A number who arrived yester- T day, and the day previous, took up their quar ters in the city, or shipped themselves and families on-board boats bound for the Upper Mississippi, bidding adieu to their professed religion and its especial agent.

THE URSULINE CONVENT .- It is said that Massachusetts would long since have indemnified the owners of this convent, which was set on fire by a mob, and destroyed, some years ago, but for the fact that had she done so by a special law, many past cases of a similar nature would have been brought up. The legal difficulty, however, has at last been got over, after patient investigation, by a decision that this case is an exception to all others. A bill has, therefore, been passed to a second reading in one branch of the Legislature, to B indemnify the owners. This, however, has been already followed by the House granting leave to report a bill for the benefit of Wm. Lloyd Garrison, the abolitionist, who was mobbed in Boston in 1834 or 1835.

#### POISONING.

Thousands of parents who u e Vermifuge composed o Castor Oil, Calomel. &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss

of sight, weakness of limbs, &c. IMPORTANT TO DYSPEPTICS.

Dr. J. S. HOUGHTON'S PEPSIN, THE TRUE DIGES TIVE FLUID, OF GASTRIC JUICE, prepared from RENNET or the FOURTH STOMACH OF THE OX, after direc tions of BARON LIEBIG, the great Physiologica Chemist, by J. S. #### TO THE SICK.

For the effectual rooting out from the system of a diseases brought on by indigestion, billiousness and im purity of the blood, it is a widely and well beown fact WRIGHT'S INDIAN VEGETABLE PILLS are the great PANACEA. Throughout the entire South, these Pils have long been held in the highest repute, both by private individuals and by the Medical faculty of our country. Southern fevers and Southern diseases generally, yield to their influence at once; and the unfortunate victim to "earthly ills and woes" is made to thank Heaven that a sovereign balm has been provided.

Let each try them for himself and if the medicine fails to satisfy, the experiment shall cost him nothing. Thos. J. WORKMAN, Agent for Camden, S. C., and sold by Druggists and Merchants througho ut the coun-June 28-1y. try.
