The MERCHANTS' PROTECTIVE UNION, organized to promote and protect trade, by enabling its subscribers to attain facility and safety in the granting of credits, and the recovery of claims at all points, have to announce that they will, in September, 1868, publish in one large quarto volume...

The reports and information will be confined to those deemed worthy of some line of credit; and as the same will be based, so far as practicable, upon the statements of the parties themselves, revised and corrected by well-known and reliable legal correspondents, whose character will prove a guarantee of the correctness of the information furnished by them, it is believed that the reports will prove more truthful and complete, and, therefore, superior to, and of much greater value, than any previously issued.

By aid of the MERCHANTS' REFERENCE REGISTER, business men will be enabled to ascertain, at a glance, the capital and gradation of credit, as compared with financial worth, of nearly every merchant, manufacturer, trader, and banker, within the above-named territorial limits.

On or about the first of each month, subscribers will also receive the Monthly Chronicle, containing, among other things, a record of such important changes in the name and condition of firms, throughout the country, as may occur subsequent to the publication of each half-yearly volume of the MERCHANTS' REFERENCE REGISTER.

Price of The Merchants' Union Mercantile Reference Register, fifty dollars, (\$50.) for which it will be forwarded to any address in the United States, transportation paid.

Holders of five \$10 shares of the Capital Stock, in addition to participating in the profits, will receive one copy of the MERCHANTS' REFERENCE REGISTER free of charge; holders of ten shares will be entitled to two copies; and no more than ten shares of the Capital Stock will be allotted to any one applicant.
