"Old Carolina Bitters." Will Messrs. EZEKTEL & KOHN accept our thanks for a Bottle of the above Celebrated Bitters. We have imbibed and pronounce them worthy of old Carolina.

A Praiseworthy Enterprise. The old Carolina House, in Broad Street, has been procured for the purpose of a Home for the mothers, widows, and daughters of deceased Confederate soldiers, under the auspices of the patriotic and benevolent ladies of Charleston. A fair is to be held in December in aid of the enterprise; and contributions of money, provisions, plain or fancy work, pickle, catsup, or

any other articles will be very acceptable." Contributions from this District may be sent to Mrs. S. G. JAMIBON, who will take pleasure in forwarding them to the Committee in Charleston

A change of Schedule has been determined upon by the South Carolina Railroad Company. Two Passenger Trains up and down will pass Orangeburg daily :

Barnum, Vanamburgh, and Dan. Castello's Great Menagerie and Circus Combination.

Our readers will observe by reference to our advertising columns that a treat is in store for fun-lovers on Wednesday next, the 9th inst. The town is gorgeous with pictorial play-bills and enormous posters, in all the glory of the gaudiest of cuts and the largest of type upon shich the boy population and "our colored brethren." gaze with delight, and the beauties and promises of which they discuss with the keenest relish.

The establishment of BARNUM, VAN AM-BURG, CASTELL, CO., comes to us with an enviable reputation, and is pronounced by the press and the public, wherever it has pitched its tent during a very protracted tour through the country, as one of the largest, most attractive, and thoroughly excellent exhibitions ever presented for public patronage.

The menagerie is very full, and, among the ollection of animals, are several rare species which are sure to attract the attention of natutalists, as well as please the wonder-loving people at large.

The Circus Company is said to be comprised of first-class artists, both male and female, and among the fairer portion of the performers, we see the name of the Parisian Equestrienne, Mademoiselle PAULING, who made her debut in America, in Washington, having but just arrived from the principal circus of Paris, where she has been the reigning star for the past two seasons, and where she was engaged by the agents of CASTELLO & Co., for a tour through the United States. She is said to be a beautiful woman and a most artistic performer. Another charming feature of the company is the petite equestricane "LITTLE MINNIE," the youngest and most diminutive rider who has ever performed in public.

DAN CASTELLO, whose popularity as a jester, and whose success as a trainer of animals is second to that of no one in his profession, will

OFFICE OF THE ORANGEBURG NEWS, September 27, 1867.

A wrong impression prevails amongst some of th planters of this District that it is necessary the tay should be paid on their Cotton before being shipped from this District. This is a mistake. The tax must be paid on Cotton before shipment towards Augusta and Columbia, but there are no restriction

Murder in St. Matthews Parish. SIMON "AR. O" (colored) was murdered on Monday last, on the plantation of Maj. Thos. B. WHALEY'S St. Mate bew's, by Moses LIV-INGSTON (also colored). The cause was said to by jealousy and the murder has been chaiacterized to us as most heinous .- the vietna." head having been fractured with an iron bar, and his throat cut. In the absence however of reliable particulars we forbear saying more at present. The murderer was brought into Town on Thursday afternoon by three freedmen acting as constables, and has been lodged in Jail here to wait a trial.

Lowlessness of Soldiers.

On Saturday night, Mr. LAWRENGE WOLFE of this place, was called to the door of his store by a rapping there, and upon going out, was assaulted and struck over the head with a sling shot or bayonet by one of the soldiers of the garrison stationed here. Second other soldiers were present and implicated in the affair. Capt. FRENCH, we are pleased to record, after diligent inquiry has discovered and arrested the guilty parties and they are now in close confinement awaiting their trial.

Mr. WOLFE was at first thought to he seriously injured but he is now up and doing well.

To the Ladies.

A new skirt, called the Boulerard is about to supersede the Balmoral. It is not woven ; but manufactured on a cone of the proper shape, out of fine wool; so that it has no seams, but resembles the felt of a fine fur hat. In the manufacture of each one, there is used one pound by weight of Cape of Good Hope wool, audito this is added no more than is necessary of other colors, to give the tint or shade desired by the maker. Demorests' Monthly says it is superior to any skirt yet invented. It is manufactured at one establishment in New York at the rate of three thousand per day, and the number can be increased with the demand. We predict for it a great success.

oppear at each performance, and, besides, his "exquisite fooling," will introduce the Russianof trained animals.

There will be a grand procession of knights, in real steel armor, beautiful ladies, gallant hus-ars, elephants, camels, dromedaries, ponies, animal dens. band chariots, and platform cars, upon one of which a large, living lion will be garried, uncaged and loose, through the streets !
