

IN MEMORIAM.

The noble youths who have fallen in this sanguinary struggle are entitled to the gratitude and affection of their countrymen. With hearts full of patriotism, and spirits proud and indomitable they stood to their posts until stricken to death, challenging alike the love of their comrades and the respect of the world.

He was truthful, candid and generous. His heart was the centre of pure emotion, high purposes and elevated sentiments, surmounted with a profound respect for everything sacred. His mind was bright and cultivated, giving promise of rich fruit.

"Spirit look not on the strife, Or the pleasures of earth with regret— Pounce not on the threshold of limitless life To mourn for the day that is set."

Headquarters,

CONSCRIPT DEPARTMENT. COLUMBIA, August 17, 1864.

GENERAL ORDERS NO. 9.

THE ATTENTION OF PERSONS EXEMPTED or detailed for agricultural purposes, and who have given bond to the Government, is directed to the following paragraph from Circular No. 21, Bureau of Conscription:

"2. The sale to the Government, or to the families of soldiers, at prices fixed by the Commissioners of the State under the Impressment Act, of the marketable supplies remaining after furnishing the Government with the stipulated quantity of provisions, and which he may raise from year to year while his exemption continues, as made by the Act of Congress, approved February 17, 1864, one of the conditions of exemption allowed to an overseer or agriculturist. A claim is asserted by some of those exempted agriculturists to exchange such part of the aforesaid surplus as they may please for supplies of provisions, clothing and the like, to be consumed in family use, and to sell to the Government or the families of soldiers only what may remain of such surplus after making such exchanges.

"Upon satisfactory evidence being furnished that persons exempted as overseers or agriculturists have or are thus disposing of their surplus productions by exchange as aforesaid, Enrolling Officers will arrest all such persons, forward them to their nearest Camps of Instruction, to be retained there until final action shall be taken and announced in their cases, and forward through the proper channels of communication to this Bureau a report of all the facts and circumstances of each case.

"Every agriculturist or overseer, upon receiving his certificate of exemption, should be informed that the action indicated above will be taken in the event of his not disposing of his marketable surplus in accordance with the requirements of law."

II. Officers and agents of the subsistence and Quartermasters' Departments are requested to communicate information to the Enrolling Officer of all instances coming to their knowledge in which persons exempted or detailed for agricultural purposes have violated the stipulations of their bonds to the Government in the sale or other disposition of their marketable surplus.

Slave Labor for the Coast,

DIVISION NO. 2.

COMMISSIONERS OF ROADS AND THE town authorities within the Judicial Districts of Lancaster, Kershaw, Chesterfield, Darlington, Marlboro, Marion, Sumter, Clarendon, Williamsburg, and Horry, will forthwith summon all slaveholders within their respective limits to deliver ONE-HALF of their slaves, liable to road duty, at the Railroad depots nearest their residence, on TUESDAY THE 27TH DAY OF SEPTEMBER NEXT, at 8 o'clock, a. m., there to await transportation to Charleston, for thirty days labor on the fortifications.

II. The Confederate authorities have made a requisition upon the State for Two Thousand laborers monthly. The proportion of one-fourth heretofore called for, had failed to supply half of this number. In view of this fact and the great urgency of the demand for labor at this time, it is deemed expedient to shorten the interval between the calls, and increase the quota. This is no violation of the law, for it does not fix the quota of labor, nor the interval between the calls, but prescribes that such proportion shall be called for as will fill the requisition, giving thirty days notice. Each Division in the order fixed will be required to furnish this quota, and no injustice will be done to any.

III. All parties, whether individuals or companies, who own or employ more than one road hand, are required to furnish their quota, (one-half) unless relieved by detail from Department Headquarters. This can relieve only those hands permanently engaged on the specific work for which the detail was granted. Commissioners of roads will give their attention to this matter and report to this office.

IV. Great confusion exists from the imperfect manner in which the names of owners are given to agents at the several depots. It is the duty of one, or more of the Commissioners, to be present to verify the quota of each owner, and prepare correct lists. Within five days after delivery on this call they will please forward to this office names of defaulters in their respective divisions of roads.
