his wife with plenty of good wood deserves to go without his dinner.

Have a tender regard for sudden and unpremeditated impressions. In the pure heart they are often God's whisper to the soul.

The reason that some men can't make both ends meet is because they are busily engaged in making one end drink.

Marry your sweetheart on her birthday if you can, young man. It will save you money every year in anniversary presents.

Mercurial Poison.

Mercury is frequently injudiciously used by quack doctors in cases of malaria and blood poison. Its after effect is worse than the original disease. B. B. B. (Botanic Blood Balm) contains no mercury, but will eliminate mercurial poison from the system. Write to Blood Balm Co., Atlanta, Ga., for book of convincing proof of its curative virtues.

My system was saturated with blood poison, and I had sores in my mouth and knots on my tongue. I got two bottles of B. B. B., which healed my tongue and mouth and made a new man of me.

W. M. Richmond, Atlanta, Ga., writes: "My wife could hardly see. Doctors called it syphilis. Her eyes were in dreadful condition. Her appetite failed. She had pains in her joints and bones. Her kidneys were deranged and she had no thought she could be cured. Dr. Gilliam recommended B. B. B., which she used until her health was entirely restored."

E. P. B. Jones, Atlanta, Ga., writes: "I was troubled with copper colored eruptions, loss of appetite, pain in back, aching joints, debility, emaciation, loss of hair, sore throat, and great nervousness. B. B. B. put my system in fine condition."

In South America one sees great fields thickly covered with oats, which have not been sown, but growing spontaneously.

It is said that the wealth of the United States amounts to \$1,000 a head. But this doesn't mean that everybody is \$1,000 ahead.

George Kennan found weather in Siberia that froze mercury in a bullet mold. The bullet he thus made he fired through an inch plank.

Some men work harder to avoid paying an honest debt than they would have to work to earn the money to pay it with.
