

The Sumter Watchman.

WEDNESDAY JAN. 5.

W. V. PAXTON - BUSINESS MANAGER. All Transient Advertisements, and all Job Work must be paid for in cash. This will be observed without distinction. Subscriptions are also payable in advance.

Applications for Job Work will be made, at the office, on Tues. E. F. FLOWERS. The WATCHMAN books are in the keeping of W. V. PAXTON, who will receive for monies due and attend to all matters connected with the Advertising or Subscription departments.

Our Advertising friends are requested to send in their favors not later than Monday.

PUBLIC MEETING. The citizens of the Town are requested to meet in the Court-House, on Friday Evening, at 7 o'clock, for the purpose of nominating a Ticket for Intendant and Wardens of the Town.

MANY CITIZENS. Subscribers who are indebted to us are earnestly requested to call and settle up. We beg that they will not neglect this matter. Unless payment be made, we shall, by reluctantly, be compelled to erase a number of names.

We regret to announce the death of Mrs. ELIZA JANE BAKER, wife of the late, now deceased, Mr. THOMAS M. BAKER, at the residence of her father, Judge F. J. MOSES, on Sunday night last.

Attention is directed to the Town Registration and election notice, as published on another column.

The very heavy addition recently experienced by the editor of this paper will, it is hoped, be a sufficient apology for the meagreness of the present issue.

The weather has been very cold at this point, since Sunday night last, and on Monday there was a slight snow.

The Columbia Phoenix greeted its readers, on New Year's Day, much enlarged and improved. Success to its enterprising proprietor.

The Sumter Book Store is continually receiving additions to the stock on hand, and we are pleased to state, is receiving decided encouragement.

Continues to improve, and to increase in population; but houses are greatly needed. Lot some of our enterprising capitalists go to the investment will be good, and the impetus given to our growth, as a community, decided.

In response to the request of a number of our readers, we publish an extended synopsis of the proceedings of the late session of the South Carolina Conference, at Cheraw, asking the indulgence of our readers not specially interested in this occupying so much of our space.

"THE TWO TROUSERS." We will publish in our next issue, a very pretty little original story, by our accomplished contributor "L. Inconuous."

SALES-DAY, COURT, & CO. Monday last—also-day and the sitting of the Court of Common Pleas and General Sessions—brought an unusual concourse of people to town. We do not remember having seen so large a number at any time previously. The blacks repudiated largely.

Considerable property was sold. The sales of land showed an increasing demand and a decidedly advancing tendency.

Judge JOHN T. GREEN is presiding at the Court with acknowledged ability and dispatch, and the business of the term is making good progress.

MT. ZION COLLEGIATE INSTITUTE. This Classical and Normal School for Boys, will be opened on the first Monday in February next, as appears from the advertisement in our columns. Mr. G. A. WOODWARD, as Principal, well maintains the high reputation which this school held through so many years of the past, as abundantly appears from the very competent testimonials appended to the circular before us.

DENTAL. Our Cambien dentist, and those adjacent thereto, are referred to the card of that accomplished practitioner of Dentistry, Mr. I. H. ALEXANDER, as it appears in our columns.

REV. H. M. MOOD. The congregation of the Methodist Church, at this place, and doubtless the community at large, are much gratified by the return of this much loved and devoted Minister of Christ, to labor in their midst for the present year.

DOES NOT FAVOR THE BILL. BENJAMIN JAMES—one of the colored representatives from Sumter in the State Legislature—desires to be put upon the record as having proposed the Bill, which proposes to tax the people of Sumter in order to indemnify certain parties for losses sustained by the burning of their stores.

PLANTER'S WAREHOUSE—CHANGE OF PROPRIETORSHIP. Our advertising columns, to-day, announce that Messrs. CHAS. H. MOISE and J. E. BASKIN, have succeeded E. W. MOORE, Esq., as proprietors of the Planters' Warehouse. They are both gentlemen of competent business capacity and we have much pleasure in commending them to the country at large.

THE MONUMENTAL FAIR. Which closed at this place on the 25th ult., notwithstanding the unfavorable weather, proved a decided success. The energy and devotion of the fair ladies concerned was untiring, and in every respect worthy the sacred and noble cause for which they labored, and the liberality of our people characteristic. We learn that the proceeds will reach nearly \$2,000.

TOWN REPORT REDUCED. The Financial Report of the Clerk and Treasurer of the Town of Sumter, as published on another column, exhibits the gratifying fact, that under the very efficient management of our Intendant and Wardens, the debt of the Town has been reduced, since the last annual report, from \$4,563 34 to \$2,646 73. This has been done, while a large amount of work has been done, looking to health and improvement.

LEE, Agent at Sumter to sell the "Soluble Pacific," "Phospho Peruvian," and other valuable fertilizers, manufactured by Mr. JOHN B. SANDY. Also the "Maple's" Preparations. Col.
