DENNIS'  
SARSAPARILLA  
COMPOUND  
OR  
ALTERATIVE,  
IS A  
SOUTHERN  
MEDICINE,  
AND NOT  
A Northern Humbug!

THE  
BEST PHYSICIANS  
USE IT  
IN THEIR PRACTICE,  
AND IT HAS  
PROVED GOOD  
BY  
COMMENDATIONS  
FROM THOSE WHO  
HAVE TRIED IT.  
IT IS NOT OFFERED TO THE PUBLIC  
AS A  
UNIVERSAL SPECIFIC,  
BUT AS ONE OF THE BEST MEDICINES  
FOR  
PURIFYING THE BLOOD  
AND  
DISEASES OF THE LIVER  
THAT CAN BE OBTAINED.  
THE GREAT  
AND  
CALLEABLE TEST  
OF  
PURITY.

To extract all the medicinal virtues from the same kind of roots that are used in making this preparation and add them together according to the proportions of this compound, the result will be a compound like this in taste and effect, and will convince them that this is a genuine compound Sarsaparilla.  
When tested by comparison in this way, or by trial in liver complaints, or for purifying the blood or by chemical analysis, it will be found good.  
The publication of its composition is the best certificate or recommendation that can be given.  
It is a Valuable Article to be Used with or prescribed by other Medicine.  
Bottle of Potassium, &c., will have better effect upon the system, when combined with this Sarsaparilla, than when administered in any other way.

TESTIMONIAL.  
From Rev. W. A. McSwain  
NEWBERRY, S. C., June 22, 1857.  
Dr. Dennis, Dear Sir—My wife has been straggly and severely afflicted for several years with what is supposed to be a scrofulous habit of the system, superinduced by a severe attack of Yellow Fever—and after having tried a great number of remedies, some of which were very good, she was induced, by your kind suggestion to use the Sarsaparilla Compound, prepared by yourself, and this she has found to be the best remedy that has been tried. I am now confident in the hope, that under the blessing of God it will make a final cure. It is certainly a most excellent preparation for all malarious affections.  
Affectionately yours,  
W. A. McSWAIN.
