Interlude

The days grow shorter, the nights grow longer,
The headstones thicken along the way;
And life grows sadder, but love grows stronger
For those who walk with us day by day.

The tear comes quicker, the laugh comes slower,
The courage is lesser to do and dare;
And the tide of joy in the heart falls lower,
And seldom covers the reefs of care.

But all true things in the world seem truer,
And the better things of earth seem best,
And the friends are dearer as friends are fewer,
And love is all as our sun dips west.

Then let us clasp our hands as we walk together,
And let us speak softly in love's sweet tone;
For no man knows on the morrow whether
We two pass on—or but one alone!

For the Family Medicine Chest

Green Bay, Wis., Mrs. Wm. F. Bubolz says: "I always use Foley's Honey and Tar for our children as it quickly breaks up their colds with no bad after effects, and they like to take it."

In this season of coughs, colds and croup, every family medicine chest should be supplied with a good cough medicine that can be relied upon when needed.

Such a family cough syrup is Foley's Honey and Tar Compound. This standard medicine has been on the market for years and in many sections was found in every home in the days when doctors were not so handy and when money was scarcer.

Foley's Honey and Tar Compound is an excellent medicine for coughs, colds, raw or inflamed throat, hoarseness, tightness and soreness of the chest, croup and whooping cough. It is an absolutely safe remedy, containing only healing ingredients, and free from any harmful drugs.

Brothers Die in Arms

London, Aug. 14.—The death of two brothers in each other's arms at the front is related in private dispatches. They were Corporal Tom and Private Henry Hardwidge of Hernandale, Rhonda Valley, both members of a Welsh family. An officer writes: "The eldest, Tom, was hit by a sniper's bullet and lay in the open, under the scorching sun, when Henry, at the risk of his life, hastened to him with a pail of water. Just as he reached him and as he was offering the water, a sniper shot him. He clasped his brother as the latter rose to take the water and they died in each other's arms." A third brother remains in action in France.

Changing Seasons Bring Colds

"Stuffed up head," clogged up nose, tight chest, sore throat are sure signs of cold, and Dr. King's New Discovery is sure relief. A dose of this combination of antiseptic balsams soothes the irritated membrane, clears the head, loosens the phlegm, you breathe easier and realize your cold is broken up. Treat a cold persistently; half-way measures leave a lingering cough. Take Dr. King's New Discovery until your cold is gone. For 47 years the favorite remedy for young and old. At your Druggist, 50c. Infantile Paralysis at Chapin, Oxner and Clover

Three cases of infantile paralysis were reported to the State board of health today from Chapin, Oxner in Lexington County and Clover in York County. The case reported several days ago from Port Royal was at the naval station.

"The people of the State believe that infantile paralysis is decreasing. It is increasing," said James A. Hayne, M. D., State health officer.

Convicted of Murder

Gainesville, Fla. September 9—Boisey Long, a negro, whose murder of Deputy Sheriff Wynne some three weeks ago when Wynne went to his house to arrest him for hog stealing, led to race troubles and the lynching of five blacks at Newberry, has been convicted in Circuit Court here of first degree murder.

A special term of Court was held to assure a speedy trial. Long, after his arrest, was taken to Jack-

Hopeful in retreat;
Singing songs of cheerfulness
Helps to make you sweet.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich food feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

VICTOR H. EMERSON and his Remarkable Record

Have you heard or seen those cute little phonograph records, which are on display at the 5 and 10c. stores, also in phonograph, music and novelty shops? They are called the "Emerson" disc records, and are made in two sizes, 6 inch single and 7 inch double. You can play them on any make of disc phonograph without an attachment, as they are made with a new cut called the "Universal", invented by Mr. Victor H. Emerson.

For the benefit of our readers, we might add that the popular and standard successes of the day can be found on the Emerson records, including: "Evelyn" (from "Pom-Pom"), "Shades of Night" (song), "Are You from Dixie" (song), "Wake Up America" (song), "I Love You, That's One Thing I Know" (ballad), "Old Folks Rag" (one step), "Ida Fox Trot", "Turkey in de Straw", "My Own Iona", "Perfect Day", "Love's Old Sweet Song", "Under the Rambling Roses", etc.

Mr. Victor H. Emerson, whose photograph appears above, is the acknowledged authority on sound reproduction, and is credited with many of the new devices and improvements that have been made in the phonograph industry in the past twenty-seven years, the last seventeen of which he was in charge of the recording department of the Columbia Phonograph Co.

Mr. Emerson is now at the head of The Emerson Phonograph Company, at 3 West 35th street, New York City, which, in addition to manufacturing the little discs above referred to, will place on the market many novelties, including an electrolier-phonograph which will be a veritable sensation to the phonograph world. Many other new inventions are under way, and will be announced as soon as Mr. Emerson gives us permission to do so.
