THE Southern Field & Fireside!

GRAND LITERARY COMBINATION!
A VAST CONCENTRATION OF TALENT, SURPASSING ANY COMBINATION EVER BEFORE ATTAINED IN THE HISTORY OF PERIODICAL LITERATURE OF EUROPE OR AMERICA!

"The Southern Field and Fireside,"
OF AUGUSTA, GA.,
 AND
"The Illustrated Mercury,"
OF RALEIGH, N. C.

Combined and continued under the old popular title of
SOUTHERN FIELD & FIRESIDE.

THE ENTIRE EDITORIAL AND CONTRIBUTORIAL CORPS OF BOTH JOURNALS RETAINED.

THE PROPRIETORS OF THE "MERCURY" having purchased the "Southern Field and Fireside" and finding it impossible to make arrangements which would insure a regular supply of paper, upon account of the irregularity and uncertainty of transportation for the "Field and Fireside" at Augusta, Ga., the same having to be supplied from the mills at Raleigh, N. C., have removed the "Field and Fireside" to Raleigh and combined these two sterling Literary Journals. The "Mercury" is therefore merged into the "Southern Field and Fireside," and will be so published until the state of the country will justify a divergence, when both papers will be resumed and continued as heretofore. Subscribers to both journals will receive the paper to the full time of subscription without delay or interruption.
 The entire Editorial and Contributorial Corps of both papers are retained upon the emerging journal. It is announced without fear of contradiction that the extensive and

Splendid Array of Combined Talent now employed in writing for the "Field and Fireside" surpasses in genuine merit, ability, celebrity and numerical strength any combination or engagement ever before attained in the history of Periodical Literature of Europe or America.
 It is a large eight page Weekly Journal teeming with original Romances, Sketches, Tales, Poetry, History, Essays, Criticisms, Witicisms; including Translations from the French, German and other Languages; Agricultural, Mechanical and Scientific articles, etc.
 The Proprietors confidently assert that the "Field and Fireside" shall at once far excel in real merit every publication of the kind ever before attained or attempted in the United States or the South. The arrangements now effected fully justify the assertion.

THE LAWS OF NEWSPAPERS:
 1. SUBSCRIBERS WHO DO NOT GIVE EXPRESS notice to the contrary, are considered as wishing to continue their subscription.
 2. If subscribers order the discontinuance of their newspapers, the publisher may continue to send them until all arrearages are paid.
 3. If subscribers neglect or refuse to take their newspapers from the offices to which they are directed, they are held responsible until they have settled the bills and ordered them discontinued.
 4. If subscribers remove to other places without informing the publishers, and the newspapers are sent to the former direction they are held responsible, for the same.
