

posed union upon the candidate, a union so sudden, so compact, and so earnest, as to surprise its friends and to confound its enemies. [Applause.] Which comes as the winds come; which to borrow a figure, overwhelms the ordinary currents of public opinion as the great storms always run to the surface currents. What means all this? There are some things gentlemen it does not mean. It means no abandonment of what is true, of what is just, of what is good in human government. [Applause.] It means no union of the dead upon dead issues, but a union of the living upon the living issues of the present. It means no union for the spoils of office. [Applause.] But it means a union of men with the same faith upon the great and paramount issue of the present hour—a frank, manly, honorable, and equal union of men who have the sagacity to see and the moral courage to accept the situation. ["Good," "Good," and loud cheering.] It means a union of men who have the sagacity to see what is past and to deal with the issues of the present, and for the future to do their duty to their country, their God, and their fellow men. The issue to-day is not the repeal of the Missouri Compromise, nor the question of slavery in the Territories, upon which alone the Republican party was organized in 1858. It is not upon that which followed when the Leocompton Constitution, for Kansas divided the Democratic party in twain and elected Alabama Lincoln to the Presidency in 1860. It is not the question of secession, nor of war to put down the rebellion, nor the abolition of slavery in the States by military order or by constitutional amendment upon which Mr. Lincoln was re-elected in 1864, nor yet is it the question of reconstruction, the 14th or 15th amendments, nor the question of negro suffrage, nor the establishment by federal power of universal negro suffrage as a condition precedent to the States of the South having rights or any existence even as States in the Union. It is none of these questions that is now in issue; all these have been issues of the past—great issues sufficient in themselves to create and dissolve political parties, because ideas are stronger than men or parties; but they are all past issues, they have been fought out and fought to the end in the forum or in the field, and they are no more in issue to-day than the Mexican war or the war of the rebellion, (applause). We could not reopen them if we would, and they falsely misrepresented our purpose, who say that we would re-open them if we could. This great union, therefore, means no steps backward, [cheers.] Forward, is the word, [loud cheering] and first of all it means to-day for all the other States of the South what it has already done in Missouri. Instead of proscription test oaths, suspension of the habeas corpus and military despotism; it means the personal freedom for the individual and Republican good for all. [Loud applause.] Instead of negro supremacy, upheld by proscription and the bayonet, it means equal rights to all men, white as well as black. [Loud applause.] Instead of thieving Governments organized to plunder subjugated States, it means the dominance once more of intelligence and integrity. Instead of strife, hate and robbery, it means justice, liberty, peace, loyalty, good will, and, gentlemen, for our whole country, East, West, North, and South, it means instead of a war President, trained only in a military school, and whose whole character has been formed in the ideas, arts, habits and despotism of military life; instead of this, it means the election of a peace President [cheers.] trained in the ideas, arts, blessings and republican simplicity peace and universal freedom. [Loud cheers.] Of a peace not enchained, of a liberty not under arrest, awaiting trial, sentence and execution by a drumhead court-martial; but that liberty and peace which the Constitution secures by placing the civil law above the sword, by preserving in full regard the sacred writ of habeas corpus and by the right of trial by jury. [Applause.] It means another thing, and perhaps the most important of them all. It means to arrest the centralization of power in the Federal Government. [Loud cheers.] It is to assert the vital principle of our Republican system in which it means and has its very being that constitutions are made by the people in their sovereign capacity, for the express purpose of defending and limiting the powers of Government. [Applause.] powers of all Governments, State or National.

It means that we are determined that Presidents and Governors, Congress and State Legislatures, and every department of the Government shall obey the Constitution. [Prolonged applause.] Mr. Doolittle concluded, gentlemen, I have thus briefly stated the situation, the duties the purposes which bring us here. A great responsibility rests upon this Convention. If its action shall be such, I doubt not it will be, as to put in and end this misrule which for the past few years, afflicted our beloved country, this generation and generations to come after us will remember with pride and gratitude the Convention at Baltimore of the 9th of July, 1872. [Amid loud and continued applause, Mr. Doolittle took his seat.]

**Stamped to Death by a Horse.**  
The Liberty (Va.) News says that Mr. Thomas N. Lee, living near Claramont, in Bedford county, lost a little boy last week by a kick from a vicious horse. Some horses got into a lot of oats and the little fellow, who was about five years old, without being told went to drive them out. Among them was a mare with a colt, which was attacked by a dog. The mare became vicious and stamped the child on the head crushing in the skull. He lingered several days and died on last Sunday morning.

**VINEGAR BITTERS**  
J. WALKER, Proprietor, R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 34 Commerce St., N. Y.  
MILLIONS Bear Testimony to their Wonderful Curative Effects.  
Vinegar Bitters are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.  
They are a gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.  
FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.  
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Biliousness, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.  
DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the off-springs of Dyspepsia.  
They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.  
FOR SKIN DISEASES, Eruptions, Itch, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scourfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.  
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.  
PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.  
SOLD BY ALL DRUGGISTS AND DEALERS.  
J. WALKER, Proprietor, R. H. McDONALD & Co., Druggists and Gen. Agents, San Francisco, Cal., and 34 Commerce Street, New York.
