IN POLICE COURT.

Mayor James M. Moss opened his first session of Police Court last Monday with quite a formidable "initiation" session. The following record shows the transactions for the morning (also mourning) session:

The Town of Walhalla vs. Sam Lee—Disorderly conduct. Pleading guilty. Given \$7.50 or 10 days. Fine paid.

Clarence Hall and Bessie Hart—Disorderly conduct. Bessie Hart put in plea of guilty. Fined \$1 or one day. Fine paid. Not guilty as to Clarence Hall.

Cliff Cole—Disorderly conduct. Failed to appear, forfeiting bond of \$25.00.

Isaac Justice and Viola Rowland—Disorderly conduct. Tried and found guilty. Each given \$10.00 or ten days. Fine of \$10 paid by Rowland.

W. S. Bagwell—Disorderly conduct. Failed to appear, forfeiting a bond of \$10.00.

We hope to publish the police court record each week. This will be done not with the intention of parading any one's shortcomings before the public, but in the hope that the fact of certain publicity will have a deterrent effect upon some at least who otherwise would not mind the simple arrest and comparative lack of public knowledge in connection with infractions of the local laws.

Trying to Locate James W. Kelley.

Postmaster Fant has handed the following letter to The Courier with request for its publication, in hope of its being read by some one who can give some information desired. The letter came to him some days ago, and so far Mr. Fant has been unable to find any one who knows anything concerning the man named. The letter follows:

Information Wanted.

"Freeport, Me., Dec. 25, 1921. "Postmaster, Walhalla, S. C.: "Dear Sir: I am trying to locate some of my father's folks. His name was James W. Kelley, and he was born in Walhalla April 5, 1847. His father's name was Tom Kelley, and his mother's maiden name was Martha Posey. He had one sister by the name of Elizabeth, who, I think, married a man by the name of Williams. Could you give me the address of some one who might give me some information? "Thanking you, I am, "William B. Kelley."

Claims Baby as Collateral.

Rome, Ga., Jan. 7.—One of the most unusual law suits ever filed in the courts of this section appeared in Chattooga county today when a boarding house keeper asked authority for holding a baby as collateral for a bill due by the father. The complainant charges that the father promised the landlady that she could keep the child until his bill was paid, and that now he is attempting to recover it. Hence she seeks an injunction against him. The parents of the child are divorced.

Tests show that the piano wire is at its best acoustically at a tension of 160 pounds.

SUIT AGAINST THE ISSAQUEENA MILLS.

Greenville, Jan. 7.—A motion for an order directing the stockholders of the Issaqueena Mills at Central to pay \$270,000 to the former stockholders of the Courtenay Manufacturing Company at Newry, was made today before Circuit Judge Frank B. Gary.

The sum represents outstanding notes made when the mill was sold in 1920 for the sum of \$1,800,000, and is the amount alleged to be still due on the transaction. In their answer to the motion the stockholders of the Issaqueena Mill alleged that, through fraudulent manipulation of the books of the Courtenay Manufacturing Company prior to the sale of the company, in which alteration of the books and misrepresentation of profits was made to escape payment of government taxes, they are now liable to the Federal government for payment of approximately \$250,000 by reason of the alleged misrepresentation of profits and manipulation of the books of the company, the present stockholders of the Courtenay Manufacturing Co. maintain that the entire stocks of the company should be turned back to the mill former stockholders, and that the amount paid over to them should be returned to the present stockholders.

Pepper Succeeds Boise Penrose.

Philadelphia, Jan. 9.—George W. Pepper, Philadelphia lawyer, was appointed United States Senator by Governor Sprout to-day to succeed the late Boise Penrose. Under the law the appointment stands until a successor is selected at the November election to fill the unexpired term. Mr. Pepper is not unknown to a great many members of the Senate. During the time the Versailles treaty was under consideration Mr. Pepper attracted wide attention by opposing the ratification of the League of Nations covenant in joint debate on the public platform with Senator Hitchcock, of Nebraska, and other prominent proponents of the league. He will be 55 years old March 16. He attended private schools and graduated in 1887 from the University of Pennsylvania, of which he is a trustee, and from the law department two years later. The seat in the United States Senate to which he has been appointed is the first political place held by him to which salary is attached, though he has rendered many services to the public gratis. During the recent World War he rendered great service on the various public commissions and committees. He is a member of the Episcopal church and an expert on the canonical law of the denomination.

Charged with Breach of Trust.

Anderson, Jan. 6.—Warrants that charge breach of trust with fraudulent intent were issued here today for J. R. Vandiv and J. I. Brownlee, former president and cashier, respectively, of the Farmers' and Merchants' Bank and the Farmers' Loan and Trust Company, which are in process of liquidation.

(Mr. Vandiv was in Walhalla practically all of last week looking after matters of business in connection with his fertilizer interests. The warrants could not be served on him until his return after his business trip here. It was not thought that the proceeding was of much force, and Mr. Vandiv seemed quite unconcerned as to the outcome of the proceeding that was begun in his absence.)

Raised a Ten to a Twenty.

(Anderson Mail.) There are so many people in this world who want to get out of making a living that they resort to almost any method. In substance this was the statement of J. A. Brock, of the Bank of Anderson, this morning when he referred to a \$10 bill which had been raised to \$20, the result being that the bank lost \$10.

Mr. Brock stated that the bill was taken into the bank recently and no suspicion was attached to it at that time. It went unnoticed, and not until this morning when he received it from New York, where it had been mailed, along with some other currency, was the fraud discovered. "Raised Note" is stamped across the bill, which is a very clever piece of work. The bill had been raised from ten dollars to twenty by means of pasting the figure "2" over each of the corners if the bill where the figure "1" appeared. These figures were probably secured by tearing the corners from a two-dollar bill, according to Mr. Brock.

Lutheran Pastor Dead.

The Columbia State of last Sunday announced the death of Rev. D. A. Sox, of that city, pastor of Holy Trinity Lutheran church, Brookland. He died at the Columbia Hospital at 6 o'clock Saturday morning, having been ill for several weeks. He was a native of Lexington county and was 65 years of age. He had been prominent in the Lutheran ministry for a number of years, having served as pastor of congregations in this State, North Carolina, Tennessee and Alabama. He was noted also as an inventor, having secured several important minor patents on articles he originated, "conspicuous among the patents," says the State, "being the familiar little catch used to hold open doors in the various bank and office buildings in Columbia and elsewhere. An adjustable cinder deflector, used on divers railroads in various parts of the country, was also included in the number of his patents."

Dynamite Blast Kills Child.

Greenville, Jan. 9.—Mamie Crenshaw, 11-year-old school girl at the City View school, near Monaghan mill, was killed this morning when she was struck by a fragment of a stump that had been hurled 150 feet through the air by a dynamite blast. The accident occurred just as the pupils were assembling to re-enter the school room after a recess period. The stump was blown up out of a road nearby by a party of road workers who are rebuilding the highway.

Sixty-five girls, ranging in age from two or three years to sixteen, and eight young boys, lived in the building. To-night the girls were placed in the boys' dormitory while the 128 boys were forced to sleep in a barn.

Columbia citizens contributed generously of clothes to-day and to-night there is no suffering reported at the institution on account of the fire. Trustees of the orphanage will decide soon upon plans for rebuilding. The institution is supported by public subscriptions.

W. Wickliffe, L. M. Brown, Mack Neville, E. P. Hutchison, W. A. Barton, Jas. H. Darby and James Phinney.

At a meeting of the board of directors immediately after the stockholders' meeting adjourned, James Phinney was re-elected president; Mack Neville, vice president and John F. Craig, cashier, to serve for the year 1922.

The cashier's report showed that the bank has had a very prosperous year during 1921. A dividend of 8 per cent was declared and a substantial amount was placed to the surplus account. All of the affairs of the bank were found to be in excellent condition.

AMBASSADOR GEORGE HARVEY

Has Narrow Escape from Death in Automobile Accident in France.

Cannes, France, Jan. 9.—George Harvey, American Ambassador to Great Britain, narrowly escaped death here to-day in an automobile accident. Accompanied by Richard Crane, former American minister to Czechoslovakia, in whose car he was riding, and Wickham Steed, editor of the London Times, Ambassador Harvey was on his way for a round of golf.

The axle of the machine broke and Mr. Harvey was thrown out, landing heavily on the road. He was able to rise, but was rushed back to his hotel in a dazed condition.

Physicians who were hurriedly summoned found him suffering from shock and from severe bruises on his back where the stroke of the road. His dazed condition after the accident lasted for more than an hour. Physicians expressed the opinion that he would be confined to his bed for several days, and said that he would not attend to any official duties.

Mr. Crane was uninjured, but Mr. Steed suffered from bruises and from shock.

Husband and Wife Die Suddenly.

(Toccoa Record, 5th.)

Two of the saddest deaths in the history of Toccoa occurred Monday afternoon and Wednesday morning, respectively, when Josh N. Henderson dropped dead about 2 o'clock, while at work in his field, located about a mile and a half northwest of Toccoa, and on Wednesday morning his widow fell dead while walking to the fireplace in her room.

It is thought that the terrible shock of her husband's death weighed so heavily upon the aged widow that she could not stand the burden of sorrow. Mr. Henderson was in his 64th year and his widow was about 62 years of age. Heart failure is said to have caused each death.

Funeral services were being arranged for the burial of her husband when death came to Mrs. Henderson, and, owing to the sad coincidence, Mr. Henderson's burial was postponed and the husband and wife were laid to rest Thursday afternoon in a double grave in Zebulon cemetery.

Pardon is Highly Granted.

(The State, Jan. 9.)

Emmanuel ("Bud") Daniels, the York county negro convict who last week quelled a threatened mutiny of twelve white and negro prisoners on the York county gang after James Robinson, the guard in charge of the men, had been hit in the head with an axe, was granted a full pardon by Governor Cooper yesterday morning.

Held Meeting at Court House, Jan. 2. Pass Resolutions of Inquiry.

At a meeting of the Oconee Confederate Veterans, held on Jan. 2d, 1922, the following resolutions were adopted:

1. Resolved, That our delegation in the Legislature are hereby requested to communicate with the Comptroller General and ascertain how it is that the Act of 1921 appropriated \$600,000 while the pension clerk in his statement to the Probate Judge (April 26th, 1921,) stated that only \$560,000 was appropriated. Also, why, in spite of several requests, no copy of the Comptroller General's report for 1920 has ever been furnished to the Judge of Probate or the County Board of Honor.

2. Resolved, That our delegation in the Legislature are hereby requested to oppose any change in the present pension act, especially where by more power would be concentrated in the Comptroller General, or any other official in Columbia.

3. Resolved, That these resolutions be published in The Keowee Courier. V. F. Martin, Judge of Probate, and Ex-officio Clerk.

Clemson Enrollment Largest Ever.

Clemson College, Jan. 7.—The second term of the college year began last Wednesday morning with an increased enrollment and with every indication of continuance of successful work for the session. The total enrollment after the matriculation of a dozen or more new students, has now reached a total of 1,007, which is the largest enrollment in the history of the college.

Rapid progress is being made in the erection of the temporary gymnasium, which is being constructed largely by means of student labor. The structure is just west of Riggs field and will be most convenient for athletic uses. It is hoped that the building will be completed in time for use during the latter part of the basketball season, and also for the early baseball training.
