Arrival of the *Monoka*.

Gold 144 7-8.

By the arrival of the steamship *Monoka* from
New York, which port she left on Wednesday, Sept.
7th, we have five days later news. We are indebted
to the courtesy of her Purser for the files of
New York papers, from which we make the following
summary of news:

THE NEWS.

New York, September 7.

The New York State Democratic Convention as-
sembled in Albany yesterday, and transacted con-
siderable business, but did not reach the adoption
of a platform or the nominations of candidates,
which matters will be disposed of to-day, when
another session is to be held. The Tammany
delegation were admitted and recognized in a
resolution adopted as the only proper representa-
tives of the Democracy of this city. The contest
among the Kings county Democrats was disposed
of by admitting the delegates representing what
is known as the Citizens' Committee, headed by
Tunis G. Bergen. The greatest harmony prevailed
in the convention. Though the platform resolu-
tions have not yet been presented, it is understood
that they will endorse President Johnson and his
reconstruction policy, maintain the Monroe doc-
trine and State sovereignty, and denounce mili-
tary rule in the State, military arrests and trials,
and negro suffrage. It is said that Major-General
Slocum, now commanding in Mississippi, will be
nominated for Secretary of State, and Judge Allen
is thought to stand the best chance for the Attor-
ney-General candidacy.

Advices from Brownsville, Texas, to the 26th of
August report the arrival at Vera Cruz of the re-
bel General Escambray. An imperial wagon train
from Monterey for Matamoros was attacked and
driven back by the republicans, and reinforcements
sent from the latter place for the imperialists were
routed by Cortinas' men. In the fighting a man
who was a Colonel in the late rebel army was killed.
A large force is being recruited along the
border by the Mexican republicans. It is said
that a ball recently given by United States offi-
cers at Brownsville to the imperial officers sta-
tioned on the opposite side of the Rio Grande,
General Steele, and the Emperor Maximilian.
Notwithstanding the recent matters out of scope,
Gen. Sherman has still a large force in Texas.

The result of the examination of the affairs of
the Virginia Banks, by the commissioners appointed
for the purpose by Government report, shows a
lamentable condition of those institutions. Their
resources consist of some cases of millions of Con-
federate Bonds, and only a few thousand dollars
in specie. An important report on the subject
will shortly be issued.

A negro mass meeting—a strange and signifi-
cant feature in Alabama politics—was held at
Huntsville, Alabama, August 23. About two thou-
sand former slaves were present. They were ad-
dressed by General Fisk, of the Freedmen's Bu-
reau, who told them that whatever was detrimental
to the black man was detrimental alike to the
white man. He had hoped to be able to lease
some abandoned plantations to them; but as Presi-
dent Johnson, he believed, "was going to pardon
all the rebels," their prospects were not so good
in this respect as they had been. He advised them
to live morally, to work on shares, and to dis-
miss their minds of the notion that their old masters'
estates were going to be cut up amongst them.
He told them that they should have justice and
fair play, but otherwise they must "work out their
own salvation." The conduct of the assemblage
is stated to have been unexceptionable, and the
General's speech produced a good effect on all
present.

The Cunard steamship *Scotia* arrived at this
port yesterday, with two days later news from
Europe.

The political intelligence is singularly destitute
of interest.

The Austrian and Prussian Convention still
caused commotion among continental politicians,
and a minor stir had been raised by the assassi-
nation of a servant of Prince Arthur of England,
by Count Eulenburg, nephew of a Prussian Min-
ister.

In China stirring events were in progress. The
demand made by the United States Minister for
the surrender of the American citizen, Burgweine,
arrested by the Imperialists, had been refused, and
it was feared a rupture between this country and

China would be the result. Two telegrams, of a
strangely contradictory character, announced at
one and the same time that the Taping rebellion
is at an end, and that the rebels have captured
Taeping, the capital of the country.

American five-twenties remained nearly station-
ary in London at 87 1/2 @ 89. British consols were
quoted at 89 1/2 @ 89 1/2.

From Washington.
The Herald's Washington special, dated Septem-
ber 6th, has the following:

THE WIRE TRIAL—EFFECT OF THE EVIDENCE UPON
THE ACCUSED.

The revolting character of the evidence now be-
ing deduced in the wire trial, in support of the
prosecution, is said to be wearing heavily upon the
mind of the accused, and torturing him with the
most fearful apprehensions as to the decision of
the commission hearing the case. Some people
who are watching the demeanor of the prisoner
closely, give the opinion that, should he continue to
be a prey to the fearful doubts that now beset
him, he will not survive another month. So far
about forty witnesses have been examined in this
case. The record makes eleven or twelve hundred
foolscap pages of testimony. At the rate testi-
mony was taken to-day four or five days more will
suffice to close the case for the Government. The
prisoner continues to occupy a place at the table
with his counsel, and in writing and making sug-
gestions to them as to the cross examination.

IMPORTANT NO BANKING INSTITUTIONS.
The Currency Bureau has recently made an
important decision in regard to banking institu-
tions, an imperfect statement of which has been
already published. Its purport is that although a
bank might be permitted to organize without cir-
culation, by waiving their claim to it, yet the law
requires all banks to deposit at least one-third of
the amount of their capital in United States bonds,
and this requirement can in no case be dispensed
with. Although the privilege of circulation may be
waived, the deposit, as above stated, must be
made.

THE SPREADING OF THE CHOLERA.
The State Department is in receipt of advices
from the United States Consul stationed at Paler-
mo, dated August 14. He speaks of the serious
spread of the cholera at Ancona, Italy, where
some eight hundred persons have died. Isolated
cases have occurred in other towns of Italy, Spain
and France.

PARDONS.
Several pardons were granted by the President
to-day, and among them were those of Mrs. Bar-
nard, of Huntsville, Alabama, and ex-Governor
Brown, of Georgia.

The Herald's special from same place, dated 5th,
says:

THE INVITATION TO THE PRESIDENT AND HIS CABINET
TO VISIT RICHMOND.

Charles Palmer, of Richmond, who was to invite
the President and Cabinet to visit that city, ar-
rived here on Saturday. He has been most cordially
received, and to-day at noon, by special invitation,
was presented by Mr. Seward to the Cabinet—a
compliment due to Mr. Palmer, who, during the
war, was imprisoned with Mr. Botts for his devo-
tion to the Union. The President and the Cabinet
expressed to Mr. Palmer the hope to be able to
accept the invitation of the people of Richmond as
soon as the weather and business would permit.

CABINET MEETING.
The Cabinet meeting was prolonged to an
unusual hour to-day. All the members were in at-
tendance till half-past four excepting Mr. Stanton,
and he was represented by Major Eckert, Assis-
tant Secretary of War. It was nearly five o'clock
before they all departed from the White House.

INTERNAL REVENUE DECISION.
When the Commissioner of Internal Revenue
made decision No. 140 the five-twenty bonds issued
under act of June 30, 1864, had not been put into
the market; but he now rules that said bonds
should be included in the list of United States
securities to be deducted from bank capital under
the section of the Revenue law.

APPLICATION FOR PARDON.
Francis W. Pickens, of South Carolina, who
boasted some years ago of having been born in-
sensible to fear, is among the recent applicants
for pardon. Can the leopard change his spots?

THE JUDICIAL OFFICERS OF ALABAMA AND THE
FREEDMEN'S BUREAU.
General Swayne, of the Department of Alabama,
having recently issued a general order inviting
the judicial officers and magistrates of that State
to become agents of the Freedmen's Bureau for
the administration of justice in all difficulties aris-
ing between negroes, or between whites and ne-
groes, and having admonished such officials that
failure to accept the agency for the purpose desig-
nated would be followed by substitution of mar-
tial law in the district where such failures occur-
red, Provisional Governor Parsons earnestly advises
all judicial officers and magistrates to accept the
appointment offered as above, and in good faith
do justice and observe the instructions contained
in the order of General Swayne.

THE SOUTHERN RAILROADS.
Major-General J. D. Wobster, late chief of staff
to General Sherman, returned this evening from
an extended tour of inspection of Southern railroads,
and states that he found them in rather better
condition than was expected under the circum-
stances. None are in really good condition. All
of them will be in operation in a few months, but
they will be compelled to adopt a low schedule of
time at first.

Bureau of Refugees and Freedmen.
IMPORTANT CIRCULAR FROM GENERAL HOWARD—
RULES AND REGULATIONS ADOPTED RELATIVE TO
ABANDONED LANDS IN POSSESSION OF THE GOV-
ERNMENT, ETC.
CIRCULAR No. 15.

WAR DEPARTMENT,
BUREAU OF REFUGEES, FREEDMEN
AND ABANDONED LANDS.
WASHINGTON, D. C., Sept. 4, 1865.

Circular No. 13, of July 28, 1865, from this Bu-
reau, is hereby rescinded, and the following rules
and regulations are adopted for the purpose of
establishing a definite and uniform policy relative
to abandoned lands, or real property and lands, or
real property to which the United States shall
have acquired title by conquest or sale, or oth-
erwise, which now or may hereafter come under
the control of this Bureau by virtue of the act of
Congress approved March 3, 1865, establishing and
by orders of the President, to wit: General Or-
ders No. 110, War Department, June 7, 1865.

Abandoned lands referred to in the law and
regulations governing this Bureau are defined, ac-
cording to section two of an act, approved July 2,
1864, as follows, viz: "Property, real or personal,
shall be regarded as abandoned when the lawful
owner thereof shall be voluntarily absent there-
from and engaged either in arms or otherwise
in aiding or encouraging the rebellion."

Second—Property will not be regarded as con-
fiscated until after the decree of the United States

Court for the district in which the property may
be found has been made, by which the property is
condemned as enemy's property, and becomes the
property of the United States.

Third—All abandoned land or real property and
all land and real property to which the United
States shall have acquired title by conquest or
sale or otherwise, that now is or may hereafter
come under the control of the Bureau of Refugees,
Freedmen and Abandoned Lands by virtue of said
Act and order of the President is and shall be set
apart for use of loyal refugees and freedmen, and
as provided in section fourth of the Act estab-
lishing the bureau, viz: "To every male citizen,
whether refugee or freedman, as aforesaid, there
shall be assigned not more than forty acres
of such land, and the person to whom it is so
assigned shall be protected in the use and enjoy-
ment of the land for the term of three years,
at an annual rent not exceeding 6 per centum
upon the value of said land as it was appraised
by the State authorities in the year 1860, for the
purpose of taxation, and in case no such apprais-
al can be found then the value shall be based upon
the estimated value of the land in said year, to be
ascertained in such manner as the commissioners
may by regulation prescribe. At the end of said
term, or any time during said term, the occupants
of any parcels so assigned may purchase the land
and receive such title thereto as the United States
can convey, upon paying therefor the value of the
land as ascertained and fixed for the purpose of
determining the annual rent aforesaid."

Fourth—All lands or other real property within
the several States, viz: Virginia, North Carolina,
South Carolina, Georgia, Florida, Alabama, Mis-
sissippi, Tennessee, Kentucky, Missouri, Maryland,
Arkansas, Louisiana and Texas, to which the
United States has acquired title by conquest or
by confiscation or sale, or other abandoned real
property, in those States, provided said property,
whether confiscated or abandoned, remaining un-
sold or otherwise disposed of, shall have been
properly transferred to the Bureau upon requisition
of the Commissioner or Assistant Commis-
sioner, shall be considered such as are under the
control of the Commissioner of Refugees, Freedmen
and Abandoned Lands, for the purpose hereinaf-
ter set forth, and for the time authorized by the
act establishing the Bureau; and no part or parcel
of said confiscated or abandoned property shall be
surrendered or restored to the former owners or
other claimants, except such surrender or restora-
tion be authorized by said Commissioner.

Fifth—Assistant commissioners will as rapidly
as possible cause accurate descriptions of all con-
fiscated and abandoned lands, and other confis-
cated and abandoned real property, that is now or
may hereafter come under their control, to be
made, and, besides keeping records of such prop-
erty, will forward monthly to the Commissioner
of the Bureau copies of such descriptions, in the
manner prescribed by Circular No. 10, of July 11,
1865, from this Bureau. They will, with as little
delay as possible, select and set apart such con-
fiscated and abandoned lands and property as may
be deemed necessary for the immediate use of
refugees and freedmen, the specific division of
which into lots and the rental or sale thereof, ac-
cording to the law establishing the Bureau, will be
completed as soon as practicable, and reported to
the Commissioner. In the selection and setting
apart of such lands and property care will be used
to take into account, where there is any doubt
that this Bureau should have custody and con-
trol of.

Sixth—Whenever any land, or other real property
that shall come into the possession of this Bureau
as "abandoned," does not fall under the definition
of "abandoned," as set forth in section 2 of the
act of Congress approved July 2, 1864, hereinaf-
ter mentioned, it will be formally surrendered by
the Assistant Commissioner of the Bureau for the
State within which such real estate is situated,
upon its appearing that the claimant did not
abandon the property in the sense defined in said
section 2.

Seventh—Former owners of property held by
this Bureau as abandoned, who claim its restora-
tion on the ground of having received the pardon
of the President, will, as far as practicable, for-
ward their applications to the Commissioner of
the Bureau, through the superintendents and as-
sistant commissioners of the districts and States
in which the property is situated. Each applica-
tion must be accompanied by: 1st. A copy of
special pardon of the President of the United
States, or of the oath under his amnesty
proclamation when they are not embraced in
any of the exceptions therein enumerated. 2d.
Proof of title. 3d. Evidence that the property has
not been confiscated or labelled in any United
States court, or, if labelled, that proceedings
against it have been discontinued. Officers of the
bureau through whose hands such applications
may pass will endorse thereon such facts as may
assist the Commissioner in his decision, stating
especially the use to which the property is put by
the Bureau.

Approved September 4, 1865.

President of the United States.
