

LOCAL MATTERS.

AT AN ELECTION held yesterday for Governor, Lieutenant-Governor, Senators and Representatives, for this State, the following returns are made:

Table with columns for candidates and votes. Includes Governor (James L. Orr, W. D. Porter), Lt. Governor (V. D. Porter), Senators (Henry Bullitt, W. S. Honeoy, H. D. Lescome), Representatives (J. A. Wagener, F. Melchers, C. H. Simonson, etc.), and the Twelfth Twenty-ninth Assembly.

WE LEARN THAT General HOWARD and General SEXTON had an interview with his Honor the Mayor at the Hope Fire Engine Company's building, which is at present the City Headquarters, last evening, and that addresses were delivered by General HOWARD and the Mayor.

MA. GEORGE H. STEIN is the special agent of the Weekly Record for the States of South and North Carolina. We bespeak for this gentleman a kindly reception by the citizens of the sections he may visit.

THE FAMILIAR name of R. M. BUTLER in our advertising columns, under the head of Flour, Sugar and Bacon, also Exchange, will be recognized as one of our old merchants, whose dealers in groceries will find every accommodation.

REAL ESTATE ADVANCING.—The small two story dwelling, No. 33 St. Philip-street, on west side near Calhoun, was sold at auction by McKAY & CAMPBELL yesterday for \$2300.

BOOTS, SHOES, LARD, &c., ON CONSIGNMENT, will be found for sale low, on application to D. F. FLEMING & Co., No. 2 Hayne-street.

WE WOULD call the attention of planters and those concerned to the card of Mr. R. Q. PINCKNEY, who will give special attention to the sale, hiring, or leasing of plantations, lands and houses.

ATKINS, NOYES & JOHNSON, one of the largest Importing and Jobbing houses in the city, advertise a large assortment of seasonable Dry Goods of superior quality, and a complete stock of Fancy Goods, to which they invite the trade.

TO BUTCHERS AND THE PUBLIC IN GENERAL.—As fine a lot of cows, calves and beef cattle as was ever offered for sale in this market, may be found at the Four Mile House on Friday afternoon, and for two or three days thereafter.

THE LOVERS OF EQUESTRIAN PERFORMANCES will learn by a display advertisement that STONE, ROSSON & MURRAY's celebrated Excelsior Troupe of the World will shortly appear before the public of this city, at the Citadel Square.

PHENIX-LIKE, our enterprising friend, W. H. CHAFFE, whose large and valuable stock of groceries and liquors, at No. 41 Hayne-street, was destroyed by fire on yesterday morning, has resumed business at No. 205 East Bay, opposite the new Custom House, where our country business men will find him ready and willing to supply them.

INSURANCE AGAINST ACCIDENTS.—Yesterday morning we had another melancholy instance of the liability of individuals to accident and death from accidental causes. Those gallant firemen who were either killed or wounded at the Hayne-street fire yesterday little thought, when they left their homes at the sound of the alarm-bell, that they would meet with accident which would deprive their families of their future means of support, either temporarily or forever.

THE rates of insurance charged by this Company are exceedingly moderate. See advertisement in another column. W. B. HENROT & Co., No. 249 King-street, are the Agents of this Company.

THE COMMITTEE to raise volunteer companies in Columbia are making progress. The Phoenix says: The committee appointed to raise the companies for the City of Columbia, respectfully urge the citizens to enroll themselves promptly.

Mr. CHARLES DICKENS is said to have had a sun-stroke in Paris, from which he speedily recovered. A man who has done so much brain-work ought not to have sun-strokes. Mr. DICKENS is fond of Paris, and the weather there has been very warm.

THIS NOT A FABLE.—The immense and universal demand for the Fragrant Sozon, is a marvel in the annals of dentistry. It exceeds that of all other dentifrices combined.

SAFES! SAFES!

Marvin's Combined Alum & Dry Plaster FIRE AND BURGLAR-PROOF SAFES. THE ATTENTION OF MERCHANTS, BANKERS AND JEWELERS, and all others having valuables to protect, is called to this—the only proof against fire, burglar and dampness—in place of others of doubtful character. There are many advantages claimed for this SAFE, which would be useless to enumerate through advertising. Let those who are interested in the purchasing of such an article call and examine, or send for circulars, wherein its merits are truthfully set forth. Many years of use in the leading houses of the country, and the severe tests by fire and burglars to which they have been placed in this city alone, is a sufficient guarantee that they are all that is claimed. Call and examine styles. Agents for Manufacturers, No. 208 East Baystreet, Paint, Oil and Glass House. October 17
