On Friday, another and perhaps the most impor tant measure was courdered in the House. After very long and frequent debates on the subject, the Electoral. The accumulatiop of business, important to be done, has been fearful, and if the Assembly adjourn on Wednesday many matters will be thrown overboard which imperatively demand consideration. To-day, upon joint conference of Committees from each house it was determined to rescind ; the Senate, however, proved refractory and has been, and will be to the

EBENEZER ACADEMY.

T gives the undersigned, Chairman of the Board of Trustees of Ebenezer Academy, unfeigned pleasure to be able to announce to the public, that the present Principal of the Institution, Gen. JOHN A. ALSTON, was, at a late meeting of the Board, unanimously re-elected; and that he has consented to serve in that capacity at least for the ensuing year. Gen. ALSTON'S experience as a teacher, and the unamity with which he was re elected, together with the extended reputation which the Institution has acquired under his surervision, renders it wholly unnecessary that we should say a word as to his qualification's. The exercises of the Institution will be resumed on the FIRST MONDAY IN JANUARY next. The scolastic year is divided into two Sessions of five months each. Tuition, from \$6.00 to \$17.50 F session, according to the studies pursued. Entrance fee, 50 cents.

THE Undersigned has removed his stock of Goods from "Walker's Brick-Building" to the STORE ROOM, in the

recently occupied by Col. W. J. Bowen, where he is offering to the public generally, on the most accommodating terms, a large and varied stock of

Staple and Fancy Dry Goods.

I should do violence to my own feelings were I to withhold the expression of my grateful acknowledgemedts to the citizens of Yorkville and surrounding country, for the handsome support rendered me in my business operations here. I came among you a perfect stranger, and ha been patronized and supported with a liberality beyond my most sanguine expectations. I shall endeavor to requite the obligan by keeping a good stock of the most desirable Goods at

and on the most accommodating terms, and if a strict attention to business, and the most scrupulous adherence to the principles of liberality, honor and integrity can enable me to deserve success and the support of the public, I have faith that this liberal and enlightened community will bear me triumphantly onward.

Please call and examine my present stock of Goods; I design recruiting and keeping it up as good as any assortment in the place-and as to prices, I will promise not to be undersold for more than one day at a time-if I know it.
