MONEY MARKET. The World, of December 11, reports:

The World, of December 11, reports:

The money market is easy at seven per cent, for call loans, and busin-ss notes are more inquired for since the policiation of the Secretary's report. In January Government will disburse about \$19,000,000 in gold coin for interest on bonds. The disbursements for the two years' coupon notes, due becember 1, have added largely to the surplus of loanable fands on the market seeking employment in temporary leaus.

The gold market has been depressed by the sale of gold certificates, or the new kind of paper currency convertible into specie, and issued by Government. The lowest price or the week was 144%, otening on Monday at 147%, and closing to-day at 149%. The foreign exchange market is firmer, owing to the scarcity of produce and cotton bills. Prime bankers' sixty day sterling bills are held at 109% to 10%, prime e-mimerial at 109, and Southern cotton and produce hills at 108% to 10%.

BALTIMORE, December 11.—COFFEE.—Bark May Queen arrived to-day, from Rio, with 1600 bags. Stock now in first hands about 8000 bags. Market is heavy; we have only to report sales of 200 bags ordinary Rio at 18 jc., gold, and 50 do, good at 20c.

Floura.—The market was excessively dull to-day. There was very little inquiry off-Change, and no sales reported. We heard a rumor of several thousand bbls. City Mills, shipping extra, having been sold for export to Brazil, but were unable to trace it satisfactorily. Choice Supers are in rather light supply, and are maintained at 89; common and mixed brands are unsalcable. Extras of all descriptions are slow of sale, and prices favor buyers; some fair brands have been soid as low as \$9.25, and the choicest, shipping will not bring over \$9.75 & \$10 per bbl. We repeat quotations, though mainly homical, viz. Howard-street super and cut extra \$8.50 @ \$9, do, extra \$9.50 @ \$10; do, family \$12@ \$13; Ohio super and cut extra \$8.50 & \$9, do, extra \$9.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to fancy brands super \$8.50 & \$10; city Mills, good to \$8.50 & \$10; city Mills,

Cons was in large supply to-day, the offerings reported on 'Change footing up 46,000 bushels white and 26,000 bushels yellow; the market declined several cents, and induced an active demand. Included in the sales were 25,500 bushels white at 80@81c, 29,000 bushels do. at 85c, and 1500 bushels inferior at 70@78c,—of yellow, 15,000 bushels old and new sold at 766 80c, bulk at 776 78c; also, 4000 bushels old, dy cut, at 716 72c, per bushel.

OATS.—1500 bushels inferior at 70@78c,—of yellow, 15,000 bushels old and new sold at 766 80c, bulk at 776 78c; also, 4000 bushels old, dy cut, at 716 72c, per bushel.

OATS.—1500 bushels prime brought 51c, weight.

MoLasses.—Nothing doing except small sales from jobbers, within our range, viz; for Porto Rico, 75c,6c \$1; Cuta Muscovado, 50c 70c.; do. clayed, 45c 50c.; and English Island, 55@5c, per gallom, as to quality.

Frovisiors.—Hogs at the pens here were quite active to-day, selling from \$13.25 to \$14 net; some 1500 head changed hands, and mostly taken by butchets. At Cinclunat to-day Hogs further declined: understood about \$10 net, but subsequently reacted ½. Besides the little activity noticed about some of the packing houses, our market is exceedingly dull. There is no demand worthy of remark for any pertion of the Hog product. A small lot of new Western Bulk Shoulders were sold on private terms, understood about 13½c. Gity Lard is infered at 18c., without buyers; small lots from jobbers are quoted at 21c. Bacon is scarcely inquired for; quote nominally Shoulders, old, at 16c 646 4c.; sides, old and new, 20c. Mess Pork \$306 \$31 \$bbl.

Sugan.—We hear of no transactions. 122 cents has been offered a '1 refused for refining, In the absence of sales were, at previous quotations, viz: For Cuba and English Island, fair to good refining, 13@13¼ cents, 4 nouths; do grocery, 13¼c14 cents, net: prime to choice, 1

BALTIMORE, December 12.—Flour very heavy for common: high grades unchanged. Wheat drooping. Corn dull; white 80 cents; yellow 77@78 cents. Clover seed lower; sales at \$8.12. Provisions dull. Sugars have a downward tendency. Whiskey dull at \$2.31.

WILMINGTON, December 13.—The market is in-active and quiet. Sales to-day of 13 bales Cotton, at the following rates: Low Middling 40c, B Ib; Middling 42c. lb. SPIRCTS TURPENTINE.—Sales of 75 bbls. at 60% 65c. 78
