Nebuchadnezzar.

You, Nebuchadnezzar, whoa, sah! Whar is you trying to g9, sah? I'd hab you for to know, sah, I's a-holden ob de lines: You better stop dat prancin' You's powful fond of dancin', But I'll bet my yeah's advancin' Dat I'll cure you ob your shines.

Look henh, mule! Better mind out-Fust t'ing you know you'll fin' out How quick I'll wear dis line out On your ugly, stubbo'n back. You need't try to steal up An' lif' dat precious heel up, You's got to plough dis fiel' up, You has, sah, for a fac'.

Dar, dat's de way to do it! Dar, dat's do way to do it! He's couin' right down to it, Jes' watch him ploughin' tr'oo it! Dis nigger ain't no fool. Some folks dey would a' beat him, Now, dat would only heat him, I know jes' how to treat him, You wurk merce mile semile You mus' reason wid a mule.

He minds we like a nigger, If he was only bigger, If he was only bigger, He'd fotoia a mighty figger, Ho would, I tell you! Yes, sah! See how he keeps a clickin'! He's as gentle as a chicken, Am' nebber thinks of kicken— Where det Vaturbasers to Whoa, dah! Nebuchadnezzar!

. . . Is dis heah me, or not me? Or is de debbil got me? Was dat a cannon shot me? Hab I laid heah more'n a week? Dat mule do kiek amazin'! De beast was sp'iled in raizen'-By now I 'spect he's grazen' On de oder side de creck. [Scribner's Monthly

Taft's Circular.

The Constitution of the United States in its Fourth Amendment prescribes that "The right of the peo- strange scene that followed. As ple to be secure in their persons, soon as the terrible thang perceived houses, papers and effects, against that the horse was able to run at a shall not be violated ; and no warcause, supported by oath or affirmathe Fifth Amendment it prescribes fainter and fainter. Immediately, that "No person shall be haid to answer, etc.; nor be deprived of life, liberty or property, without began to atter a sonorous rearing

This is the supreme law of the brutish mother calling her young. land, and whoever shall undertake and another a weird initation of the to violate this law, will do so at his cooing of a dove. Hardly had the peril. For any United States Mar- sound been uttered, when the horse, shal, or Deputy Marshal, or indi- which was now almost lost to sight vidual acting in a posse comitatus in the rapidly growing darkness summoned by a Marshal, whether citizen, State militiaman, United States officer or soldier to violate this law, Taft's circular will afford tinued, and even to my human hear no justification and no protection ing seemed to have a pleading, in-

The law of the Constitution is superior in authority and in legal shape at once of a cat ready to play force to any statute of Congress and must overrule and render null and when trying to charm its prey into void any provisions conflicting or its folds. inconsistent with its declarations. And now let me describe the

A Dragon in Colorado. A correspondent of the Denver Massacre at Fort Phil Kearney Ten News says : I was traveling horseback along a stretch of country which, for a long distance, merits the appellation of the Great Ameria be seen. On every side the horizon years since the massacre near this phia, Pa. only bounded the view, and not even where the sky kissed the plain did aught but the scanty prairie grass, already burned to brown under the rays of the fast summering sun, lift itself, dotted here and there by innu merable cacti, from mother earth. Save the quickly recurring thud of my horse's hoofs as he loped over

found

the prairie, not a sound was to be heard, and the stillness was pro-

But the silenco and the solitude were not for long. As I was about were not for long. As I was about to seek a place to build a fire and bivouae for the night, suddenly a long training form started from the earth, and a queer rumbling ery 1866—were very troublesome. The earth, and a queer rumbling cry was borne to my ears upon the western wind. Hardly had the sound died upon the air when an intense and remained friendly, had repeattrembling seized my horse, and, with extended nostrils and dislated eye, he begun looking on all sides as if had that season been unable to into find a way of escripe. And now duce Colonel Carrington to hazard a the same strange cry was repeated, general engagement. Numerous skirmishes had taken place, the enormous reptile, half serpent, half Sioux never appearing in any great quadruped, that was now running, now creeping along the earth, with incredible rapidity. Although my limbs almost refused to perform their office for terror, I had turned mechanically to leap on my horse, mechanically to leap on my horse, notwithstanding that I knew that the pace at which the monster was far faster than that of a horse at full gallop, but the beast had broken full gallop, but the beast had broken the Indians expected and desired. \$30 to \$200 A month for Agents have from where I had tigd him They seemed to retreat before Fetand quickly devouring the earth with rapid feet. Not, however, away from the coming danger.

Although destruction stared me in the face, I almost lost conscious ness of my peril in viewing the
