COLUMBIA, S. C., TUESDAY MORNING, MAY 18, 1875.

VOLUME XI-NUMBER 26

Oh heart, my heart, how strange to yearn no more,
with weighing bitter for thy long-lost

How attange to find thyself at heaven's Where all tears cease

In the fair country where sin enters not, And whose abideth everlasting rest, Think you my sout, your sins shall be And ye be blest?

No more, no more to hunger there for No more to thirst for blessings long

"The face is foul with weeping," but above Thou shalt be satisfied! What shall it be to feel all fair within!
Pure as the angels in the highest
heaven?

To feel no more temptation, and no sin That needs to be forgiven.

No more regining—no more vain regret,
To songing to the down and fall saleep;
Obtiment my heart—how strange when
in the forget.
The way to weep!

Oh light divine, that shineth from His In the fair country that doth need no Ohr hippy soul, be thankful that thy

Roll, golden aup, roll swittly toward the West.

Lawn, happy day, when many wees shall cease;

Come quickly, Lord. Thy people wait the rest.

Of Thine abiding peace. every line of guilt and ugliness that

Uger Gara. At the Detroit

house of correction, a year or to ago, the high white-washed walls of the corridors were furnished with drackets and flower pots, to with brackets and flower pots, to relieved the monotony and take away some of the gloom. One would scarcely think that the hard-looking, wicked men sent there for robbary, burglary, aron and graver crimes, would have cared for the change but they gladly velcomed it. A rose, a generium, or tulip, or pink, seemed to bring liberty and sunstituding that the meaner and to sunshine a little nearer, and to drive the eyil out of their hearts; and it was a strange sight to see hardened! criminals watering and nourishing the tender plants, and watching their daily growth. Two or three months before the brackets were hung np, a prisoner came from one of the Territories—an Would you believe that the little enough. As the days went by the old man lost his obstinacy and gloominess, and he obeyed orders as well and as chearfully as the best man in prison. His face took on a new look, his whole bearing changed and the keeper looked at him and wondered if he could be the man. Greg of four or five menths before. He watched the rose as a mother would watch a child, and it came to be understood that it was his. While some of the

had ever been raised. At noon, the nurse saw that the rose had blossomed, and she whispered in the old man's ear: "Greg, the rose has blossomed—wake up.

He did not move. She felt his cheek and it was cold. Ugly Greg was dead. One hand rested under his gray locks, while the other clasped the flower-pot, and the new-born rose bent down until it almost touched his cold face. His life had gone out just when his weeks of weary watching for a blossom were to be repaid; but the rose tree's mission was accom-

STAY WHERE YOU ARE. One of the greatest drawbacks to Southern prosperity is the restive, roving and unsettled spirit of the people; each one imagines that there is an El Dorado somewhere, or that some section is more prosperous than his own, and there he may accomplish almost anything. The idea unsettles him, and if he does not "pull up" and migrate at once, he is forever thinking about it, and neglects to improve his present home and farm. This delusion has been wide spread since the war, and much individual disaster has been the result. The curse of Reuben seems to reat upon the result. the greatest drawbacks to Southern old, sullen looking, bad-tempered up" and migrate at once, he is forman, convicted of robbing the ever thinking about it, and neglects to improve his present home and farm. This delusion has been wide as short for Gregory, and it wasn't farm. This delusion has been wide long before they made it "Ugly Green". He was ugly. He refused to work, cared nothing for rules to rest upon the recent to rest upon the people. That ter-rible "Texas fever," which so raged and regulations, and twenty-eight to rest upon the people. That ter-days out of his first month were spent in the "solitary" for bad be-havior. He was expostulated with, threatened and purished, but he excellent farms and farmers. It is a had a will as hard as iron. He hadn't a triend in the prison, and the knowledge of it seemed to make him more ugly and desperate. When the brackets were hung up there was one to spare, and it was placed near the door of the door of the was and it was placed near the door of the upon the state of one's mind," "Rolling the wonderful nature of the cures effectation and it was placed near the door of the upon the state of one's mind," "Rolling the wonderful nature of the cures effectation and it was placed near the door of the upon the state of one's mind," and the wonderful nature of the cures effectation and it was placed near the door of the upon the state of one's mind," and the wonderful nature of the cures effectation and it was placed near the door of the waters of Glenn springs need no other testimonial than the wonderful nature of the cures effectation and it was placed near the door of the waters of Glenn springs need no other testimonial than the wonderful nature of the cures effectation and it was placed near the door of the waters of Glenn springs need no other testimonial than the wonderful nature of the cures effectation. Ugly Greg's cell until another spot could be found. No one had any hope that the old man's heart could be found in any heart could be found. No one had any in the hope of bettering the condition, often ends in bitter discusses, are long and favorably known to the public. be softened, and some said that he would dash the flower-pot to the flower-pot to the flower-pot to the short, his face expressed surprise at high, of the little green rose-bud so close to the door of his cell. He southed it carrefully pleased it bear of the little green rose-bud bottom, drive door of his cell. scented it, carefully placed it back, and it was noticed that the hard lines melted out of his face for a time. No one said anything to him but the hext morning, before he went to work, he carefully old worn-out homestead he had watered the rose, and his eyes lost sold, and found it blooming like a something of their sullen look. ings, renew the out buildings, rose bush proved more powerful that all the arguments and threats few dollars in white paint, and of the keepers? It did, strangely give the premises an air of cheergive the premises an air of cheer-fulness. Cultivate less ground and make it richer every year. Make plenty to eat, and some to sell, and let your cotion crop be clear profit Plant fruit trees, have your rye, oats, barley, wheat and clover patches, fine horses, fat cows, and rich butter. Give your wives and daughters flower gardens, and as-sist them in collecting a good assortment of roots and cuttings. Do these simple things, and our word for it, your homes will take other fowers died from want of cate, the rose treegree and thrived and made the old man prond. an admiring nation, those eminent makes fish bite better. Seth Green, war statesmen and apostles of who knows a great deal about fish, who knows a great deal about fish, and apostles of who knows a great deal about fish, and apostles of who knows a great deal about fish, and apostles of who knows a great deal about fish, and are some Branch and Blue Ridge. their habits, thinks they cannot hear. He once had a band of music to range themselves around a tank of fish, and at a given signal blow their loudest blast, but not a fish Arrive Belton stirred. They are, however, very sensitive to jurs, and a slight tap on the bottom of a tank made the fish dart off like a flash.

The report that Gen. Spinner, the retired Treasurer, had determined to devote the remainder of his life to learning how to write his Arrive Abbeville. name legibly, must have been a ca-nard. He says in a letter to Seth of the finny tribe, and not caring a cent how much the hook lacerates Arrive their gills, is good enough for a picture-book.

"Among the incidents of yesterday," says a Memphis paper of the lumbia, Monday, Wednesday and Friday; and with Dewn Passenger Train from 10th, "was an accidental meeting in the public streets of Mrs. Jeff. Davis and Vice-President Wilson. Having been acquainted in years gone by, when Mrs. Davis resided at Washington, their mutual recognition was Instant and cordial, and the two clasped hands with friendly ardor, after which the party went to an ice cream saloon, to discuss strawberries and ice and the memories of the past."

NAUTICAL PROBLEM.—Suppose the self in a gale of wind, off a lee shore, amid breakers, with engines promptly)-Beecher.

Twenty-three car-loads of oysters arrived in San Francisco, the other day, from the East. The oysters were to be planted in San Francisco bay, to supply the citizens with the luxury. Several ineffectual attempts have been made to start oyster-beds there. Most of the oysters used come from the Atlantic coast.

An Englishman at Passy, France, wished to experience the sensation of hanging, but seems to have gone a little too far, and did not recover. Apropos of this experiment, a man in Paris, sentenced to the guillotine, offers his place to any person having a curiosity to experience the feeling of decapitation.

Great excitement in a rich family at the disappearance of a gold snuff-box, richly set with brilliants; and equal satisfaction when young gentleman of six acknowledged he had utilized it as a coffin and buried it with his pet canary in the yard.
