Slave Labor for the Coast, DIVISION NO. 2.

I. COMMISSIONERS OF ROADS AND TOWN authorities within the Judicial Districts of Lancaster, Kershaw, Chesterfield, Darlington, Marlboro, Marion, Sumter, Cheronden, Williamsburg, and Horry, will forthwith summon all slaveholders within their respective limits to deliver ONE-HALF of their slaves, liable to road duty, at the Railroad depots nearest their residence, on TUESDAY THE 27TH DAY OF SEPTEMBER NEXT, at 8 o'clock, a. m. there to await transportation to Charleston, for thirty days labor on the fortifications.

II. The Confederate authorities have made a requisition upon the State for Two Thousand laborers monthly. The proportion of one-fourth heretofore called for, had failed to supply half of this number. In view of this fact and the great urgency of the demand for labor at this time, it is deemed expedient to shorten the interval between the calls, and increase the quota. This is no violation of the law, for it does not fix the quota of labor, nor the interval between the calls, but prescribes that such proportion shall be called for as will fill the requisition, giving thirty days notice. Each Division in the order fixed will be required to furnish this quota, and no injustice will be done to any.

III. All parties, whether individuals or companies, who own or employ more than one road hand, are required to furnish their quota, (one-half) unless relieved by detail from Department Headquarters. This can relieve only those hands permanently engaged on the specific work for which the detail was granted. Commissioners of roads will give their attention to this matter and report to this office.

IV. Great confusion exists from the imperfect manner in which the names of owners are given to agents at the several depots. It is the duty of one, or more of the Commissioners, to be present to verify the quota of each owner, and prepare correct lists.

Within five days after delivery on this call they will please forward to this office names of defaulters in their respective divisions of roads. R. B. JOHNSON, Agent of the State of So. Ca. a. m. h. t. d.

PROCLAMATION.

STATE OF SOUTH CAROLINA.

EXECUTIVE DEPARTMENT.

COLUMBIA, Sept. 5, 1864.

To the Citizens of South Carolina:

THE GALLANT ARMY OF TENNESSEE has been compelled by numbers to evacuate Atlanta. Whilst the Confederate authorities will doubtless do their duty through the Army and the State Reserves, now organized and in the field, under Brigadier General Chesnut, towards the defence of the State, the present military condition of the country requires that every man who can wield a weapon should be in some organization for the attainment of the same object.

The annexed orders provide for such organizations as the Executive is authorized to require under the law; and it is expected that every one who is liable will, without excuse, rally to the colors of the State in his appropriate organization.

But the force now most useful for all our military purposes is a mounted force; and that (it can only be voluntary). I conjure the yeomanry of the State, by every consideration of interest and patriotism at once to organize. Let it be formed without reference to age. Many a man over 50 will make as efficient a mounted soldier as others half his years. In '51 the State, then looking to the possible conflict which is now upon us, could boast as gallant a body of mounted men, many of them now over 50, as ever flashed a sabre in the face of a foe. Many of them are doing good in the field. Let those at home unite with their younger fellow citizens in organizing companies for mounted service. Each man must mount and equip himself, except as to a carbine, which, of the most approved kind, the State will furnish.

The horses (one to each officer and man) upon being registered with the Captains of Companies, as also the equipments, which (the horse and equipments) shall be used for military purposes, will be exempt from impressment, seizure, distress and execution.

If in a regiment or district enough do not unite to form a company, let them organize with from 15 to 30, electing a lieutenant, unite with some organization in another regiment or district, so as to make up a company and selecting a captain, determine the rank of their lieutenants by lot or otherwise. Upon the organization of companies having in the aggregate, including four (4) commissioned and eight (8) non-commissioned officers, not less than sixty-eight (68), they will be received and armed; and when the number of companies is sufficient, will be organized into battalions and regiments by the election of field officers.

All persons liable to service, who do not attach themselves to a mounted company, will be organized in one of the two classes embraced in the annexed order from the Adjutant and Inspector General's Office.

Citizens of South Carolina! You entered this contest resolved to live free or perish. Your brothers, sons and fathers of the army and State Reserves are already in the field. Place yourselves by their sides and make good your determination, that no foul minion of the despot Lincoln should ever place, with impunity, his unhallowed footprint on the soil of your State. You have never wronged your foes. Make them rue the day they attempted to efface you from your heritage and give it to others. The ray of hope which some sanguine persons supposed they saw in the Chicago Convention has gone out in darkness. Be not deceived. There is no prospect of peace from that quarter. Peace is to be obtained alone, under the blessing of God, through your fortitude, your sacrifices and your own strong arms. Given under my hand and the seal of the State at Columbia, this 5th day of September, Anno Domini one thousand eight hundred and sixty-four.

M. L. BONHAM.

W. R. HUNT, Secretary of State. All papers in the State will publish this and General Orders No. 10 till Monday, the 12th. September 8. 4
