#### POISONING.

Thousands of parents who use Vermifuges composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.

In another column will be found the advertisement of Hobensack's Medicines, to which we ask the atten tion of all interested in their own as well as their children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine Medicine, Hohensack's Liver Pills. "Be not deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.

Great Bargains in Dry-Goods! WING to the delicate state of Mr. W. D. Mason's health, I have resumed possession of the stock of Dry Goods recently sold to him, and would respectfully inform the public, that the same must be disposed of within a very few weeks, as my business engagements elsewhere will not admit of any longer delay.-A large portion of the stock has been recently purchased in New York, for eash, but no distinction will be made in favor of new Goods-they must all be disposed

of, and that at whatever they will bring. This is, unfortunately, not a mere ruse to gain custom, but a fixed fact, demanding immediate action, and as such, I would earnestly invite the earliest attention of those who wish to lay in a supply of first class Dry Goods at not less than fifty per cent. below the regular prices—an assertion I will fully establish to the satisfaction of purchasers. OF which this is a correct ent. The exclusive right of which, for the United States and Territories, new belongs to the New Haven Manafacturing Company, New Haven Comp, to when years acquaintance with the above MI, the New Haven Manufacturing Company have adopted it as a portion of their business, knowing this Milt to be the best portable Milt for all kinds of grain which has been in use by over 100 per cent.

These Milis are celebrated above all other mills, first, for their superior construction—they are built in the best workmanike manner, from the best French burr-stone, 30 inches in diameter, and all soungly encased in a fine case-iron frame, and so arranged that one man can set one of these Milks up in less than two hours ready to use; and when this put up, an if he repairs they would require for the years, would be but a tritle; second, they are so constructed, that when set so as to make the finest flour, the stones with or without field will not come be contact; bence, they leave no grit in the meal, and us prever is used except for erusing the grain. Thirl, these Milis are sectomoliar, by a blast of cold air driven through an aperture in the casing, and around the stones; bence, they can be run 24 hours without stopping, and without heating.

Fourth, these Milis will grind 20 hushels of corn into fine meal in 10 hours, and that too with 11 horse-power; a d will grind 120 bushels of wheat into fine flour in ten hours time, and with one-half the power required by the common mill. Price 1200. Packing 45.

Circulars, with instructions for using, with certificates from the best and most reliable sources in relation to this Mili, can be had by addressing as above, post paid.
