THE BAPTISTS IN THE UNITED STATES.—There are in the United States and in the territories 12,675 Baptist churches, with 1,043,641 members, and 8,028 ordained ministers. These figures are from returns made in 1865, with the exception of twelve of the Southern States, in which the statistics are for 1860.

The sweetest word of our language is love. The greatest word in our language is God. The word expressing the shortest time is now. The three make the greatest and the sweetest duty man can perform.

Circular.
To the Bible Societies and other Distributors of the Bible in South Carolina:

DEAR BROTHERS—As I am about preparing my annual report of labors as Bible Agent for South Carolina, please report to me briefly and immediately the result of Bible distribution in your respective fields. Those who have already sent me interesting and encouraging reports, will please accept my thanks. May God bless your labor of love in the distribution of the donation of books received by you from the American Bible Society.

As it is the earnest desire of the American Bible Society that every destitute reader in South Carolina should possess a copy of the Holy Scriptures, permit me to urge you to keep me advised as to destitutions in your fields; so that all persons may be supplied as soon as possible with the word of God. Donations of Bibles and Testaments for distribution will be procured for you if you will write to me at Columbia, S. C., and say how many books you want, and give me your address in full, with the name of your Consignee in Charleston, S. C. You will pay freight.

Let it not be said that there is a dearth of God's word in any portion of our State when the American Bible Society is willing to give a Bible to every destitute reader, irrespective of color.
E. A. BOLLES.
