DEDICATION OF ST. JOHNS CHURCH

First Building Was Dedicated in 1832—Has Been and is Most Beautiful One in Lexington—Corner Stone Laid—Cost \$2,500.00

A large concourse of people gathered at St. Johns church Saturday to witness and to assist in the service of laying the corner stone of the new church. The church was taxed to hold so many. An address appropriate for the occasion was delivered after which the formal exercises of laying the stone was conducted by Pastor Risinger assisted by Revs. Monroe and Park. A sumptuous dinner was served on the grounds between 12 and 1 o'clock and later in the afternoon the children held a missionary service.

At 11:15 Sunday morning the dedication service began. Pastor Risinger and Dr. A. G. Voigt, D. D., preceded by the church council, entered the church abreast from the vestibule carrying the Holy Bible. Dr. Voigt preached the dedicatory sermon. He fully expounded the meaning of the dedication of church buildings to individuals and to the service of God.

St. Johns church is a beautiful and spacious edifice and it is lavishly furnished.

The corner stone bears the inscription, "St. Johns Evangelical Lutheran church, 1832-1913. List of articles placed in the stone follows: A Bible, a hymn book, Lutheran catechism, Stump's Edition, copy of the Lutheran church Visitor of July 17, 1913, copy of Tidings dated July, 1913, Lutheran church Almanac, 1913 (General council Edition), Lutheran Almanac and Year Book, 1913, (General Synod) history of the church and congregation, number of members, photograph of old church, photograph of new church, short history of St. Johns (calks Road) Evangelical Lutheran church of Lexington county.

Prior to 1832, according to the best information now obtainable, St. Johns congregation was organized and a frame building 45 by 35 feet was built with a gallery. At that time it was one of the county's best church buildings. The same can truthfully be said of the present one. This building was dedicated in January, 1832, and we suppose on the third Sunday, as it is said that the third Sunday has always been the day of St. Johns service. The gallery was largely used by the colored slaves before the civil war. The first officers were designated as elders and were: John Leaphart, Jacob Rawl, Wm. Taylor and John Lown. This building with some repairs stood as first built till 1913, when it was remodelled into the present building. The old building was left standing just as built and a Sunday school building 35 by 25 feet added to the south side, and on the north side a pulpit annex of 10 by 35 feet was added, a tower was built, the building reweatherboarded, refloored, recovered and the old, small windows were replaced by large gothic windows.

On the third Sunday, October 20, 1912, Pastor P. D. Risinger called a congregational meeting immediately after divine service and submitted plans for remodeling the old church building. The plans submitted were according to description given above and were at once unanimously adopted, and the pastor was instructed to begin raising the money to erect the remodeled building. The pastor was ordered to select a committee to assist him in the work and accordingly he appointed Messrs. D. S. Kyzer and W. K. Hook.

The contract for the building was awarded to John W. Frye, of Lexington, who began work on the 27th of January, 1913. The building as it now stands, completed and furnished, cost \$2,500.00. The elders are J. S. Hendrix, J. E. R. Kyzer, D. J. Harman, D. S. Kyzer, deacons, W. K. Hook, J. E. Kyzer, John W. Rawl, John A. Balentine.

Communion Service.

Communion Service will be held at St. Stephen E. L. church at eleven o'clock on the first Sunday in August the 30-day. Rev. Dr. Voigt will administer the Lord's supper.

Dr. H. G. Eleazer Dead.

Chapin, July 18,—Dr. H. G. Eleazer died suddenly at his home in Spring Hill this morning at 3 o'clock.

Dr. Eleazer was born in Lexington county, April 16, 1861. He was therefore fifty-three years of age. He was the son of George B. Eleazer, who has preceded him to the grave. In the year 1885 he graduated at the Medical College of Charleston, and the following year he finished at the hospital. On December 29, 1887, he was married to Miss Mary Cozier Welch, daughter of James A. Welch.

One year ago he was attacked by a slight stroke of paralysis, and the second stroke came last night, which caused his death. His work as a physician was well known, and he was a surgeon for the Southern and C. N. & L. railways.

Dr. Eleazer was a man of high character. He was a member of Mt. Olivet church and was known for his generous disposition and neighborly qualities. He was a Mason and Knight of Pythias.

He leaves a wife, one daughter, two sons, a mother, three sisters and five brothers.

The interment was in the cemetery at Mt. Olivet church Saturday at 10 o'clock.

Dr. Eleazer was the physician of the John D. Jacobs family that was exterminated at their home in the Fork, presumably by Jacobs, while suffering from a mental affection. Dr. Eleazer was a prominent witness at the corner's inquest a few days ago as he testified that he had treated Jacobs and in their conversations Jacobs had referred to suicide. On Dr. Eleazer's testimony was advanced the theory that Jacobs had killed the family and afterwards committed suicide.

For The Common Good.

The first meeting of the Conference for the Common Good will be held in Columbia August 6th and 7th. For this meeting the railroads entering Columbia have granted special rates and a large attendance is expected. The purpose of this conference is to offer an opportunity for men and women who have at heart the best interests of the State to come together and discuss vital significant things and endeavor to arrive at a remedy for the evils which exist, and to assist each other in all efforts for the common good. The movement is non-political and the conference will discuss principles and not personalities. It is hoped that its conclusions may deserve the support of all lovers of the State regardless of political affiliations. The conference is intended to be merely a preliminary to county conferences to be held later in the summer or in connection with the county fairs in the fall. Men will be asked to state in a few minutes their conclusions, and then the subject will be open to general discussion. The committee extends a cordial invitation to everybody to attend this conference and to unite in a resolve to think and talk about things that are worth while.

An appropriate program has been arranged for the occasion.

The olden-time chicken stew given by the Ladies' Improvement League last Friday evening was quite a success. The stew was excellent and refreshments were served. A large number of our good people turned out and enjoyed the supper. This shows the right interest when the public encourages the efforts of the ladies working for the betterment of your town. A neat sum was realized.
