NOTICE TO THE PUBLIC. IN THE YEAR 1846, THE WRITER EMBARKED IN THE DRUG BUSINESS in the city of Philadelphia, and while thus engaged, made several experiments in regard to the medicinal mode of preparing Field Extracts. My efforts being successful—the article being approved and used by the Medical Faculty—I was desirous of placing them before the public, but hesitated for some time before concluding to resort to newspaper advertising, knowing of the prejudices which exist in the minds of many against using advertised Medicines or Nostrums, but through the advice of friends and those who had used them, I decided to do so. After 18 years' exertions, commencing in a small way, the popularity of my articles has extended to all parts of the United States, and widely throughout foreign countries—and this in the face of much opposition. Every means has been resorted to by unprincipled dealers since their merit and success have been known—such as advertising larger bottles at less price, causing all other preparations, and even copying my advertisements—but I am happy to state that out of the many who have resorted to this, none have been successful. MY OBJECT in this notice is to make facts known to the public and respectable dealers, believing, after so many years' exertions, that the Druggists will discountenance such practices, and that the reputation of my articles may not be damaged by the use of inferior or spurious ones. Knowing that many may read this article who are unacquainted with me, I append a few remarks from those of my native city, and whose names are known in all parts of the world: "Being personally acquainted with Mr. H. T. Helmbold, it affords me pleasure in stating I have been most favorably impressed with his energy and integrity, and gratified at his success." Firm of POWERS, WENTZEL, Ninth and Brown-streets, Philadelphia. [Boston Herald.] "We do not like to advertise worthless wares, or articles calculated to deceive our readers; and when we see an advertiser like Mr. Helmbold, whom we have known for years, gradually extend his advertising from year to year, until he becomes the largest advertiser in the United States, we are satisfied that the statements in regard to his articles must be correct."

Helmbold's Extract of Buchu. will cure all diseases of the Kidneys and Bladder. Cure Pain or Weakness in the Back, Strictures, &c.; Cure Weak Nerves, Loss of Memory, Trembling, Dimness Vision. HELMBOLD'S FLUID EXTRACT OF BUCHU is a pure fluid extract, not a weak tea or infusion, the one thing needful for all complaints incident to the males. For particulars send for circular. HELMBOLD'S FLUID EXTRACT BUCHU cures Gravel and Rheumatism, and is the best for Women or Children; in fact, ALL DISEASES requiring the aid of a Diuretic. It is the greatest Tonic and Diuretic known—perfectly safe, pleasant in taste and odor and immediate in its action.

HELMOLD'S Fluid Extract of Sarsaparilla, HIGHLY CONCENTRATED. One bottle equivalent in strength to one gallon of the Syrup of Doan's. It reaches the seat of the disease immediately, expelling all HUMORS OF THE BLOOD, and BEAUTIFYING THE COMPLEXION. These articles, being of such strength, the dose is exceedingly small. From this fact, it is used in the United States Army Hospitals and public Sanitary Institutions throughout the land. Sold by all Druggists everywhere. Ask for Helmbold's. Take no other! Put out the advertisement and send for it, and by this means avoid Counterfeit. 1mo
