ORTON'S PREPARATION!

Established 1846.

THE APPETITE FOR TOBACCO ENTIRELY DESTROYED!!

Leave off Chewing and Smoking the Poisonous Weed, Tobacco.

One box of Orton's Preparation is warranted to destroy the appetite for Tobacco, in any person, no matter how strong the habit may be. If it fails in any case the money will be refunded. It is perfectly safe and harmless in all cases. It is almost impossible to break off the use of Tobacco, by the mere exercise of the will. Something is needed to assist nature in overcoming a habit so firmly rooted.

With the help of the Preparation, there is not the least trouble. Hundreds have used it who are willing to bear witness to the fact, that Orton's Preparation completely destroys the appetite for Tobacco, and leaves the person as free from any desire for it as before he commenced its use. The Preparation acts directly upon the same glands and secretions affected by tobacco, and through those upon the blood, thoroughly cleaning the poison of Tobacco from the system and thus allaying the unnatural cravings for Tobacco. No more hankering for Tobacco after using Orton's Preparation. Recollect it is warranted.

The time taken to allay all desire for Tobacco by the use of the Preparation varies slightly in different persons, the average time being about Five days. Some have no desire for Tobacco whatever after using the Preparation Two days. The Health and Pulse of every Tobacco user in the country calls loudly, ABANDON THE USE OF TOBACCO.

RECOMMENDATIONS.

The following are a few selected from the multitude of recommendations in our possession:

We, the undersigned, hereby certify that we have used Orton's Preparation for the purpose of destroying the appetite for Tobacco, and can assure those who are suffering from this habit that Orton's Preparation will certainly destroy the appetite for Tobacco quickly and permanently, and without any bad effect upon the health, and without creating an appetite for Preparation or any substitute.
