**The Southern Members to be Re-elected.**  
WASHINGTON, November 28.—Those who have thought that Mr. Colfax spoke in consistency with the views of the President will be satisfied from the telegram hence to the New York Times, to the effect that upon an interview between these persons on Saturday last, they differed, though it is not likely in an ill-tempered way.  
A few additional members of Congress arrived here to-day, including Senator Trumbull, of Illinois. No delay from factional movement in the organization of the House is anticipated. Instead of extraordinary exciting and turbulent times which have been predicted, the present indications are in the opposite direction. It is considered that there is nothing in the political aspect which cannot be reconciled, both to the satisfaction of the President and of Congress. The prospect, therefore, is that the House will be organized on Monday, and the President's message and the accompanying reports of the heads of the Departments be communicated to Congress on Tuesday.  
Mr. Colfax for Speaker and Mr. McPherson for Clerk, seem to have the entire field to themselves thus far for re-election. No one here, so far as can be ascertained, believes that any of the members elect from the insurrectionary States, with the exception, perhaps, of those from Tennessee and Arkansas, will be permitted to take part in the organization of the House.

The Chattanooga Gazette says the Freedmen's Bureau in Mowry county, a few days since, arrested a negro and commanded him to marry a certain negro woman. The man refused to do so, whereupon he was inhumanly tied up by the thumbs and forced to submit to the celebration of the marriage rites.

The papers of Wilmington, N. C., complain of a want of shipping facilities between that point and Northern ports. And justly, too, do they complain, as it is a well known fact that the regular shipping facilities are entirely inadequate to carry to other ports the produce that is regularly received for shipment.

It is reported from Washington that the Hon. Charles Sumner has written a letter earnestly endorsing Mr. Colfax's recent speech. So has the "Richmond Union League," according to the Tribune.

The estimates for the next fiscal year of the War Department are \$23,000,000. The appropriation of last year, which was very large, will be absorbed by the close of the fiscal year.
