The present owners of this property, in foreseeing the future five years ago, obtained an option on this property, realizing the fact that the great city of Columbia was enlarging her suburbs. It has been their desire to make this one among the best suburbs around Columbia, and the time has arrived when we are giving the people an opportunity to purchase these lots at prices that will never be again. Three years from today any lot purchased on Green's Hill will throbble in value.

Don't wait. Go to the bank and have your money ready to put in a lot on Green's Hill, where you can make 20 per cent. to 50 per cent. in twelve to eighteen months. People say it is luck, but it is just foreseeing the future and applying a little NERVE. Don't wait and then say "I wish I had bought a lot on Green's Hill."

There will certainly be a profit to the man or woman who buys these lots. Be sure and come out on the morning of August 6, and bring your friends with you.
