

MISCELLANY.

BEANS.—The Boston mission at the Gaboon River has been abandoned in disgust on account of the missionaries not being able to grow beans. It is the property of all twining plants, it is known to twine with the sun, and consequently if two vines of the same species, one grown North and the other South of the equator be compared, they will be found to twine in opposite directions. Now Gaboon is precisely on the equator, and the poor perplexed beans, not knowing which way to turn, turn sick and die.

A VETERAN IN CONGRESS.—Gen. John B. Rodgers, Representative for the State of Tennessee at large in the forty-first Congress of the United States, entered the army as a staff officer under Gen. Jackson, in 1818.

ADULTERATION!

LAGER BEER, containing coppers, and Ale
doctored with salt, lime and alum, are among
the latest adulterations discovered in New York.
I was astonished that brewers in New York and
other cities could afford to sell Ale and Beer for
less money than the materials cost me to make a
pure, unadulterated barrel of Beer. This mys-
tery has been solved; the above poisonous ingre-
dients are not costly; but persons in the prime of
life, possessing strong constitutions, will soon
find their health fast declining, and it may be,
fill premature graves, if they persist in using the
poisonous compounds named. I shall continue to
make, not a life-destroying, but a healthful be-
verage, so that it may be drank by the most delicate
without the least danger.

HEINITZ'S QUEEN'S DELIGHT

IS THE WONDER OF MODERN SCIENCE. No
medicine has attained such a world-wide repu-
tation as this justly celebrated Compound. Its
extraordinary healing powers are attested to by
thousands, and every mail is freighted with let-
ters bearing testimony to its excellent character
and worth as a medicine. Orders are coming in
from all quarters, and all bear unmistakable evi-
dence of its great popularity.

"Mr. E. H. Heinitz—DEAR SIR: I have been
afflicted for many years with an eruption of the
skin, of the nature of Erysipelas, and have tried
a number of preparations without relief. My
health, much impaired in consequence of this dis-
ease, and having heard so much about the virtues
of your preparation of 'Queen's Delight,' I was
induced to try it. My expectations are more than
realized; I find it a complete success. I give this
testimony freely, that others may be benefited.
Yours respectfully,
Mrs. H. F."

Read this remarkable case of Liver Complaint,
cured by one bottle of the "Queen's Delight."
"Mr. E. H. Heinitz—DEAR SIR: Mrs. Rials was
suffering with Liver Complaint and pains in the
side and heart, nervousness, could not sleep, bad
appetite and general bad health. I procured one
bottle of your 'Queen's Delight,' I regard her
case as cured. She is looking as well as she ever
did. Your 'Queen's Delight' is a blessing to the
afflicted. I give this certificate cheerfully. Yours
respectfully,
J. D. RIALS."

**General prostration cured by the "Queen's De-
light."**

"Messrs. Fisher & Heinitz—GENTS: I have no
hesitation in saying that I regard 'Heinitz's
Queen's Delight' a great medicine. I have been
suffering with Weakness, Languor, Want of Ac-
tivity, Fatigue of Limbs, Drowsiness, Sleepiness,
Nervousness and General Prostration. I have
taken one bottle of the 'Queen's Delight,' and I
rejoice to say that I am a new man and am about
my business as well as ever. Yours truly,
"H. I. FAUNER."

"Dr. E. H. HEINITZ: Your medicine for Chills
and Fever is a sure remedy. I have been suffer-
ing for several months past, and one bottle of
your Chill and Fever Cure has entirely cured the
disease. I have not had a chill since, and I re-
gard my health restored. Yours respectfully,
"M. D. WADE, Tax-Collector."

"Dr. E. H. HEINITZ: I take great pleasure in
testifying to the remarkable medicinal powers of
your valuable medicine, the 'Queen's Delight.' I
have used three bottles in my family, and I owe
the restoration of my wife's health entirely to its
use. I am now trying it for Asthma, on my
daughter, a child six years of age; will report the
result. Your medicine is worthy a place in every
household. Yours, &c., REV. A. K. DURHAM."

"Dr. E. H. Heinitz—DEAR SIR: I cheerfully en-
dorse the recommendation given for your 'Queen's
Delight' in cases of Chills and Fever. I have been
cured with your medicine when every other I tried
failed. Yours truly,
S. L. SLOANE."

"Dr. E. H. Heinitz—DEAR SIR: Your 'Queen's
Delight' has done all you promised it would do in
my case. A radical cure for Chill and Fever. The
chills are gone. A general restoration of my health
is the result of only one bottle. My doubts have
all been removed in regard to the efficacy of your
medicine. I have tried it, therefore I can endorse
the statement of others that it is the best medi-
cine out. Yours, &c., W. K. ELKINS."

"Dr. E. H. Heinitz—DEAR SIR: In accom-
dence with my promise, I give you the certi-
cate of cure in my case. I had Chills and Fever
for more than three months, in which time my
loss of work was equal to \$100. I took only one
bottle of your 'CHILL CURE' and I am entirely
cured; my health restored. The only objection I
have to it is that it increased my appetite far be-
yond my means to supply it. Otherwise, it is the
best Chill and Fever Cure known. Yours truly,
"HENRY DANIELS."

Be sure and ask for "HEINITZ'S QUEEN'S
DELIGHT," and see that his name is on it.

The Best at Last.

THE BEST SCHEME FOR MAKING MONEY
on the Plan of LIFE INSURANCE ever offered
by any Company in the world, and emanating
from the wisest financial heads of the country,
JAY COOKE & CO., Washington, D. C., is in the

NATIONAL LIFE INSURANCE COMPANY.

THE ADVANTAGES ARE:

IT IS A NATIONAL COMPANY,

Chartered by Special Act of Congress.

IT AFFORDS THE SECURITY OF

A paid-up Capital of \$1,000,000, with the privilege
of increasing to an unlimited amount.

IT OFFERS LOW RATES OF PREMIUM.

The Policy-holder in the NATIONAL LIFE
INSURANCE COMPANY secures by contract,
a given amount of Insurance for a premium much
lower than that of Mutual Companies.

IT FURNISHES LARGER INSURANCE

Than other Companies for the same money.
For instance, a person aged 30, by paying an
annual premium of \$165.50, can secure a policy in
the National Life Insurance Company for \$10,000;
while the same premium can secure only \$7,031.80
in a Company on the Mutual Plan.

IT IS DEFINITE AND CERTAIN.

There is no possibility of misrepresentation by
agents, or misunderstanding by policy-holders.
It makes a plain contract—so much insurance for
so much money.

IT IS A HOME COMPANY IN EVERY

Locality.

The money paid for premiums will be invested
in the section where received.

ITS POLICIES ARE NEGOTIABLE.

By the Charter of the Company, certificates or
obligations may be issued, agreeing to purchase
its policies at their value, which, when accompa-
nyed by the policy duly assigned or transferred,
are negotiable, and may be used as collateral secu-
rity in making loans from the Company or from
other parties.

BY THE PROVISIONS of the CHARTER

Its Policies are exempt from Attachment.

THERE ARE NO UNNECESSARY

Restrictions in the Policy.

The insured are not restricted from traveling in
any part of the United States or British Pro-
vinces, or in Europe, in time of peace.

ALL POLICIES NON-FORFEITING.

Every policy issued by the Company contains a
guarantee of a paid-up policy for a proportionate
amount. (See Explanation of Tables.)

IT MAKES AN ANNUAL ADDITION

To the Policies of 100 per cent. of the Premium
Paid.

Policies issued by the Return Premium Plan
increase at the beginning of every year by just
the amount of premium paid. (See Explanation
of Tables.)

IT PAYS TO THE INSURED DURING

Life an Annual Income of one-tenth the amount
named in the Policy.

A party insuring upon the Income-Producing
Plan, will draw an Annual Income of one-tenth
the amount named in the Policy, after ten, twenty,
twenty-five, or thirty years, according to the
kind of Policy taken. The full amount of the
Policy will be paid at death, whenever that event
occurs.

NO CHARGE IS MADE FOR POLICY

Fee, Stamps, or Medical Examination.
