The Sumter Watchman.
WEDNESDAY, AUGUST 3.
W. Y. PAXTON . . . MANAGER.

All Transient Advertisements, and all Job Work must be paid for in cash. This will be observed without distinction. Subscriptions are also payable in advance.

Applications for Job Work will be made, at the office, to Thos. J. Fleming.

The Watchman books are in the keeping of W. Y. Paxton, who will receipt for monies due and attend to all matters connected with the Advertising or Subscription departments.

Our Advertising friends are requested to send in their favors not later than Monday.

MASS MEETING.

Judge Carpenter, Gen. M. C. Butler, Gen. J. B. Kershaw and probably other distinguished speakers will address the citizens of Sumter County, white and colored, at Sumter on Wednesday, Aug. 31st. The people, *en masse*, will no doubt turn out.

THE SEASONS

Have been generally good in this section, and the crops are generally promising.

HEINITSH'S QUEEN'S DELIGHT.

Our columns contain the advertisement of this popular remedy. Mr. Heinitsh has long been engaged in the Drug business at Columbia, and no Columbian has a higher reputation than has he. His Queen's Delight is made pure—is no trashy nostrum, the sole purpose of which is to make money.—For the purposes for which it is recommended it no doubt has real merit.

WILSON & SELBY.

We have much pleasure in directing general attention to the card of Messrs. Wilson & Selby, Cotton Factors and General Commisson Merchants, of No. 5. Water St, Baltimore, to be found in our advertising columns. We have personal acquaintance with Mr. John W. Selby, of this house, and from that acquaintance, and from his general reputation, are prepared to say as much for him as for any business man of whom we know. Trusts committed to his hands, our friends may feel sure, will receive proper attention.

A BARBECUE PROPOSED.

A number of prominent citizens, from several parts of the county, present at Sumter, on Sales-day (Monday) last, exhibited much earnestness in urging a barbecue for the Mass Meeting on the 31st, and offered to contribute beeves and other meats and supplies for such a purpose. Time did not admit of a regular meeting, but informal consultation resulted in a request that all who would unite for that purpose would at once communicate with this office. Let us have a barbecue.

"NOW."

We ask every calm and honest reader of the *Watchman* to give careful reading and mature deliberation to the article signed as above, and published on another column. It contains truth and power, in points so plainly put that the way-faring man cannot fail to comprehend. They cannot fail to have the effect in bringing our people to see the true position they occupy in the great struggle now being inaugurated in this State, between honesty and dishonesty—between good government on the one side and plunder and bribery on the other. Let all honest citizens, white and black, arouse themselves, and casting to the winds all prejudices and animosities, go to work for the right.

PERSONAL.

We were pleased to receive a call, on Friday last, from F. D. Richardson Esq., now canvassing agent of the State, for the Carolina Life Insurance Company, of which Jefferson Davis is President. Mr. Richardson is too well known to our people and to the State at large, to need commendation from us, and we simply say that the Company he represents is one of the best in the country.

We have also been pleased to receive a call from Mr. F. C. Rantin, who represents the old and popular Charleston Shoe House of E. B. Stoddard & Co. Mr. Rantin is a native of our sister District of Clarendon, and a relative of our esteemed fellow-citizen, James H. Dingle.

THE GOOCH COTTON TIE.

Our friends, Messrs. Green & Walsh, as appears from the advertisement in our columns, are sole agents for Sumter and Clarendon for the sale of this improved Cotton Tie, and are now prepared to take orders.

We were pleased to receive a call, a few days ago, from Mr. Hyman, the popular junior partner of the house of Dancy, Hyman & Co., General Commission Merchants of New York, who are sole agents for the United States for this Tie. Mr. Hyman informed us that it is extensively used in North Carolina, of which State the members of his house are all natives. Our planters are invited to call and examine it, at the store Messrs. Green & Walsh.

MORE DELICIOUS CANTALEUPS.

Our good friend, Dr. J. M. Pitts, approached us, on Saturday last, his countenance all wreathed with smiles, with an ominous "bag in buggy." We hardly knew what was coming out of that bag. But the Doctor's quick movement soon presented two of the largest and most luscious looking cantaleups that our eyes ever rested on. The truth is we began to realize that there was some pleasant [illegible] with the editorial chair.

The first of these [illegible] was a long consultation, the result of which was brought the next [illegible], at Washington, duly sent and brought home, in 1860. Its length was about eighteen inches, and size similar. The second was the "Alton Nutmeg Melon," of orange shape, very large, and so called from the town of Alton, Ill., from whence it was brought. The long melon we found much the sweetest—more juicy and of decidedly finer flavor. In fact we thought it the finest we had ever tasted.

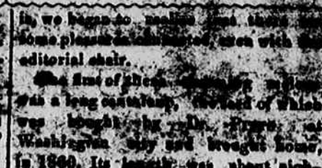
Thanks to the Doctor. Who comes next?

THE COLORED MAN'S TAX!

We saw a tax execution, the other day, rescipted, against a colored woman, amounting to $2 56, the items of which are as follows: tax on cow and calf: State tax, $0.10, county tax $0.06, penalty $0.03, *Treasurer's cost* $2.37—total, $2.56. Recapitulation: State and County tax, including penalty, *nineteen cents; Treasurer's cost, two dollars and thirty-seven cents. The Treasurer's cost adds to the tax to be paid by the poor colored women nearly thirteen times.*

There are hundreds of cases like this in Sumter county, and thousands throughout the State. Could our friends of the Reform Party have a more powerful argument to present to the colored man than this? The poor, ignorant, misled colored man, *taxed thirteen times* upon his cow and calf or other little property! *—twelve hundred per cent* of which goes into the pocket of the tax gatherer.

SPECIAL NOTICES.



This valuable Family Medicine has been widely and favorably known in our own and foreign countries, upwards of

THIRTY YEARS!

It has lost none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest.

It is an external and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has without doubt, been more successful in curing the various kinds of CHOLERA than any other known remedy, or the most skillful physician. In India, Africa and China, where this dreadful disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates, a *sure remedy*; and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in unskillful hands. Directions accompany each bottle.

Sold by all Druggists.

Price 25 cts., 50 cts., and $1 per bottle.

SINKING SLOWLY.

Diseases that progress rapidly to a crisis are not the only ones to be dreaded. Canker or dry rot does not blast a tree as suddenly as a stroke of lightning, but unless arrested, it destroys it as certainly; and in like manner chronic debility although it does not kill with the swiftness of yellow fever, is as sure to sap the springs of life eventually as any acute disease, if not checked by invigorating medication. There is something inexpressibly touching in the spectacle of premature decay. Languor, pallor, emaciation, depression of spirits, and a distaste for exertion, are its ordinary symptoms, and they should be promptly met by tonic treatment. The best invigorant and exhilarant that can be administered in a case of this kind is Hostetter's Stomach Bitters. The stimulating principle of the preparation rouses the dormant energies of the system, and the strengthening and regulating properties give a permanent and healthful impulse to the vital forces thus brought into play. The failing appetite is re-awakened, the process of digestion and assimilation are quickened, the quality of the blood is improved, the secretions become more natural, and every organ that contributes to the nourishment of the body undergoes salutary change. By these means the repair of the physical structure is effected and its health and vigor restored. In no class of diseases has the beneficent operation of the Bitters been more marked and striking than in those characterized by general debility and nervous prostration. Ladies affected with these ailments find in this most wholesome of all tonics and correctives the safest and surest means of relief. It is strong to restore and powerless to injure. Such is the uniform testimony of clouds of witnesses."

THE PAIN "KILLER"

After THIRTY YEARS trial, is still receiving the most unqualified testimonials to its virtues, from persons of the highest character and responsibility. Physicians of the first respectability, recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for Bruises, Cuts, Burns, &c., but for Dysentery or Cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the Standard Medicine for all such complaints, as well as for dyspepsia, Liver Complaints, and other kindred disorders. For Coughs and Colds, Canker, Asthma, and Rheumatic difficulties, it has been proved by the most abundant and convincing testimony, to be an invaluable medicine.

Sold by all Druggists.
