Benators sadly. They halted at the same point of they stambied extected and there they remained, discussing the provisions of the section referring to magistrates.

A short time before the adjournment, Mr. Moses, the President pro tem., was requested to leave the Chair, which was taken by Mr. Sullivan.

Resolutions complimentary to Dol. Moses were then offered by Mr. Reid, and were amended so as to be still more complimentary. They were then passed and reported by Mr. Sullivan, He Chairman, who expressed the most fattering sentiments towards the President protess. Ool. Moses replied in a feeling speech.

In the House, a bill to amend the Charter of the Elmore Mukna Insurance Company was read a shird time, having been read three times in the Senate, and passed. A bill to provide for the introduction in evidence of vills made in pursuanne of a power, was read for the first time and referred to the Committee.

A bill to provide for the election of Governor and American Governor received its first reading.

Mr. Lerd introduced a bill to amend an Act entitled as Act to arrand an Act to increase the fees of Sheriffs for dieting prisoners confined in jail, which was read for the first time and referred to the Committee.

Mr. Hanckel introduced a bill to amend an Act of incorporation of the Edisto and Ashley Canal Company.

In conducting the election for Commissioners in Equity, to day, the House decided that the Commissioners for the different districts should all be voted for at the same time. This was done on the supposition that time could be saved; but as each member is thus compelled to keen a list of the offices weant and the candidates, and is obliged of the call of his name to give the names of the candidates and the districts, and as the same time.
