\$150
TO BE GIVEN AWAY,
DECEMBER 1ST, 1892,

To every one indebted to me, by note or account, who will pay the same before the first day of December next, I will give a numbered receipt, corresponding to which a number will be placed in a box from which ten numbers will be drawn publicly, December 1st, at eleven o'clock, A. M., at my store, and the person holding the number corresponding to the one drawn will receive one of the following prizes:

- First No. drawn gets a No. 7, B. H. O., American Sewing Machine, \$ 45 00
- Second " " " McLain Pat. Silk Plush Reclining Chair, 25 00

To secure a chance at the grand distribution, every one owing less than Ten dollars must pay up in full; every one owing more than Ten dollars will get a chance for every Ten dollars and fractional part paid.

Every one who buys Ten dollars worth of goods, for cash, will get a chance for every Ten dollars.

THE CASH MUST BE PAID, in every instance, before the chance is given. Persons living at a distance must send New York Exchange, Postoffice Money Order or Registered Letter, and they will have the same chance as if they were here in person.

Don't let this opportunity pass, for you may get a valuable prize, costing you nothing. Besides, I will have to collect my accounts the first of December, anyway, and I would rather distribute this amount among my friends and customers than to have to pay it to a collector.

AS AN INDUCEMENT FOR PROMPT SETTLEMENT AND QUICK SALES.

To the first fifty chances (or numbered receipts) on Ten dollar payments I will have an extra drawing, and the successful holder will get a **Handsome Set of Antique Furniture Worth \$40.**

THE NEW YORK RACKET.

It is a well known fact that we lead in **LOW PRICES,** and the numerous packages that daily go out of our store is our greatest advertisement, and proves to us that the people of Union County are pleased with the way we conduct our business.

Personally we are proud of the increased trade we have had this season and consider it a universal endorsement of our business methods, and every day we became more firmly convinced that

FAITHFULNESS TO THE PUBLIC WILL BRING ITS OWN REWARD.

We bought this season the largest stock of Dry Goods, Shoes, Hats, Clothing, Notions, etc., ever brought to Union, and were daily asked "what in the world we expected to do with them?" Our one low price to everybody soon solved that problem for us; and new the only trouble we have is to get enough goods and get them fast enough.

Every mail that goes out from here carries one or more letters to our New York buyer, and shoe factories, asking them to hurry up our goods as fast as possible, and every freight brings us new goods to take the place of those sold. In that way we manage to keep our stock up, and you can now find each department full of nice **FRESH GOODS,** at prices that our competitors cannot touch.

Nice Gingham, 6cts. Others sell the same goods from 8 to 10cts.
 Good Plaids, 3cts.
 A case of Standard Calico just in, 5 cents a yard; cannot buy it elsewhere for less than 7 or 8 cents.

Boy's suit for 38 cents.
 A man's nice suit for \$2.48.
 Man's High cut Shoe, solid, for 75cts.

And thousand of other things just as cheap.
 To wait on our increasing trade we have had to employ two new salesmen, and are now with our force of 9 men, prepared to give you the very best attention. Polite and attentive Clerks will take pleasure in showing you through our immense stock, and will quote you some very low prices.

RESPECTFULLY,

HARRY & BELK.
