BURNING OF THE MUSEUM. LETTER FROM MR. BARNUM. MESSRS. HERRING & CO.—GENTLEMEN: has proved a serious loss to myself and the public, I am happy to verify the old adage, that "It is an ill wind that blows nobody good," and, consequently, congratulate you that your well-known safe has again demonstrated its superior fire-proof qualities in an ordeal of unusual severity. The safe you made for me some time ago was in the office of the Museum, on the second floor, back part of the building, and in the hottest of the fire. After twenty-four hours of trial it was found among its contents in every good order—papers, policies of insurance, bank bills, all in condition for immediate use, and a noble commentary on the trustworthiness of Herring's Fire-Proof Safes. Truly yours, P. T. BARNUM. New York, July 14, 1865.

NOTICE TO THE PUBLIC. IN THE YEAR 1846, THE WRITER EMBARKED IN the DRUG BUSINESS in the city of Philadelphia, and while thus engaged, made several experiments in regard to the most desirable mode of preparing Fluid Extracts. My efforts being successful, the articles being approved and used by the Medical Faculty—I was desirous of placing them before the public, but hesitated for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or Nostrums, but through the advice of friends and those who had used them, this objection was overcome. After 18 years' exertions, commencing in all parts of the United States, and widely throughout foreign countries—and this in the face of much opposition. Every man has been reported to by unprincipled dealers since their merit and success have been known—such as advertising larger bottles at less price, counterfeiting all other preparations, and even copying my advertising matter, but I am happy to state that out of the many who have resorted to this, none have been successful.

MY OBJECT in this notice is to make facts known to the public and respectable dealers, believing, after so many years' exertions, that the Druggists will discountenance such proceedings, and that the use of my articles may not be damaged by the use of inferior or spurious ones. Knowing that many may read this article who are unacquainted with me, I append a few remarks from those of my native city, and whose names are known in all parts of the world: "Being personally acquainted with Mr. H. T. Helmbold, it affords me pleasure in stating I have been most favorably impressed with his energy and integrity, and gratified at his success." Wm. WRIGHTMAN, Firm of Powers & Wrightman, Ninth and Brown-streets, Philadelphia.

[Evening Bulletin, Philadelphia.] "When on a visit to the city of New York, a few days since, I was induced to call on our old friend, Dr. Helmbold, Mr. H. T. Helmbold, Druggist, 694 Broadway, N. Y. His store is a Model—a perfect Gem—the handsomest and most complete I have ever had the pleasure of viewing, and so extensive, being 34 feet front, five stories in height, and over 200 feet deep. It indeed affords us much pleasure to know that he has been so successful, and is ample evidence of the merits of his articles—so in our business experience we were not known to the success of any articles without Merit—advertising merely bringing the name before the people."

[Boston Herald.] "We do not like to advertise worthless wares, or articles calculated to deceive our readers; and when we see an advertiser like Mr. Helmbold, whom we have known for years, gradually extend his advertising from year to year, until he becomes the largest advertiser in the United States, we are satisfied that the statements in regard to his articles must be correct."

The writer reluctantly inserts the above, and would not do so were he not a stranger to many; and conclude by stating the names of his articles, and the diseases for which they have been used by many thousands with complete success. ADVERTISEMENT.] Helmbold's Extract of Buchu. will cure all diseases of the Kidneys and Bladder. Cure Pain or Weakness in the Back, Strictures, &c.; Cure Weak Nerves, Loss of Memory, Trembling, Dimness Vision. HELMBOLD'S FLUID EXTRACT OF BUCHU is a pure extract, not a weak tea or infusion. The only thing needed for all complaints incident to the Urinary System. For particulars send for circular. HELMBOLD'S FLUID EXTRACT BUCHU cures Gravel and Dropsical Swellings existing in Men Women or Children; in fact, ALL DISEASES requiring the aid of a Diuretic. It is the greatest Tonic in the Urinary System—perfectly safe, pleasant in taste and odor and immediate in its action.

HELMBOLD'S Fluid Extract of Sarsaparilla, HIGHLY CONCENTRATED. One bottle equivalent in strength to one gallon of the Syrup of Docton. It reaches the seat of the disease immediately, expelling all HUMORS OF THE BLOOD, and BEAUTIFYING THE COMPLEXION. These articles, being of such strength, the dose is exceedingly small. From this fact, it is used in the United States Army Hospitals and public Sanitary Institutions throughout the land. Sold by all Druggists everywhere. Ask for Helmbold's. Take no other! Cut out the advertisement and send for it, and by the means avoid Counterfeit. 1mo October 9
