

Easing the South Up.

Some days ago we published the announcement that orders had been issued for the mustering out of service of all the negro troops in North Carolina, who had been enlisted in the Northern States.

There could be no consistent distinction upon this subject in favor of any particular State under a provisional government, nor is it probable that the President is disposed to discriminate in favor of any one.

THE HOLY LAND.—There is an interesting movement now being made in England for the more thorough survey and exploration of Palestine.

AN ARABIAN'S NOTION OF RELIGION.—"What will you do on coming into God's presence for judgment after so graceless a life?" said I one day to a spirited young Sherar, whose long, matted locks, and some pretensions to dandyism—for the desert has its dandies too—amid all his ragged accoutrements, accorded very well with his conversation, which was by no means of the "most edifying description."

It is very doubtful if Mr. Henry Wirz lives to learn the result of his trial. His nervous system seems to be utterly destroyed.

THE NEW YORK DAILY AND WEEKLY NEWS, TO THE PUBLIC.

THE NEW YORK NEWS HAS BATTLED AGAINST despotism for four years of blood and terror in assertion of the sanctity of the Constitution. A patriotism sufficiently broad to embrace both sections has been its only guide, and it refers now with honest pride to its record to show that it has not turned to the right or to the left under all the violence of arbitrary power.

As a true and tried exponent of sectional animosity it has been the champion of the doctrine of the right of secession, according to the interpretation of the strict constructionists, it presents a rallying ground for all, in both sections, who are friends of a generous conservatism.

At a time and tried exponent of sectional animosity it has been the champion of the doctrine of the right of secession, according to the interpretation of the strict constructionists, it presents a rallying ground for all, in both sections, who are friends of a generous conservatism.

The circumstances of the moment make the dissemination of the principles of The News a duty of individual patriotism. As an insurrectionary agent, devoted to freedom of election, to trial by jury, to the sanctity of the habeas corpus, and opposed now, as for four years of terror it has been, to the centralization that dares to trample on the rights of States, North or South, THE NEWS places its life as a stake for support before the great body of this once free people.

HELMBOLD'S FLUID EXTRACT BUCHU,

FOR WEAKNESS ARISING FROM INDISCRETION. The exhausted power of Nature which are accompanied by so many alarming symptoms, among which will be found, Indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, or Forebodings of Evil; in fact, Universal Lassitude, Prostration, and inability to enter into the enjoyment of society.

The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

HELMBOLD'S FLUID EXTRACT BUCHU. In affections peculiar to "FEMALES," is unequalled by any other preparation, as in Chlorosis or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Scirrhous State of the Uterus; and all complaints incident to the sex, whether arising from habits of dissipation, imprudence in, or the decline or change in life.

HELMBOLD'S FLUID EXTRACT BUCHU AND IMPROVED ROSE WASH.

Will radically exterminate from the system Diseases arising from Habits of Dissipation at little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Copavaic and Mercury, in all these diseases.

USE HELMBOLD'S FLUID EXTRACT BUCHU. In all Diseases of these organs, whether existing in "Males" or "Females," from whatever cause originating, and no matter how long standing, it is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

These suffering from Broken down or Delicate Constitutions, procure the remedy at once. The reader must be aware that however slight may be the attack of the above diseases, it is certain to affect his Bodily Health, Mental Powers, and Happiness.

All the above diseases require the aid of a diuretic. HELMBOLD'S EXTRACT BUCHU Is the Great Diuretic.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA.

For purifying the blood, removing all chronic constitutions, and giving an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulceration of the Throat and Legs, Blisters, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin.

AND BEAUTIFYING THE COMPLEXION. Not a few of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purify it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonfuls of the Extract of SARSAPARILLA added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of SARSAPARILLA, or the decoction as usually made. "THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and are also in very general use in all the State HOSPITALS and PUBLIC SANITARY INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.
