☞ All Transient Advertisements, and all Job Work must be paid for in cash. This will be observed without distinction. Subscriptions are also payable in advance.

☞ Applications for Job Work will be made, at the office, to THOS. E. FLOWERS.

The WATCHMAN books are in the keeping of W. Y. PAXTON, who will receipt for monies due and attend to all matters connected with the Advertising or Subscription departments.

☞ Our Advertising friends are requested to send in their favors not later than Monday.

☞ Subscribers who are indebted to us are earnestly requested to call and settle up. We beg that they will not neglect this matter. Unless payment be made, we shall be, reluctantly, compelled to erase a number of names.

NEW SUBSCRIBERS.

Thanks to a generous public sentiment, the New Year is opening auspiciously to THE SUMTER WATCHMAN, and many worthy names have been added to our lists, since the light of '70 dawned upon us, whilst *none*—no, not a single one—have said *quit*.

PERSONAL.

We have been pleased, recently, to welcome to our town, as citizens, Messrs. GARBERT W. and CONRAD WIENGES. We trust that, in their experience in our midst, they may find Sumter all that we think it is—one of the most pleasant and enterprising of the business communities of the State.

Mr. GARBERT W. WIENGES has opened a Family Grocery, and, in connexion with this, we understand, proposes to add a Saddle and Harness Manufactory.

THE MASON AND HAMLIN ORGANS.

Mr. Joseph Boone, (son of Maj. J. B. F Boone,) who may be found at the Business house of Messrs. Green, Watson & Walsh, will continue the agency for the above named popular organs, and fill all orders for them.

TEMPERANCE.

We learn, with much pleasure, that a movement is now on foot, to establish a Society in behalf of Temperance in our community.—Traces of "the Banner Division" of the Sons of Temperance, as the organization at Sumter was called, are still seen in our midst, and it is to freshen, and revive, and strengthen these, and create new influences in this direction, that effort is now to be put forth. Intemperance is evidently on the increase in our community. It is manifestly a great evil—so admitted by none more readily and fully than those who suffer from it, and hence we can but wish the movement success.

THE SUMTER BOOK STORE

Is constantly receiving additions to its stock, which will be increased as the wants of the section, in this department, indicate, and any book, or periodical, music, &c., not found in the stock, will be furnished, at the publisher's price, with all the dispatch the promptness of transportation will admit of.

As the season is approaching, valentines in beautiful variety, are now on hand. See the new advertisement on another column.

SCOTT'S ADVICE FOLLOWED.

The same night on which the trial of our injured citizens, for the burning of the stores of ROBERTSON and DUBOSE was concluded, the Gin-House of Maj. T. B. FRAZER was reduced to ashes, and on the following night, that of Dr. J. B. WITHERSPOON shared the same fate. Is there a hope of Executive Proclamation off. ring reward for the incendiaries? We shall see.

RHODES' STANDARD MANURES.

These fertilizers have been before the public for so many years that their merits are generally well known, but the experience of the manufacturer and his immense facilities enable him to make improvements continually. As will be seen by an advertisement elsewhere, e realers with full particulars in regard to all the fertilizers known as Rhodes' Standard Manures can be obtained from the General agents, Messrs. I. S. Rhett & Son, of Charleston, or from the Agent at this place.

NEW ADVERTISEMENTS.

F. A. FOLSOM—Has removed his Cheap Variety Store to the more commodious apartment next door, lately kept as the Sumter Confectionery by JOHN W. DARGAN, where he is offering greater inducements than ever. In additon, an elegant assortment of Confectionery, Dried Fruits, and other Fancy Groceries, will now be kept, over which Mrs. FOLSOM will preside.

J. B. WITHERSPOON—Administrator's Notice—Mrs. MARY E. DURANT, deceased.

SUMTER FIRE ENGINE COMPANY—Regular Monthly Meeting, Feb. 2.

C. M. HURST—Judge of Probate—Citation—Rule applicant—In S. GRIFFIN, deceased, of Texas.

SUMTER BOOK STORE—Valentines, in fine variety, and more new books.

SPECIAL NOTICES.

SUMTER, S. C., March 28, 1862.

DR. WM. JEUSON,

Dear Sir:—Please send me a further supply of your S. S. S. It is quite as popular here, if not more so, than Mrs. Winslow's. Many who use Mrs. W's, insist that yours is the same preparation.

Yours truly,
(Signed) JOHN THOMSON.

COHEN'S MEDICAL DEPOT,
CHARLESTON, S. C., Sept. 9th, 1869.

DR. WM. JEUSON,

Dear Sir:—I am pleased to learn that you are re-introducing your *Southern Soothing Syrup*, which was used with so much benefit in this city previous to and during the war. From a knowledge I have of some of the ingredients, and the benefit that I have known derived from its use, I deemed it the best preparation ever used for the diseases of children, not only relieving pain, but invigorating the stomach and bowels, correcting acidity, and giving tone to the system at large.

When Sherman introduced his Lozenges, he headed his advertisement "Children cry for them," you with great propriety might head yours "*Mothers cry for it!*" as it gives them peace and happiness in checking the crying and suffering of their children. Several families are anxious to obtain some of it immediately.

Respectfully yours, &c.,
(Signed) P. MELVIN COHEN, M D.

REDIVIVUS!!

The S. S. S. of 1861,

Or Dr. JEUSON'S Original SOUTHERN SOOTHING SYRUP FOR CHILDREN TEETHING, is again resuscitated!! It is a *Corrigent* of the *Bowel disorders* contingent upon this period; a *grateful Carminative*; a *nutritious Syrup*; and a *gentle Anodyne*, inducing *calm* and *refreshing* repose, without the pernicious and distressing reactionary disturbance of the nervous system that results from the exhibition of most preparations—*expressly made for children*. Its use in the Southern States, as far back as 1862, established its reputation as a Southern Institution, and, as a medicine unrivalled, and as being the *best* and *safest* preparation for *children teething*, ensuring REST to MOTHERS and NURSES and *relief* and *strength* to their infants. It is therefore *no new medicine*, and needs no advertising where it is best known. Every precaution has been taken to preserve and protect it from fraudulent counterfeits. It is *manufactured only at the Laboratory of* COIT, TOMPKINS & HURD, members of, and successors to, the old established SOUTHERN DRUG HOUSE OF HARRAL, RISLEY & KITCHEN, 141 CHAMBERS STREET, YEW YORK, to whom all orders should be addressed, and is for sale to the citizens of Sumter and surrounding country by the following first class and respectable Druggists: A. ANDERSON & Co., J. F. W. DELORME.

LET COMMON SENSE DECIDE.

What is the rational mode of proceduro in cases of general debility and nervous prostration? Does not reason tell us that judicious stimulation is required? To resort to violent purgation in such a case is as absurd as it would be to bleed a starving man. Yet it is done every day. Yes, this stupid and unphilosophical practice is continued in the teeth of the *great fact* that physical weakness, with all the nervous disturbances that accompany it, is more certainly and rapidly relieved by Hostetter's Stomach Bitters than by any other medicine at present known. It is true that general debility is often attended with torpidity or irregularity of the bowels and that this symptom must not be overlooked. But while the discharge of the waste matter of the system is expedited or regulated, its *vigor must be recruited*. The Bitters do both. They combine aperient and anti-bilious properties, with extraordinary tonic power. Even while removing obstructions from the bowels, they tone and invigorate those organs. Through the stomach, upon which the great vegetable specific acts directly, it gives a healthy and permanent impetus to every enfeebled function. Digestion is facilitated, the faltering circulation regulated, the blood reinforced with a new accession of the alimentary principle, the nerves braced, and all the dormant powers of the system roused into healthy action; not spasmodically, as would be the case if a mere stimulant so administered, but for a continuance. It is in this way that such extraordinary changes are wrought in the condition of the feeble, emaciated and nervous invalids by the use of this wonderful corrective, alterative and tonic. Let common sense decide between such a preparation and a prostrating cathartic supplemented by a poisonous astringent, like strychnene or quinia.

CURE FOR CONSUMPTION!

What the Doctors say:

Amos Woolley, M. D., of Kosciusko County, Indiana, says: "For three years past I have used ALLEN'S LUNG BALSAM extensively, in my practice, and I am satisfied there is no better medicine for lung diseases in use."

I use A. Doran, M. D., of Logan County, Ohio says: "ALLEN'S LUNG BALSAM not only sells rapidly but gives perfect satisfaction in every case within my knowledge. Having confidence in it and knowing that it possesses valuable medicinal properties, I freely use it in my daily practice and with unbounded success. As an expectorant it is most certainly far ahead of any preparation I have ever yet known."

Nathanial Harris, M. D., of Middlebury, Vermont, says: have no doubt it will soon become a clasical remedial agent for the cure of all diseases of the THROAT, Bronchial Tubes and the Lungs.

Physicians do not recomend a medicine which has no merits, what they say about

TO CONSUMPTIVES.

D. J. WINN—My Dear Sir: I have been using in my family for about six weeks, the "Hydraulic Clothes Washer and Wringer," for which you are agent, and regard it the best machine in use. It is a great saver of time, of labor, of soap and the wear of the clothes. In an ordinary way, some time since, we washed 105 pieces, some of them very much soiled, in five hours. The truth is, we are delighted with it, and would not do without it under any circumstances.

S. J. BRADFORD.
SUMTER, S. C., Sept. 12, 1869.

D. J. WINN—Dear Sir:—We have been using, for about six weeks in the family, the Hydraulic Clothes Washer and Wringer, for which you are agent. We are very much pleased with it. The washing of the family for a week, is accomplished by a colored woman, in from three to four hours. The saving of labor is great, the amount of soap used is one-third less, the general appearance of all clothes has improved, and we would not dispense with the machine under any circumstances.

J. M. PITTS.
SUMTER, Sept. 13, 1869.

Mr. D. J. WINN—Sir:—In reply to your inquiry, have to say that we find the Hydraulic Clothes Washer a great saver of time and labor, soap and patience, cloth and clothing—the last no small item where clothes have to go out of the yard. Contrary to appearance, it does not break buttons.

Yours truly, J. D. BLANDING.
