In order to aid tax-payers in preparing their returns, the following schedule and classification of taxable articles is published:

CLASS I—All Property Engaged in Agriculture.

The kinds of property which shall be considered as employed in agriculture are: All lands actually cultivated or connected with or contributing to such cultivation, such as wood or pasture lands; all slaves, little, big, old and young, above twelve years of age, as are properly known and designated as plantation or farm negroes, as contradistinguished from mechanics or house servants or others not connected with a farm or plantation; all horses, mules and oxen used as work animals on a farm or plantation, as contradistinguished from family horses or horses of pleasure, and from horses, mules or stock cattle upon such estate but not actually used in tilling the soil; all ploughs, carts, wagons and implements of husbandry generally used and necessary to the proper cultivation of the crops.

CLASS II—All Property of every kind, Real, Personal and Mixed, not employed in Agriculture.

This property will embrace lands not employed in agriculture; all real estate in cities, towns and villages, and all other real estate throughout the country that does not contribute to the tax in kind; all slaves not employed in agriculture, embracing all house servants, both in the city and country, carpenters, handcraftsmen of all kinds, draymen, day laborers, body servants, coachmen, &c., and all others not agricultural including slaves on farms under twelve years of age; horses, mules and jennies not engaged in agriculture; cattle of the bovine species, sheep, goats and swine.

Cotton, wool, tobacco, corn, wheat, rye, oats, buckwheat and all kinds of grain; potatoes and all kinds of peas, and all products of the farm, garden or orchard.

The assets of all banks or other joint stock companies, whether incorporated or not, are taxed just as individuals are taxed—banks paying a tax on their capital and reserved funds, and returning their gold and silver coin as others are required to do.

On all profits made by buying and selling articles—purchased since the 1st January, 1863—between the 17th February and 1st July, 1864, a tax of 30 per cent.

There is also a tax of 1 per cent. on all property due and payable in 1864, under the Act to raise money to increase the pay of soldiers.

Tax-payers are urged, as there has been necessarily so much delay, to be prompt in making their returns as above enumerated. Office hours from 9 o'clock a. m., to 2 o'clock p. m.

Slave Labor for the Coast,

DIVISION NO. 2.

I. COMMISSIONERS OF ROADS AND THE town authorities within the Judicial Districts of Lancaster, Kershaw, Chesterfield, Darlington, Marlboro, Marion, Sumter, Clarendon, Williamsburg, and Horry, will forthwith summon all slaveholders within their respective limits to deliver ONE-HALF of their slaves, liable to road duty, at the Railroad depots nearest their residence, on TUESDAY THE 27TH DAY OF SEPTEMBER NEXT, at 8 o'clock, a. m., there to await transportation to Charleston, for thirty days labor on the fortifications.

II. The Confederate authorities have made a requisition upon the State for Two Thousand laborers monthly. The proportion of one-fourth heretofore called for, had failed to supply half of this number. In view of this fact and the great urgency of the demand for labor at this time, it is deemed expedient to shorten the interval between the calls, and increase the quota. This is no violation of the law, for it does not fix the quota of labor, nor the interval between the calls, but prescribes that such proportion shall be called for as will fill the requisition, giving thirty days notice. Each Division in the order fixed will be required to furnish this quota, and no injustice will be done to any.

III. All parties, whether individuals or companies, who own or employ more than one road hand, are required to furnish their quota, (one-half) unless relieved by detail from Department Headquarters. This can relieve only those hands permanently engaged on the specific work for which the detail was granted. Commissioners of roads will give their attention to this matter and report to this office.

IV. Great confusion exists from the imperfect manner in which the names of owners are given to agents at the several depots. It is the duty of one, or more of the Commissioners, to be present to verify the quota of each owner, and prepare correct lists.

Within five days after delivery on this call they will please forward to this office names of defaulters in their respective divisions of roads.
