

ning to remit the remainder of the imprisonment. His Excellency acceded to the prayer of the petition, and we understand on the best possible grounds.

In accordance with the conditions announced his in proclamation, the Governor in the case was furnished with the proceedings of the Court, previous to his granting the pardon; moreover, the verdict of the Court, which tried him recommended him to Executive clemency, whilst convicting him of manslaughter, and besides all this the negro was an old and faithful servant, some seventy years of age, and whose former conduct and fidelity, in connection with the testimony that the killing was accidental, most certainly entitled him to the exercise of the merciful prerogative placed in the hands of the Chief Magistrate of the State.

It is not necessary for us to defend the Governor in relation to this matter. From all we can learn of the facts, he has full claim to our approval, and has acted in perfect consistency with his published determination. We know further that other applications, accompanied by the required condition, have been considered by the Executive in strict accordance with the wholesome rules he has laid down for his government. We have said thus much as a mere act of justice to Gov. Manning, with regard to the exercise of the pardoning power in the case alluded to.—South Carolinian.

CONTRADICTION.—Hon. D. I. Yule, of Florida in a letter to the Jacksonville News, dated March 27, denies the statement made some time since, to the effect that a curious correspondence between him and Mr. Rhett, reflecting upon the conduct of some of his conductors in the Senate, with respect to the secession project, was about to be published.

CHOLERA IN CUBA.—The cholera was still raging with great violence at Puerto Principe at the latest accounts. In the village near that place, containing 1,000 inhabitants, there had been two hundred and fifty deaths. Nothing has been said by the papers of the small pox, reported heretofore as prevailing in Havana. The general health of the island was improving. The cholera, though very fatal in the vicinity of Puerto Principe, was subsiding in other quarters.

ANOTHER SCIENTIFIC WONDER. IMPORTANT TO DYSPYPTICS. DR. J. S. HOBBS' PEPSEIN, THE TRUE DIGESTIVE FLUID, ORGANICALLY PREPARED FROM THE POISSON STOMACH OF THE SALMON, THE DISCOVERY OF DR. POISONING. Thousands of parents who are reminded, compared to Castor Oil, Calomel, &c. are not aware, that while they are found to benefit the patient, they are actually laying the foundation for serious disease, such as salivation, loss of sight, weakness of limbs, &c. In another column will be found the advertisement of Hobb's Pills, in which we ask the attention of all directly interested in their own as well as their children's health. Liver Complaints and all disorders arising from the use of the above pills, should not be one of the only genuine Hobb's Pills, but ask for Hobb's Pills, Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBBS, & Co., as you else are genuine.

TO THE SICK. For the effective rooting out from the system of all diseases brought on by indigestion, biliousness and impurity of the blood, it is a widely and well known fact, that WRIGHT'S INDIAN VEGETABLE PILLS are the great PANACEA. Throughout the entire South, these Pills have long been held in the highest respect, both by private individuals and by the Medical, the unfortunate victim to "warty" pills and warty medicine. Southern doctors and Southern dispensaries generally, find their influence at once, and to thank Heaven that a sovereign balm has been provided. Let each try them for himself, and if the medicine fails to satisfy, the experiment shall cost him nothing. THOS. J. WORKMAN, Agent for Camden, S.
