Your Wife is Your Partner.

DON'T FORCE YOUR WIFE to beg for household money. DON'T DOLE IT OUT to her as if it were a charity. YOUR WIFE IS YOUR PARTNER—treat her as such. MAKE HER a monthly allowance—as liberal as your financial condition will permit. Then, once a week or once a month, deposit that sum in the bank to her credit. Let her run her part of your co-partnership on a business basis. Women do not like to be eternally begging and asking for money—and they should not have to do so.

Christmas Exercises at Ebenezer. The Ebenezer Graded School held splendid Christmas exercises on last Friday afternoon at 1 o'clock, in the handsome new building that has recently been erected to accommodate the school in this prosperous and advancing community. A tree, loaded with good things, was the center of attraction for the little ones, and when Santa Claus appeared to distribute the gifts he created much merriment. The children were not only remembered by their present teachers, but also by Miss Lydia Smith and Miss Francis Beckman, of Charleston, who taught at Ebenezer last year, and who showed their love for them by sending each pupil in the school a bag of candy and a balloon. Miss Katie Kangeter, also of Charleston, helped these ladies in their work of love. A rising vote of thanks, in appreciation of the work of these ladies, was called for by Mr. Bruce, the principal, and the entire school will send cards of thanks. The recitations and other features of the afternoon were indeed good, being well delivered, and the singing of "Silent Night" by a quartette was particularly well rendered. Ebenezer now boasts one of the best school buildings of any community in Oconee, and her people are justly proud of the advancement being continually made. Oconee Orphanage is Closed. This is to notify the public that the Oconee Orphanage is closed. We understand that there are people soliciting funds for this orphanage. As we live in sight of it we know that it is not being conducted now. J. A. Morgan.
