us from power, with scorn and indignation. Our object is reform, retrenchment and relief, that by honesty and economy we may reduce the taxes and lighten the burthens of the people; giving at the same time absolute security and protection to the rights and property of all. Upon this paramount ssue we cordially invite the cooperation of every Democrat and unite with us in this great work.

President Grant Interviewed.

The relentless interviewer has at last made the President his victim. The result is given in the New York We declare our acceptance in Gen.
