MONEY MARKET.

The World, of December 11, reports:

The World, of December 11, reports:

The money market is easy at seven per cent, for call loans, and business notes are more inquired for since the publication of the Secretary's report. In January Government will disburse about \$19,000,000 in gold coin for interest on bonds. The disbursements for the two years' coupen notes, due December 1, have added largely to the surplus of loanable funds on the market seeking employment in temporary loans.

The gold market has been depressed by the sale of gold certificates, or the new kind of paper currency convertible into specie, and issued by Government. The lowest price of the week was 141½, opening on Monday at 147%, and closing to-day at 149½. The foreign exchange market is firmer, owing to the scarcity of produce and cotton bills. Prime bankers' sixty day sterling bills are held at 100% to 100%, prime commercial at 100, and Southern cotton and produce bills at 108% to 109.

private terms. To Bristol, 400 tons assorted cargo at 20s.

BALTIMORE, December 11.—Coffee.—Bark May Queen arrived to day, from Rio, with 1600 bags. Stock now in first hands about 800 bags. Market is heavy; we have only to report sales of 200 bags ordinary Rio at 18½c, gold, and 50 do, good at 20c.

Figur.—The market was excessively dull to day. There was very little inquiry on Change, and no sales reported. We heard a rumor of several thousand bbls. City Mills, shipping extra, having been sold for export to Brazil, but were unable to trace it satisfactorily. Choice Supers are in rather light supply, and are maintained at \$9; common and mixed brands are unsaleable. Extras of all descriptions are slow of sale, and prices favor buyers; some fair brands have been sold as low as \$9 25, and the choicest shipping will not bring over \$7 75 \omega \$10 per bbl. We repeat quotations, though mainly mominal, viz: Howard street super and cut extra \$8 50 \omega \$9; do. extra \$0 fo \omega \$10; do. family \$12\omega \$10; do. shipping brands extra \$15 on \$10; do. stancer \$5 0 \omega \$0; do. shipping brands extra \$11 50 \omega \$10; do. shipping brands extra \$11 50 \omega \$10; do. shapping brands extra \$11 50 \omega \$10; do. shapping thands extra \$15 on \$10; do. shapping brands extra \$15 on \$10; do. shapping thands extra \$15 on \$10; do. shapping control of the property of the

Conn was in large supply to-day, the offerings reported on 'Change feoting up 46,000 bushels white and 26,000 bushels yellow; the market declined several cents, and induced an active demand. Included in the sales were 25,500 bushels white at 80@81c., 20,000 bushels do. at 83c., and 1500 bushels inferior at 70@78c.—of yellow, 15,000 bushels old and new sold at 76@80c., bulk at 77@78c.; also, 4500 bushels old, fly cut, at 71@72c. per bushel.

Phovisions.—Hogs at the pens here were quite active to-day, selling from \$12.5 to \$14 net; some 1500 head changed hands, and mostly taken by butchers. At Clackmati to-day Hogs further declined: understood about \$10 net, but subsequently reacted ½. Besides the little activity noticed about some of the packing houses, our market is exceedingly dull. There is no demand worthy of remark for any portion of the Hog product. A small lot of new Western Bulk Shoulders were sold on private torms, understood about 13½c. City Lard is offered at 18c., without buyers; small lots from jobbers are quoted at 21c. Bacon is scarcely inquired for; quote now, 20c. Mess Pork \$30@531 % bbl.

Sugam.—We hear of no transactions. 12% cents has been offered and refused for refuning. In the absence

In the absence of sales we repeat provious quotations, viz: For Cuba and English Island, fair to good refining, 13@1314 cents, at no this; do. grocery, 1314@1414 cents, net: prime do., 1444 cents, Porto Rico, grocery, 1344@1444 cents; prime to choice, 1444@15 cents \$\(\text{B}\) for the \$\(\text{B}\) for conts \$\(\text{B}\) th.

SAIT.—With moderate demand from dealers prices remain steady as before quoted, viz: ordinary fine, \$3.75; Ashton's, \$4.25; Ground Alum, \$2.35 \(\text{B}\) sack, and Turk's Island 60 cents \$\(\text{B}\) bushed, in lots from store.
