

The Sumter Telegram (Established in 1864) A G... VOL. XXI... WEDNESDAY MORNING, DECEMBER 7, 1876... THE MESSAGE

GOVERNOR'S MESSAGE. COMMENTS OF THE PRESS AND PLEDGES FOR THE FUTURE.

REPORTS OF THE SUPERINTENDENT AND OFFICERS OF THE INSTITUTION. The report of the superintendent shows that during the year...

THE SINKING FUND. From a report of the secretary of the commissioners of the sinking fund, it will be found that...

STATE DEPARTMENT. The report of the secretary of State presents an epitome of the labors of his department for the current year...

THE PENITENTIARY. The report of the commissioners of the penitentiary presents the affairs of that institution in a highly favorable aspect...

THE LAND COMMISSION. It was undoubtedly one of the wisest and most beneficial projects of the State...

THE LUNATIC ASYLUM. The report of the superintendent shows that during the year...

THE MESSIAH. FELLOW CITIZENS OF THE STATE AND OF THE HOUSE OF REPRESENTATIVES.

REPORTS OF THE SUPERINTENDENT AND OFFICERS OF THE INSTITUTION. The report of the superintendent shows that during the year...

THE SINKING FUND. From a report of the secretary of the commissioners of the sinking fund, it will be found that...

STATE DEPARTMENT. The report of the secretary of State presents an epitome of the labors of his department for the current year...

THE PENITENTIARY. The report of the commissioners of the penitentiary presents the affairs of that institution in a highly favorable aspect...

THE LAND COMMISSION. It was undoubtedly one of the wisest and most beneficial projects of the State...

THE LUNATIC ASYLUM. The report of the superintendent shows that during the year...

EDUCATION. For the operations of the State superintendent of education, during the year, I refer you to the report of that officer.

MILITIA. The report of the adjutant and inspecting general is referred to for the operations and proceedings of the military department of the State during the year.

THE STATE CONSTABULARY. The report of the chief constable presents a full and satisfactory account of the proceedings and expenditures of the body under his control during the past year.

AGRICULTURAL STATISTICS. The report of the commissioner of agricultural statistics contains much valuable information in relation to the soil and productions of the State...

THE BLUE RIDGE RAILROAD. I regret to inform you that but little progress has been recently made upon the Blue Ridge Railroad.

EMIGRATION AND LABOR. While I am willing and anxious by all legitimate means to encourage and promote emigration to this State...

LABOR AND CAPITAL. There has been much discussion upon the alleged scarcity of labor, and a variety of schemes have been suggested for its alleviation...

MISCELLANEOUS. Taxation is the vital power of all governments, and I invoke your serious attention to the necessity of a strict economy in expenditure...

WILMINGTON. Attention is called to the necessity of a cheap and speedy remedy by which the owners of property may repossess themselves of it by a summary magisterial process.

PRELIMINARY. The attention of the last General Assembly was called to the necessity and importance of a law to regulate and define the relations and obligations of employer and apprentice.

TRUST DEPOSITS. Since the Bank of the State ceased operations, there has been no suitable...

EDUCATION. For the operations of the State superintendent of education, during the year, I refer you to the report of that officer.
