Special Notices. Learn the value of doing good, by recommending to all who suffer from dyspepsia, debility, sour stomach and indigestion, SUMNER BITTERS, the great Southern Tonic—it will cure them.

Dr. Tait's Expectorant. All who have used this invaluable medicine for Coughs, Colds, Asthma, Spitting of Blood, Group Inflammation of the Lungs or Chest, Hoarseness, Difficulty of Breathing, Bronchitis, and all diseases of the Lungs, attest its usefulness. For Lung affections it has no equal.

THE COST.—A day's ride in almost any part of our country will show more than one practical illustration of the parable of the man who commenced to build his castle without counting the cost. Men often leave out of their calculations such little matters as doors, blinds, sashes, mouldings, &c., and in the end find no comfort in the houses which they have built. Remember, therefore, before building, to write to P. P. Tooke, Charleston, S. C., the largest manufacturer of doors, &c., in the Southern States, for an estimate of the cost of finishing.

The State of South Carolina, IN PROBATE COURT—PICKENS COUNTY.

John L. Rackley vs. Reddin Rackley, et al. Partition, Sale, Payment of Debts, &c.

IT appearing to the satisfaction of this Court that the heirs of Warren Rackley, dec'd, to wit, W. Benson Rackley, Melissa Rackley, R. T. Richards and wife—Eliza Richards, reside to and beyond the limits of this State—On motion of Norton & Hagood, pro Pet., it is ordered, that the Defendants do plead, answer or demur to the said Petition, within Three Months from this date, or an order, pro confesso, will be taken as to them.

Given under my hand and seal of said Court, at Probate Court, this 11th of July, 1870. L. H. PHILPOT, J.P.P.C. July 19, 1870 40 3m

LAND FOR SALE! I WILL SELL, at private sale, A TRACT OF LAND, situate in Oconee County, about three-quarters of a mile from the Blue Ridge Depot, and containing THREE HUNDRED AND TWENTY SEVEN ACRES—On the tract is a good Saw Mill, all ready for a circular saw. A good frame house on the place, with all the necessary out-buildings complete. Also a large fruit orchard; and a good thrasher on the place.

Any one wishing to purchase will do well to apply to JOHN H. KLEINBICK, Walhalla, S. C. July 8, 1870 83 3

Blue Ridge Railroad! Twelve Hundred Acres of Land! PERRYVILLE DEPOT is in the centre of the Tract of Land. Eleven Hundred Acres in forest, and as finely timbered as any land in Oconee County, which is the best timbered county of land in the State, outside of the long leaf pine.

I will present some reliable facts, that I will vouch for, and others of my neighbors will do the same. The 1st day of May, 1852, the entire crop of wheat of this region of country was almost entirely killed with the frost. My crop was not injured in the least. Another proof that is known by my neighborhood—that there never has been an entire failure of the peach crop or any other fruit, even my chestnut orchard never fails. An old gentleman, spending a few days with me, that had travelled over the United States and Europe, said he had never heard of a chestnut orchard in Washington City say he was going to Kentucky to plant a chestnut orchard, and he could get \$25.00 a bushel for them in New York. There is an agricultural paper published in Baltimore, from 1819 to the present day; there is a Northern gentleman writing in that paper, says he has purchased land fifteen miles below Augusta, Georgia—pine land, at ten or fifteen an acre. His object is fruit, and he can get from twenty to twenty-five dollars a bushel for them in New York. Mr. Poll's (of New York) crop of apples brought him ten thousand dollars annually. Col. Singleton's (of South Carolina) crop of pinders brought him ten thousand dollars annually in New York. A neighbor of mine, a Baptist Minister, says his wheat weighs seventy pounds to the bushel. This grows out of the fact that the Hon. Mr. Clemson, and Mr. Toumey, State Geologist, have informed you what the fertilizers of the State can and will accomplish if used. I got Mr. Clemson to test the rock off of my farm.

I will sell from Fifty to One Hundred Acres of Land, or more, in a tract, each one commencing on the Blue Ridge Railroad. I want purchasers to come to my residence—"Wayside"—and to look at the growth of cotton for themselves. I have between Six and Seven Thousand Dollars worth of Bonds, which were originally predicated on a mortgage of twelve thousand dollars worth of land. I want to sell the land and bonds. JAMES H. WHITNER is my agent and attorney. His residence is Walhalla. J. OVERTON LEWIS. P. S.—I want to draw the attention of the public mind that we shall have to give up the cultivation of cotton.
