LEE AND GRANT FIGHTING DAILY!

Rumored French Recognition!

YANKEES UNEASY ABOUT A FOREIGN WAR.

DANVILLE, April 9.—Gen. Lee has moved to the vicinity of Farmville, followed by Grant—fighting daily. There was heavy fighting on Thursday; no particulars. The enemy have established a hospital at the Junction, where there is a large number of their wounded. Their loss was very heavy in the late fights. They are not approaching this way on the line of the Richmond and Danville Railroad, communication being still open to Keysville.

A wounded soldier, who escaped from the enemy, says they are uneasy about a foreign war. It is reported that a courier from the army brings news that the New York *Herald* says Emperor Napoleon recognized this Government on the 5th of March.

A column of cavalry is reported at Henry Court House, thirty-eight miles from Danville; probably Stoneman. A skirmish took place near there on Saturday, without results.

A column of the enemy is reported near Lynchburg.

Persons coming from Richmond confirm the burning; and say the enemy treated the blacks harshly.

To the Friends of Soldiers in General J. E. Johnston's Army.—A regular postmaster having been appointed to serve in this army, the better to facilitate the delivery of mails, parties writing to officers or soldiers of this command will be particular to give us address, the company, regiment, brigade or staff on which they may be serving, and say "Johnston's Army" as destination.
