

The Sumter Watchman

WEDNESDAY, AUGUST 17. W. Y. PAXTON, BUSINESS MANAGER.

All Transient Advertisements, and all Job Work must be paid for in cash. This will be observed without distinction.

Applications for Job Work will be made at the office, at 108 S. E. corner of W. Y. Paxton, who will accept for notices, and attend to all matters connected with the Advertising or Subscription departments.

Our Advertising friends are requested to send in their favors not later than Monday.

MASS MEETING.

JUDGE CARPENTER, GEN. M. C. BUTLER, GEN. J. B. KESHAW and probably other distinguished speakers will address the citizens of Sumter County, white and colored, at Sumter on Wednesday, Aug. 31st.

DEATH OF A GOOD CITIZEN.

We are sure that we but utter the sentiment of our entire community, when we say, that in the death of Mr. ARCHIBALD ANDERSON, Sumter has lost one of her best citizens.

Mr. ANDERSON, who was a native Scotchman, had been a citizen of Sumter about thirty-three years, and during all that extended period of time, maintained an unblemished reputation.

His death is an affliction to our whole community, but upon the dear ones he leaves behind him the blow falls with unusual severity—for to them he was as dear as the apple of the eye.

His funeral services—which took place at the Methodist Church, on Sabbath afternoon last, and, in the absence of his pastor, Rev. D. McQUEEN, were performed by Rev. H. M. Moon—were attended by a large concourse of our people; and the lower and upper floors of the Church being filled, many colored people in attendance.

Attention is asked to the School notice of Mr. THOS. P. McQUEEN. His past success as a teacher in our midst is well known, and we ask for him, now, again, a liberal share of patronage.

We are indebted to the Planters' Warehouse for samples of the "Dexter Fruit Jars," empty and "filled." They are of glass—so constructed as to enable everybody to put up their own fruit and vegetables at moderate cost.

SACRILEGIOUS THIEVES. Two canteen chairs were stolen from the altar of the Methodist Church, at this place, a few nights since.

Our advertising columns show that the firm of PATE & TAYLOR has been dissolved—that our young friend C. E. STUBBS has become associated with Mr. L. G. PATE, under the name of PATE & STUBBS, and will continue the business, and that Mr. G. E. TAYLOR, will individually continue as the special agent of Geo. W. Williams & Co.

WHAT SUMTER IS DOING.

The last two weeks has witnessed a change of sentiment among our people, in favor of the candidates of the Reform Party, which surpasses, in so brief a period of time, even our most hopeful expectations.

We have cheering accounts, too, from the colored people in various parts of the country. Many of them, we are told, are dissatisfied with their present leaders, and desire a change.

Mr. Editor:—In reply to "Sumter's" communication—in answer to his numerous persecutors—published in your issue of the 3d, we shall condemn him out of his own mouth, or at least defeat him by his own statements.

He seems to have an extreme aversion to the strong, concise, and venerable tongue of the old Romans. Appears to esteem it a mystery, and one, too, in close alliance with the black act.
