Later from Europe.
BALTIMORE, Nov. 11.—The Royal mail steamship America, Capt. W. J. C. Laid, has arrived at Halifax from Liverpool, which port she left on the 29th ult.
THE LIVERPOOL MARKETS.—From the departure of the Africa on the 22d ult., up to the 28th ult., 35,550 bales of Cotton were sold. The better qualities were firm, but the lower descriptions had declined 7-16d. Middling Orleans was quoted at 6d.; Fair Mobile at 6 1/2d.; Middling Mobile at 5 7/8d.; Fair Uplands at 6 7/8d.; and Middling Uplands at 5 3/4d.
HAYES COTTON MARKET.—The sales of Cotton during the week ending the 25th ult., comprised 7,750 bales. All qualities had advanced from one to two francs; the lower qualities, however, had improved the most. The stock on hand, exclusive of that on shipboard, amounted to 68,000 bales.

European Intelligence.
Advices from Bucharest to the 25th ult., state that two Russian steamers and eight gunboats had forced the passage of the Danube on the 23d ultimo, encountering a brisk fire from the Turkish fort, which killed one Russian colonel, three officers and twelve men, and wounded forty. The Russians say they set fire to the fort with a shell.
It is reported that the Emperor of Russia has abdicated in favor of the Grand Duke Constantine.
France is prepared to send troops to Constantinople.
The Turkish Government does not desire the presence of the combined fleets at Constantinople, unless they are prepared to act efficiently.
It is rumored that the Four Great Powers have drawn up new propositions for the acceptance of Russia and Turkey.
It appears that the Russians, not the Circassians, were defeated in the engagement that recently took place.
The Hon. P. Soule, our Minister at the Court of Madrid, was received by the Queen of Spain, he having modified some objectionable passages in his address.

According to returns at the Treasury Department the value of the portion of the cotton crop of the United States exported during the year ending on the 30th of June last was \$109,000,000, against \$87,000,000 worth exported during the year ending on the 30th of June, 1852.

The Barnwell (S. C.) Sentinel says that a horrible murder was committed near Aiken, on the 2d inst., on the person of Mr. Wise Holly, by a man named Fowler, who has made his escape.

A CARD.
Since the Proprietors' recent Laboratory enlargements have allowed him to supply his numerous orders for Lyon's Katharine, he has also introduced some new Chemical Affinities which add still to the high character of this immensely popular article for Curling, Beautifying, Preserving and Restoring the Hair.
Let those now use,
Who never used before,
And those who always used,
Now use the more.
The Price is still 25 cents, in large bottles, and may be had at any store in the United States.

POISONING.
Thousands of parents who are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.
In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all interested in their own or their children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine Medicine, Hobensack's Liver Pills.
"Be not deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.
