

**To the Public.**

WE, THE UNDERSIGNED PHYSICIANS OF Camden, in consideration of the late action of the Medical Society of Charleston, increasing their charges from three to five times those in their old fee bill, have agreed from the present date to adopt the minimum recommendation, making our charges three times the usual fees, which we believe is as low as is adopted in any part of the State. Discretion will be used in particular cases.

**Slave Labor for the Coast,**

DIVISION NO. 2.

COMMISSIONERS OF ROADS AND THE town authorities within the Judicial Districts of Lancaster, Kershaw, Chesterfield, Darlington, Marlboro, Marion, Sumter, Clarendon, Williamsburg, and Horry, will receive within ninety days from the date of this notice, all slaveholders within their respective limits to deliver ONE-HALF of their slaves, liable to road duty, at the Railroad depots nearest their residence, on TUESDAY THE 27TH DAY OF SEPTEMBER NEXT, at 8 o'clock, a. m., there to await transportation to Charleston, for thirty days labor on the fortifications.

II. The Confederate authorities have made a requisition upon the State for Two Thousand laborers monthly. The proportion of one-fourth heretofore called for, had failed to supply half of this number. In view of this fact and the great urgency of the demand for labor at this time, it is deemed expedient to shorten the interval between the calls, and increase the quota. This is no violation of the law, for it does not fix the quota of labor, nor the interval between the calls, but prescribes that such proportion shall be called for as will fill the requisition, giving thirty days notice. Each Division in the order fixed will be required to furnish this quota, and no injustice will be done to any.

III. All parties, whether individuals or companies, who own or employ more than one road hand, are required to furnish their quota, (one-half) unless relieved by detail from Department Headquarters. This can relieve only those hands permanently engaged on the specific work for which the detail was granted. Commissioners of roads will give their attention to this matter and report to this office.

IV. Great confusion exists from the imperfect manner in which the names of owners are given to agents at the several depots. It is the duty of one, or more of the Commissioners, to be present to verify the quota of each owner, and prepare correct lists.

Within five days after delivery on this call they will please forward to this office names of defaulters in their respective divisions of roads.

R. B. JOHNSON, Agent of the State of So. Ca.
