ANNOUNCEMENTS.

For Clerk.

We are authorized to announce Capt. H. R. VANDIVER as a candidate for Clerk of the Court at the next election.

The friends of Col. F. A. HOKE announce him a candidate for Clerk of the Court for Anderson District at the next election.

The friends of ELIJAH WEBB, Esq., would announce him as a candidate for Clerk of the Court for Anderson District at the next election.

To the Voters of Anderson District:

"MANY FRIENDS" have announced my name as a candidate for Clerk of the Court at the ensuing election, and it is due to them, as well as to the voters of the District generally, that I should make a response to the announcement. At the close of my last canvass, I stated publicly that I did not expect to be again a candidate, and my purpose remained unshaken until December last, when my situation was in many respects greatly changed—owing to my misfortune, which is known to the District.

I was born and reared in this District, and am, perhaps, the oldest citizen of this town—have always resided here, and hope that my bones may repose in her soil. I have received many favors from my fellow-citizens, and have tried to discharge the trust they have so long reposed in me with courtesy, zeal and strict fidelity. My past services and performance in the office is the best guarantee I can offer the District for a faithful discharge of its duties in the future. Many voters, therefore, and my friends generally, are authorized to use my name as a candidate for re-election.

ELIJAH WEBB.

EXECUTIVE DEPARTMENT.

WHEREAS Electors of President and Vice President of the United States are appointed by the General Assembly of South Carolina; and whereas an Act of Congress, passed in 1846, fixed the time when these Electors shall be appointed on a day when the Legislature of this State is not in regular session. In consequence thereof, I, WILLIAM H. GIST, in the exercise of the authority conferred by the Constitution to convene the Legislature on extraordinary occasions, do issue this proclamation, calling upon those Senators of the General Assembly whose terms of office have not expired, and those who have been recently elected, and the members of the House of Representatives who have been recently elected, to convene at Columbia on the FIRST MONDAY in NOVEMBER NEXT, that they may be present on the Tuesday following, to appoint Electors of President and Vice President, in conformity to the Act of Congress above referred to; and also that they may, if advisable, take action for the safety and protection of the State.

Given under my hand and the seal of the State, at Columbia, on the twelfth day of October, in the year of our Lord one thousand eight hundred and sixty.

HEAD-QUARTERS.
UNION C. H., S. C., October 6, 1860.

GENERAL ORDERS No. —

GENERALS of Brigades respectively are required by law annually to make and transmit to the Adjutant and Inspector General, by the first day of October, a complete report of the strength of his Brigade, and the public arms, &c., in its possession.

Generals of Brigades, who have failed to comply with this law, are hereby required to make such report by the first day of November proximo.

Generals of Brigades are, by law, responsible for the organization and discipline of their respective Brigades, and it is incumbent upon each one of them to require their Colonels to discharge their duties; therefore, no incomplete report will be accepted from a General of Brigade, unless it is accompanied with a statement that each defaulting Colonel has been arrested, and has been or will be court-martialed.

It is at all times of consequence that the Commander-in-Chief and the Legislature shall have information in reference to the militia of the State; it may be of vast importance that the next Legislature have information as to the exact strength and condition of each Regiment and Corps in the State. It is therefore, hoped that each General of Brigade will use his utmost effort to procure the information so much desired. By order:

R. G. M. DUNONANT,
Adjutant and Inspector-General.

PARMENTER & CAMPBELL'S
SEWING MACHINES.
(BOOTH'S PATENT.)

THE subscribers call the attention of the public to the above Sewing Machines. These machines are reliable, simple, cheap and durable, and well adapted to sewing different kinds of cloth—from the finest fabric to the coarsest plantation goods. It is wonderful the amount of labor they save. Ladies who have tried them, are completely fascinated with the rapidity and neatness with which their work is done. These Machines, now offered to the public of Anderson and Pickens Districts by the undersigned, through their regular agent, Mr. John Hammond, are thought to be superior to anything of the kind yet offered in this market, when you take into account the price, the simplicity of their machinery, and the ease of learning to use them. The learning to sew is often difficult, but on these machines it is thought to be less so than on any machine the subscribers have seen. Price of Machine, \$50.00; Hemmer, \$5.00. The Machine may be taken either with or without the Hemmer, as the purchaser may desire.

For further particulars apply to the subscribers, or agent, at Anderson C. H., S. C.

The Conservatist,
A WEEKLY JOURNAL.

DEVOTED to the best interests of the Southern States of the American Union, conservative in Politics and Religion, a disseminator of General Intelligence, and an earnest advocate in the cause of Literature, Art and Agriculture, is published at \$2 a year, in advance.

Every Tuesday Morning in
NEWBERRY, S. C.,
JAMES D. NANCE & CO.,
PROPRIETORS,
JAMES D. NANCE,
EDITOR.

Newberry District being one of the richest Cotton Districts in South Carolina, her people are large consumers of every kind of merchandise. The CONSERVATIST, therefore, furnishes one of the best mediums in the State for advertisers, so far as Newberry District is concerned, while it enjoys a fair circulation in the surrounding Districts. The terms for inserting advertisements are certainly as reasonable as those of any other journal in the country, especially when it is desired to advertise by contract.

The CONSERVATIST numbers among its contributors gentlemen of the first talent and soundest political faith. With their assistance, the editor will endeavor to make his journal an acceptable and ever welcome family newspaper and fire-side companion.

The political character of the paper is of the strongest States Rights stamp. Believing that the Constitution under which the Confederacy of the American States was formed, has been repeatedly and grossly violated, and that "the Plantation States" have been the only sufferers—the Union of these States is no longer a policy founded on the principles of right and justice, but that the bond of Union is "the cohesive power of public plunder"—the proprietors prefer that their journal shall rather seem to be a Southern Extremist than appear an unconditional advocate of the Union at any price.

TERMS.—The paper will be regularly mailed to subscribers out of the town of Newberry at the following reasonable rates of subscription:

One copy, per year, \$2.00
Three copies, - - - - - 5.00
Five copies, - - - - - 8.00
Ten copies, - - - - - 15.00
Twenty copies, - - - - - 25.00

The money upon these terms always to be paid in advance.

No paper will be discontinued until all arrearages are paid, and no paper mailed until the subscription price is received; unless at the option of the proprietors, when the circumstances call for a different course.

All business communications should be addressed to the "Conservatist, Newberry, S. C." Communications intended for publication should be addressed to the "Editor of the Conservatist."

OF SOUTH CAROLINA,
TO BE HELD AT COLUMBIA,
On the 13th, 14th, 15th and 16th Nov., 1860.

THE EXECUTIVE COMMITTEE of the State Agricultural Society of South Carolina respectfully call the attention of the citizens of South Carolina, and the Southern States, to their approaching Exhibition.

Premiums will be awarded for all articles of Agricultural, Horticultural, Pomological and Mechanical interest, as well as for all articles of Ladies' Fancy Work and Domestic Economy, embraced in a very comprehensive Premium List, which can be obtained by application to R. J. GAGE, Secretary of the Society, at Fair Forest, S. C., or to R. M. STOKES, Columbia, S. C.

The benefits to the State, arising from these Annual Exhibitions, are beginning to be recognized by almost everybody, and the Committee feels confident in assuring Visitors that they will be fully repaid for their investment.

All articles intended exclusively for Exhibition, will be passed over the usual rules, and admitted upon the same terms as at former Exhibitions.

Exhibitors will please give notice in due season to the Railroad officers, of the number, the kind of animals, the point of shipment, &c.

THE HERALD is devoted to Politics, Science and General Intelligence. Without any party-restraints, and free from individual control, it is to be Independent in all things—neutral in none, and with this motto, we hope so to conduct our columns as will best encourage and foster the good, while we shall condemn and reprove the evil. Nor shall we neglect the family circle. It is our purpose to make the HERALD a welcome visitor, and full of wholesome reading for the old and the young, the lady and the gentleman. In these attempts we shall need the assistance of the ladies, and we ask them now to give us a word, suited to sex and circumstances.

As an advertising medium, we present the HERALD to the public, as enjoying equal facilities with our country cotemporaries.
