Boys:

Every boy is a miniature business man. If he manages his little business affairs with credit to himself, he will be a good manager of big affairs later in life. The best way in the world for a boy to become a good manager is to have a savings account, think twice before spending and keep the account growing. This bank wants to be a "partner" in the affairs of every sturdy, sensible boy in Lexington by helping him to save.

Child Seriously Injured.

The seven-year-old son of Mr. and Mrs. "Bub" Hite, who lives about three and one-half miles south of Lexington, met with a serious and probably fatal accident Friday afternoon at about two o'clock.

The little boy, it seems, was carrying fodder from the barn to the stable with the horse following him nibbling at the blades. A few hands of fodder were dropped by the child and as he turned to pick them up the horse suddenly raised his heels striking the child on the left side of the head crushing three or four inches of his skull into the brain.

Dr. G. Frank Roberts of this place was immediately summoned and did what surgical work could be done under the circumstances and then sent the child to Columbia where he was placed in Knowlton's Hospital. Although the injury is a serious one, it is thought that the child has a fighting chance for recovery.

A peculiar coincidence with the accident is the fact that the horse which kicked the child on Friday ran away with the father of the child in Columbia several months ago and in this accident the father's skull was also crushed and for several weeks the man lingered between life and death. The same animal injured one of the members of the family a few months ago but not so seriously.

The last report from the child is to the effect that he is getting along as well as could be expected considering the seriousness of his injuries.

Big Picnic Tomorrow.

One of the largest, if not the largest, Sunday school picnic ever held in Lexington county will be held in front of the residence of the Rev. J. A. Cromer tomorrow.

The picnic is known as the "Zions Pastorale Picnic," and embraces the large congregations of five churches, viz: Zion, St. Peters, Emanuels, Pilgrim and Mt. Herman. This is the third annual picnic of these five churches, and if good weather prevails, there is no doubt that an immense crowd of people will gather for this occasion as a delightful program together with refreshments will be served.

Lots of Typhoid Fever.

Typhoid fever seems to be raging in certain portions of the county. Practically the whole family of Mr. George Raul who resides about eight miles above Lexington are seriously ill at this time. The illness of Mr. Raul is peculiarly unfortunate considering the fact that he is just recovering from an accident suffered by him several weeks ago while operating a saw mill in which his left hand was seriously wounded and has hardly healed.

In the family of Mr. and Mrs. Henry Oxner, living in the vicinity of St. Johns, two are down, a young man of about 18 years of age and a daughter of about 11, both are said to be very ill. Miss Emmie James, a trained nurse of Columbia, was rushed to their bedside Saturday.

There are said to be many other cases of typhoid fever in the county and the use of typhoid vaccine is being urged by the doctors as a preventive.

Reception in Batesburg.

One of the most enjoyable of the season's social functions in Batesburg was the reception given by Miss Susie Edwards at her lovely home on Railroad street Monday afternoon, July 21st, in honor of her guest, Miss Boyd of Rock Hill.

Miss Boyd, the honor guest of the afternoon, being connected with Winthrop college, found it most pleasant indeed to meet so many of the old students of the college, the majority of the afternoon's guests having at some time in the past been students at Winthrop. Games of contest were indulged in after which the guests were served delicious cream and cake by Misses Pauline Timmerman and Susie Edwards.

Equity Case Settled.

Magistrate T. L. Harman had before him Monday an equity case, entitled P. M. Taylor vs. Tom Ranch. The case arose from the sale of a buggy. The case was satisfactorily settled.

Temperance Picnic.

Under the auspices of the Woman's Christian Temperance Union the annual temperance picnic was held at Chapin last Thursday at the Methodist church. A large crowd from the neighboring towns and county were present in addition to those of the immediate vicinity.

The devotional exercises began at 10:30 o'clock. Rev. C. W. Burgess read the 146th Psalm followed by prayer by Rev. W. J. Roof. The exercises opened with elaborate exercises in every respect by the Loyal Temperance legion. The young people of the local Y. P. B., led by Mrs. Chas. P. Robinson, sang a number of temperance songs.

Berly Koon, of Irmo, Rev. P. D. Risinger, of Lexington, and Dr. A. Brunson, of St. Matthews, made speeches in the morning and the facts presented by these speakers were very clear and convincing and the people were greatly enthused and helped.

At one o'clock the meeting adjourned and a sumptuous dinner was served in the church yard by the citizens of Chapin to their friends and visitors. In the afternoon Col. Asbill, of Leesville and J. E. Rushton, of Lexington, made speeches.

In the evening the medal contests were held. The contest program was replete and the orators showed that they had been carefully trained.

Albert Summer won the oratorical medal and Miss Martha Wessinger the musical medal. The judges made honorable mention of Miss Esther Eargle and Cecil Frick. Mrs. Mary Harris Armor, of Georgia, addressed the audience on this subject.

Engagement Announced.

A most unique announcement was given out of the approaching marriage in the early fall of Miss Frieda M. Rutland at her home in Batesburg Tuesday afternoon at a reception apparently given in honor of Mrs. J. B. Medlock, of Greenville, who is visiting her mother, Mrs. M. S. Rutland. After the real nature of the occasion dawned upon the guests there were many hearty and sincere congratulations extended to Miss Rutland, who is one of Batesburg's most charming young ladies. During the afternoon more than one hundred and twenty-five guests called.

B. and L. Ass'n for Batesburg

Batesburg, July 24.—Among the many plans that the town of Batesburg have discussed and hope to carry out is the movement looking toward the organization of a building and loan association. Some few days ago there was held here a public meeting of the citizens who were interested in such a movement. At this meeting a most interesting and instructive address was made by Senator Nicholson of Edgefield, after which a committee of three was appointed to look into the matter of a commission and charter for such an association. This committee was made up of Thos. M. Seawell, M. E. Rutland and J. B. Hollman.

As a result of this meeting the committee appointed has secured a commission from the secretary of state and have called a meeting of those interested in the matter to be held on the 25th instant for the purpose of completing the organization. It is the intention of the promoters of the movement to organize with a minimum capital of \$20,000 and a maximum capital of \$50,000 or \$100,000 as developments may warrant. Already a good deal of stock has been asked for and notice has been given that the books of subscription will be open on the 25th instant.

The Only Woman Carrier.

More than a year ago the post office department decided it best not have women as rural mail carriers and all lost their jobs except Mrs. Rosabelle Guter, who has carried the mail in the section of Seiyern, Aiken county, since that time. The route leads through a part of Lexington county. As there was a big squabble on for the job Mrs. Guter held the place until last Wednesday when she was succeeded by Gen. C. Guter who had just received the appointment from the post office department.

Mrs. Guter enjoyed the distinction of being the only woman mail carrier in the U. S. for a long time.

CHLORAZONE MALARIA

Malaria attacks the liver, kidneys and digestive organs, just as Rheumatism attacks the bones and muscles of the human system. Malaria is just as serious as any disease on the human calendar. Some of the symptoms are lassitude, a yellow tinge to the skin, the whites of the eyes slightly tinged with yellow. Poor digestion, lack of appetite, constipation, any of these symptoms are a warning and you must keep off chills and fever, with CHLORAZONE. Every bottle sold on a guarantee to cure, or your money back.
