LOCAL ITEMS.
SATURDAY MORNING, JUNE 29, 1867.

Our Appearance.
We owe an explanation to our subscribers for the curtailed appearance of our present issue. It is the result of a mistake in the size of the paper sent us last by the manufacturers; and it was impossible to procure other paper of the proper size, in time for our usual day of going to press. Although the paper presents on this account quite a strange appearance; yet it contains the usual quantity of printed matter and, as ever, contains interesting information on every page.

Rev. W. G. Conner's Female Seminary.
We had the pleasure of attending an Examination at the above named institution on Thursday and Friday last, and consider the time thus employed well spent. We were pleased at the proficiency exhibited by the young ladies; and the efforts of the primary classes were also very happily successful, and indicated that while the most careful attention was paid to the higher studies of the curriculum, there was no neglect of the simpler, but all-important elementary branches, which form the ground work of a good education. We beg to express our best wishes for the continued success of this flourishing Seminary, and bespeak for it a liberal patronage from all parts of this and the adjacent Districts.

The Recent Rains.
The crops in some portions of this District have been injured by the recent excess of wet weather; but the damage is by no means as great as at first anticipated. The swamp corn in some places is drowned, and cotton has been a sufferer to some extent; but with favorable weather for the remainder of the season, we are all right for good harvest this year. Ploughs are trumps yet, sure.
We are happy to announce that Binnekker's Bridge on the South Edisto River is safe and sound; and wagons have crossed Four Hales Bridge since the nine days' rain.

Our Thanks.
In the language of the poet, "Good things are good." We indulged in the above exclamation, while enjoying a delightful treat, in the shape of some of the finest apples and peaches of the early crop, sent to our sanctum by Mr. HARRIS RIGGS. All who have indulged in the luxury of tasting the exquisite fruit, which the donor has the well-merited reputation of producing in his fine orchard, can imagine the sincerity of our acknowledgements, which Mr. Riggs will please accept for his generous recollection of the Printer.

New Mail Route.
After the first of July, a new mail route will be opened for the benefit of our friends in that portion of Orangeburg and Lexington near the boundary line of the two Districts. The mail will leave Orangeburg, on Thursdays at 6 A. M. and Rish's Store, on Fridays at the same hour. We understand that a petition will be presented to the Postoffice Department to change the day of leaving this place to Saturday, by which means the mail carrier will be able to come down on Friday as now arranged, and return the next day, which will be a matter of great convenience to all parties interested in the route.

Burke's Weekly for Boys and Girls.
The first number of this new paper is before us, and is all that its Publishers promised in the way of good looks. It contains the first chapter of "Marooner's Island," a sequel to the Young Marooners, with an illustration; the beginning of a new Fairy Tale, by Mrs. Ford, of Rome, Georgia, called "The Little Woman in Green," with an illustration; a sketch of Sergeant Jasper, with an illustration; a Poem, "Good Mooly Cow," with an illustration; "The Cloud," with an illustration; an illustrated Rebus, Riddles, Enigmas, etc., besides other Stories, Poems, Anecdotes, etc.

The Publishers have already received sufficient encouragement to insure the regular publication of the paper, so that subscriptions may now be forwarded with the money. Terms, \$2 a year. Address J. W. BURKE & Co., Macon, Ga.
The Aiken Press.
We are glad to announce that a weekly under the above title, is about to be published at Aiken, S. C., under the editorial management of H. W. RAYNELE, Esq. We trust that the enterprise will be eminently successful.

The Merchants' and Manufacturers' **Jewelry Association**
Calls your attention to the fact of its being the largest and most popular Jewelry Association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for a method of obtaining rich, elegant and costly goods. The sudden stagnation of trade in Europe, owing to the late German war, and the disastrous financial crisis in Europe, has caused the failure of a large number of Jewelry houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one-third the cost of manufacturing. We have lately purchased very largely of these bankrupt Goods, at such extremely low prices that we can afford to draw the finest goods, and give better chances to draw the most valuable prizes than any other establishment doing a similar business. Our aim is to PLEASE, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than one Dollar, retail, and there are no blanks. Parties dealing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.
The following parties have recently drawn valuable prizes from the Merchants' and Manufacturers' Jewelry Association, and have kindly allowed use of their names:
Frederick V. Browne, Esq., Treasury Department, Washington, D. C., Piano, value, \$400; Miss Anna I. Frost, Waverly Terrace, N. Y. City, Ladies' Gold Enamelled and Diamond Set Watch, value, \$500; William H. Gammon, New Orleans, La., Sewing Machine, value, \$25; George L.
