HOME DEMONSTRATION NOTES.

Clean Up for Poultry. If you have not cleaned up the poultry house and yards, do so without further delay. The house should be whitewashed inside and out at least once a year.

County Agent. See her as soon as you can after the problems arise. Ethel L. Counts, County Home Dem. Agent.

Local Briefs from Richland.

Richland, May 22.—Special: Mr. and Mrs. Ber. Maxwell and family visited relatives at Bowman, Ga., the latter part of last week. We are glad to know that Mrs. Mattie McDonald is able to be up after a long spell of sickness. Several of the Richland people attended the graduation exercises at Seneca last week.

Editor Keowee Courier: Please allow us space in your columns to express our deep appreciation and thanks to our relatives and friends for their many acts of kindness and help during the illness and at the death of our dear mother, Mrs. Elizabeth Carver. May the blessings of God rest on each and every one of them. Mr. and Mrs. D. L. Kelley. Walhalla, S. C., Rt. 1.—adv.*

McMAHAN - PICKETT MARRIAGE.

Only Few Bidden to Charming Affair Near Seneca—Personal Notes.

Seneca, May 23.—Special: It will be a source of genuine pleasure to the friends of Miss Tyhaino Burgess to learn that she is expected home in a few days to spend her vacation of a few weeks with her parents, Dr. and Mrs. J. H. Burgess. Miss Tyhaino has held the very responsible position of dietician in one of the large hospitals in Eastern Maryland, and congratulations are extended her inasmuch as she has filled the position most acceptably to the hospital staff. She is a 1921 graduate of Winthrop, having specialized in dietetics, which was followed by a post-graduate course at Johns Hopkins.

Wizard of Tamassee D.A.R. chapter held the May meeting with Mrs. W. S. Hunter. In spite of the rain and gush twelve members responded to roll-call, and Mrs. B. R. Lawrence was welcomed as a new member. This being strictly a business session, the unfinished business of the year was disposed of and everything put in shape for the new year, which opens in September. In the election of officers Mrs. E. A. Hines was elected regent; Mrs. L. W. Verner, vice regent; Mrs. Frank Alexander, 2d vice regent; Mrs. T. B. Jones, secretary. The program committee consists of Mesdames D. P. Thomson, J. J. Norton, E. C. Doyle. The historian, treasurer and registrar are supposed to hold these offices continuously and have done so since the organization of the chapter. The chapter is offering to the high school pupil of Seneca who writes the best essay on "The American Revolution in This Section of Country" a D.A.R. medal, which will be awarded at the commencement of the 1923 session. This offer is open to either girls or boys who wish to enter the contest. During the social hour ice cream and wafers were served by the hostess and Miss Annie Hunter.

The marriage of Miss Virginia McMahan to Frank L. Pickett Thursday evening was a lovely affair in its simplicity. The home was bright with garlands and many bowls of Dorothy Perkins roses. The strains of Mendelssohn's Wedding March sounded, with Miss Emmie Ansel, of Walhalla, at the piano, the little flower girl entered; then came the bride and groom, who stood beneath an arch of pink roses and ferns, which made a lovely setting for the solemn marriage vows to be given. In some mysterious manner, as the guests were being ushered into the dining room, where an elaborate two-course menu was served, the bride and groom were spirited away. No one, apparently, seemed to know where and how it all happened. They only knew this, the bride and groom had gone. It was suspected they would go on a short trip before going to Rockingham, N. C., where Mr. Pickett is located in business, and where they will reside. The bride wore a brown suit of tricot, with hat and accessories to correspond. Only the near relatives and a few close friends witnessed the marriage. Those from a distance were Mrs. J. B. Pickett, Mrs. Mack Milam, Miss Cornelia Milam, Henry Milam, Sandy Springs; Mr. and Mrs. Harry M. Pickett, Miss Frances Pickett and Mrs. Calhoun DeBruhl, Greenville.

Miss Nancy Farmer passed away in Seneca at the home of her niece, Mrs. L. A. Edwards, Saturday afternoon, after an illness of ten days or two weeks, brought about from a recent fall, which resulted in a broken hip. Owing to her advanced age and weakness she did not have sufficient vitality to overcome the shock she sustained. Miss Farmer had made her home with Mrs. Edwards for some time and was given the tenderest attention. The funeral and interment were held in her native State, near Landonia, Ga., and were attended by a large assembly. Rev. J. W. Willis conducted the funeral service. Several friends of the family from this place attended the funeral.

The members of the D.A.R. chapter are looking forward with unusual pleasure to June 14th, for on that date they will be entertained by Mrs. W. R. Davis at a special meeting in her hospitable home near town, in observance of Flag Day. Mrs. Davis will have a program which will be not only enjoyable, but educational as well. The junior-senior reception, which is the outstanding social event of the year to the high school department, was held Friday evening at the home of Dr. and Mrs. D. P. Thomson, and was a very beautiful affair. The fair young maidens were charming in their pretty evening frocks. Pink and white being the senior class colors, was effectively carried out in the decorations throughout the lower floor and spacious piazza, which was opened to the merry party. A series of lively contests were entered into heartily. Later in the evening block cream and cake were served, in which the class colors were again in evidence. Punch was served throughout the evening. This date will linger long and pleasantly in the memories of these young people.

About two dozen ladies met at the home of Mrs. W. P. Reid Friday afternoon for the purpose of organizing a U. D. C. chapter. Many others who were detained from attending will

DEATH CALLS ALFRED PERRITT.

Community Shocked and Grieved at Passing of Young Man.

Bounty Land, May 22.—Special: This community received a great shock last Friday morning when the sad news of the sudden death of Albert Westfield Perritt was wired to his home from the Anderson Hospital, where he was taken on Tuesday for an operation for appendicitis.

Mr. Perritt became ill on Sunday night and a physician was called early Monday morning, but not until Tuesday did his symptoms indicate appendicitis, and he was taken to Anderson Hospital, where he seemed to be doing well until Thursday evening, when peritonitis developed, and death relieved him of his sufferings on Friday about 4.30 a. m. His father, J. D. A. Perritt, was with him when the end came.

Alfred was 29 years of age, having been born April 10, 1893. He was an only son of D. Alfred and Elizabeth Denny Perritt. He was an exemplary Christian, a loyal citizen, and an affectionate and dutiful son and brother, and was highly esteemed by all who knew him.

On Saturday morning at 11 o'clock the remains were interred with Masonic honors in West Vow cemetery, Seneca, after beautiful and appropriate services at the home, conducted by his pastor, Rev. J. W. Willis, assisted by Rev. C. S. Blackburn. The funeral offering was exquisitely beautiful and bore mute attestation of the love and esteem in which the deceased was held.

Besides his parents Mr. Perritt leaves three sisters—Mrs. A. S. Rollins of Charleston; Mrs. O. C. Skinner of Augusta, Ga. and Miss Lura Perritt—and numerous other relatives and a host of friends to deplore his passing away.

Another sad death occurred in the community when little John Adger, the 9-months-old son of Mr. and Mrs. Jesse Crompton, passed away on Tuesday. Little Adger had been ill for several weeks. The little body was laid to rest in Mount Zion cemetery, Sandy Springs, on Wednesday.

Mr. and Mrs. J. E. Denny, of Hart Gray and Mr. and Mrs. Charlie Anderson were in the community on Saturday, having come to attend the funeral of A. W. Perritt.

Allen Stuart is quite ill, and little hope is entertained for his recovery. Rev. M. W. Elliott, of near Fort Worth, Texas, preached at Bounty Land school house last Sunday evening. Mr. Elliott is a former teacher in the Long Creek school and was a guest while here of Charlie Cater.

Mr. and Mrs. J. R. Wilson and family, of Piedmont, spent the weekend with the former's mother, Mrs. Martha Wilson. Mr. and Mrs. Roy Hubbard and Mrs. W. T. Hubbard visited in Greenville Sunday.

The Misses Williams entertained a number of their friends recently at a starlight picnic. Mrs. O. C. Skinner and Mrs. A. S. Rollins left for their respective homes yesterday.

CONVICT SLAYERS OF ARNETTE.

Jeffords and Harrison Will Go to the Chair—Trecee to Pen. for Life.

Columbia, May 20.—Guilty of murder as to F. M. Jeffords and Ira Harrison, and guilty of murder with recommendation to mercy as to Glenn Trecee, was the verdict of a Richland county jury late to-day in the case of the State against these three men, charged with the murder of J. C. Arnette. The verdict automatically carries sentence of death for Jeffords and Harrison and life imprisonment for Trecee. The jury is in favor of conviction of the trio for murder, while one stood out for the mercy clause for Trecee.

Revival Mt. Pleasant Holiness Church

A revival meeting will commence on Thursday, May 25th, at the Chapman place, Mt. Pleasant Holiness church. Revs. Burton Sanders and Jameson, of Anderson, are expected to help conduct this revival, and it is hoped that Miss Nellie Jameson will be with us to help with the music. The public is cordially invited. Remember the date—Thursday, May 25th. J. B. Tramel.

come into the chapter at the next and following meetings, which will be held on the first Friday afternoon of each month at the home of members. At the election of officers Mrs. C. M. Brown was made president; Mrs. F. S. Holleman, vice president; Mrs. G. W. Ballenger, corresponding secretary; Mrs. Walter Kelley, recording secretary; Mrs. W. P. Reid, historian; Mrs. D. P. Thomson, registrar. Program committee, Mrs. J. W. Willis, Mrs. J. L. Marett, Mrs. W. Z. Whitmore. Credential committee, Mrs. F. C. Ayer, Mrs. F. O. Mattison, Miss Sue Nimmons. Invitation committee, Mrs. Frank Hopkins, Mrs. Victor Jones, Mrs. Ben Harper. Mrs. W. S. Hunter left Friday for a two weeks' visit to her daughter, Mrs. Garcean Carson, of Holly Hill. She was accompanied by her daughter, Miss Annie Hunter.

Don't Get Any Further Behind

with your Spring plowing and harrowing. I have several good used Tractors with implements which can be bought at the price of a good mule. At this price a Tractor will pay for itself within the first season.

For those who desire to have Plowing or Harrowing done within the vicinity of Walhalla, I will be glad to do your plowing, harrowing or terracing for you at a nominal charge an acre or by the hour.

Arthur Brown,

Walhalla, S. C. "Oldsmobile Sets the Pace."

COUNTY AGENT'S NOTES.

Bee-Keeping Expert in County.

Edward S. Prevost, specialist in bee-keeping, will be with the County Agent for several days next week for some transferring demonstrations and other work with bees.

Weather permitting, the schedule will be as follows: Tuesday, May 30—J. S. Berrett's, Flat Shoals, at 2.30 p. m.

Wednesday, May 31—A. P. Martin's, Oakway, at 10 a. m.

Same date—J. L. Kell's, Keowee, at 2.30 p. m.

Thursday, June 1—Jas. H. Brown's, South Union, at 10 a. m.

Friday, June 2—M. L. Jones's, Tabor, at 10 a. m.

Human Parasites of the Farmer

Human parasites of the farmer follow in the wake of the boll weevil in all newly invaded territory, where the gullible farmer is easily persuaded to part with some hard-earned cash for a patent brush, knocker, liquid spray or what not, which remedy, the enterprising agent assures him, will speedily rid his farm of weevils.

A deaf ear should be turned to all such spielers. If the man who is selling such wares is in earnest he will turn the machine or poison over to government authorities or to Clemson College, where the device will be tested, and then, IF IT WORKS, the fact will be broadcasted over the land and his sales will be enormous.

So far the government has tested, year by year, many devices and poisons on the experimental farms in Louisiana. Every device is given a thorough trial, and so far hundreds of remedies have been tried out without success.

THE ONLY PARTIAL CONTROL REMEDY

which has given even fair success is calcium arsenate poison, applied with the proper sort of gun or duster, IN DUST FORM, under proper conditions. None of the liquid sprays, including the "patent" sprays which are supposed to have certain sticking or other qualities, are recommended, for the government authorities maintain that these HAVE NOT shown results where tried.

It seems foolish for farmers to waste money on useless devices which have been tried by men in the government service, who are paid to try all manner of things in efforts to control the boll weevil.

Experimental Poisoning.

A few farmers scattered over the county will be selected by the County Agent to carry on experiments with weevil control measures. Several of these have already been selected. Only a few acres of the best land, where the yield is ordinarily over a bale per acre, will be selected.

Fields where all other methods have been practiced, such as fall cleaning up, early and good preparation, good seed, proper fertilization, a good, thick stand secured early, etc., are the fields most likely to beat the weevil.

Only a few such experiments can be looked after closely because of the fact that each will require visits at practically the same time.

It is expected that various sorts of dusting machines will be used in these experiments, depending on the kind the farmer is willing to buy or is most likely to give results.

Every one attempting such experiments, however, is warned that success is dependent on several things, such as weather conditions, starting at the proper time, applying at proper intervals, and in the right manner.

It must be borne in mind that the poisoning, even under approved government methods, is still in the experimental stage, and is not fool-proof by any means. It has obtained good results, however, under proper

conditions, chief among these being weather conditions.

Up to the present time the weather seems to have been all in favor of the boll weevil, with a mild winter followed by a wet, cold spring, which made planting late and stands not very good. Only one other event seems to be needed to make a complete knock-out, and that would be a rainy July. A farmer may still put up a stiff fight, however, with a good stand, RUSHING THE CULTIVATION, fast and often, picking the early weevils and early punctured squares.

It seems folly to plant cotton this late in the season under weevil conditions. FOOD AND FEED CROPS must be given extra attention this year, for without them in abundance man and beast may starve. It is an excellent year to build up poor, run-down land by sowing it to velvet beans and plowing under much of them. Geo. R. Briggs.

IT IS NOW GOVERNOR HARVEY.

New Chief Executive of South Carolina Sworn In on May 20th.

Columbia, May 20.—Lieutenant Governor Wilson G. Harvey, of Charleston, became Governor of the State at noon to-day, when he was sworn in at the Supreme Court room by Chief Justice Gary. He succeeds Governor R. A. Cooper, who leaves Columbia this afternoon for Washington to assume his duties with the Federal Farm Loan Board, to which he was appointed by President W. G. Harding recently as successor to A. F. Lever.

Governor Harvey will occupy the office until January, 1923, when he will be succeeded by the Governor to be chosen by the people during the coming fall. Governor Harvey announced to-day that he would not offer for re-election.

Ex-Governor Cooper Sworn In.

Washington, May 22.—Former Governor R. A. Cooper, of South Carolina, was sworn in to-day as a member of the Federal Farm Loan Board, succeeding A. F. Lever, of South Carolina, who resigned recently.

The ceremony was performed in the office of Secretary Mellon, and was attended by members of the Federal reserve board, the war finance corporation, the farm loan board, Senator Dial, of South Carolina, and a number of South Carolinians.

BOMB EXPLOSION AT COLUMBUS.

Georgia Town Wrought Up by Outrage Perpetrated on Mayor.

Columbus, Ga., May 22.—Rewards aggregating \$10,000 were offered by the city and county commissioners, meeting in joint session at noon to-day, for evidence to convict the party or parties who placed explosives on the front porch of Mayor J. Homer Dimon during Saturday night. Five thousand of this amount was given by the city and the remainder contributed by the county.

Official Bodies Discuss.

Discussion of the placing of the bomb on the front porch of the home of Mayor J. H. Dimon, which exploded at an early hour yesterday morning, causing near destruction of that section of the residence of the city's chief executive, will take place at a joint conference of the city and county commissioners.

The attempt on the mayor's life was attributed by city officials to persons who recently have addressed threatening letters to Dimon and to City Manager H. G. Hinkle. These letters were in opposition to the commission form of government now in effect here and declared that unless Mayor Dimon discharged the city manager both would be killed. Hinkle was attacked on the street near his home several weeks ago.

HOSIERY SALE

CLOSING OUT STOCK.

Infants' Ribbed Hose and Socks, 5c. per pair, and up. Ladies' Hose and Gents' Half-Hose, 3 pairs for 25c., and up. Ladies' Pure Thread Silk Hose---Black, Cordovan and Fawn---\$1.00 per pair.
